The Swiss Reformation was a seminal event of the 16th century and the source of a distinctive Protestant culture whose influence spread across Europe from Transylvania to Scotland. This book provides the first comprehensive study of the subject in any language. The author argues that the movement must be understood in terms of the historical evolution of the Swiss Confederation, its unique and fluid structures, the legacy of the mercenary trade, the distinctive character of Swiss theology, the powerful influence of Renaissance humanism, and, the roles played by the dominant figures, Huldrych Zwingli and Heinrich Bullinger.

The Catholic Reformation provides a comprehensive history of the 'Counter Reformation in early modern Europe. Starting from the middle ages, Michael Mullett clearly traces the continuous transformation of the Catholic religion in its structures, bodies and doctrine. He discusses the gain in momentum of Catholic renewal from the time of the Council of Trent, and considers the profound effect of the Protestant Reformation in accelerating its renovation. This book explores how and why the Catholic Reformation occurred, stressing that moves towards restoration were underway well before the Protestant Reformation. Michael Mullett also shows the huge impact it had not only on the papacy, Church leaders and religious ritual and practice, but also on the lives of ordinary people - their culture, arts, attitudes and relationships. Ranging across the continent, The Catholic Reformation is an indispensable new survey which provides a wide-ranging overview of the religious, political and cultural history of the time.

A presentation of the pivotal 1519 debate between Martin Luther and John Eck in its historical and theological context, showing its significance for the subsequent course of the Reformation.

This new book by religion scholar Martin Marty, released in time for the 500th Anniversary of the Protestant Reformation, shows how Martin Luther ' s insights still speak to the church today about reconciliation, repentance and the need for "a change of heart." Included are the 95 Theses of Martin Luther. "The ' one thing ' that opens these pages relates to and, in fact, is the first of ninety-five theses that were proposed five hundred years ago by Martin Luther.... Here is that first thesis, as it was voiced by that influential monk in Germany half a millennium ago: "When our Lord and Master Jesus Christ said, ' Repent ' (Matthew 4:17), he willed the entire life of believers to be one of repentance. So, simply put, this book is about ' repentance ' as a worthy theme for believers to keep in mind if and as they commemorate events of five hundred years ago, events that still shape many features of their lives." — Martin Marty "Martin Marty ' s attention to October 31, 1517, the day that Martin Luther promulgated his 95 Theses, provides valuable insights for the past, the present, and the future—why Luther ' s articulation of ' repentance ' meant so much then, why his commitment to ' justification ' has now built a bridge for Catholics and Lutherans to work with each other, and why this great event of 500 years ago might herald a hopeful future for Christian believers and all others. There is an awful lot packed readably into this one small book." — Mark Noll, Francis A. McAnaney Professor of History, University of Notre Dame "I would not dream of preparing my mind and heart for the celebration of Luther ' s role in the Reformation without finding out what Martin Marty has to say on the subject. And he says it here in this wonderful little book. The gifted historian that he is, Marty gives us much solid information. But he also writes eloquently about how best to prepare our souls for the kind of commemoration that also includes some prayers of repentance." —Richard Mouw "This pithy book offers valuable insight on how Luther ' s 95 theses have had a profound influence on the ecumenical movement, and can help Christians today understand what it means to be a member of a truly ' catholic ' church." —Kathleen Norris "Martin Marty is the most widely respected historian of Christianity in the United States today. In this little book he with clarity, compassion, and a good dose of common sense shows how Luther ' s story is meaningful today." — Rev. John O ' Malley, S.J., University Professor, Georgetown University "From one of the world ' s most preeminent scholars of religion comes a book about repentance; ...It is a gem."— James Martin, SJ

A compelling story of agency, survival, struggle and triumph over adversity African Americans: A Concise History illuminates the central place of African-Americans in U.S. history by telling the story of what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. It follows the long and turbulent journey of African-Americans, the rich culture they have nurtured throughout their history and the quest for freedom through which African-Americans have sought to counter oppression and racism. MyHistoryLab is an
