I was raised in a motorcycle club. I saw things no little girl should ever see. Did things no little girl should ever do. That was my life and I loved it. The Ravens taught me about family. Loyalty. Even loss. Now I live a different life. I'm no longer part of that family. I'm no longer part of the club. I live a life where I pretend to be the person I am. I put on a show for the world and I'm good at it. I've perfected it. At least I thought I had. It didn't take him long to see right through me. I have a choice to make. Keep playing pretend or finally be who I have always wanted to be. "When you're ready to stop hiding who you really are, come find me." **Raiden's Choice is the first book in the Ravens MC series. It is a standalone, full-length novel and is suitable only for mature readers. It includes adult content, adult language, sexual situations, drug abuse, violence, and talk of rape.**

I left home seven years ago, trying to pursue my dream. California was going to give me everything. Life. A career. Money. I had no idea how quickly a dream could turn into a nightmare. A motorcycle club is about family, trust and loyalty. Break that and you will have an enemy on your hands that you can't defeat. Run from it and you will be looking over your shoulder for the rest of your life. I broke it and I ran. I'm trying to start over. Trying to figure out who I am outside of that lifestyle, but does Katy McGuire even exist anymore? I can choose to get entangled in the motorcycle club my sister is in, be drawn back into the life I ran screaming from, or I can choose to forget that part of me ever existed. That part of me that feels comfortable in the nightmare. "I had a choice to make and I chose my heart." *Katy's Choice is book three in the Ravens MC Series, but can be read as a standalone novel. It has references to characters and events from Raiden's Choice (A Ravens MC Novel: Book One) and Lincoln's Choice (A Ravens MC Novel: Book Two). It contains adult content, adult language, violence, and sexual situations. It is intended for mature readers only.*

Betrayal. When you're in a motorcycle club, you think this never happens. I'm a Ryker. We're supposed to be about family and loyalty. I've learned that sometimes club family can betray you deeper than anyone. Now that I know the truth... who can I trust? The woman who has saved my ass time and again or my

Read Book Raidens Choice A Ravens Mc Novel Book 1

own flesh and blood who wants me to help him bring down the very club I've been calling my family? Can I betray the Rykers knowing they turned their backs on me once? I call myself loyal...but that's not loyalty. I have a choice to make. Family or blood." Savages. That's exactly what we are. It's what I am." *Lincoln's Choice is book two in the Ravens MC series. It references characters and events from Raiden's Choice (A Ravens MC Novel: Book One) but can be read as a standalone novel. It includes adult content, adult language, violence, and sexual situations. It is intended for mature readers only.*

From the #1 New York Times bestselling author of *The Wrath and the Dawn*, comes a sweeping, action-packed YA adventure set against the backdrop of Feudal Japan where Mulan meets *Throne of Glass*. The daughter of a prominent samurai, Mariko has long known her place—she may be an accomplished alchemist, whose cunning rivals that of her brother Kenshin, but because she is not a boy, her future has always been out of her hands. At just seventeen years old, Mariko is promised to Minamoto Raiden, the son of the emperor's favorite consort—a political marriage that will elevate her family's standing. But en route to the imperial city of Inako, Mariko narrowly escapes a bloody ambush by a dangerous gang of bandits known as the Black Clan, who she learns has been hired to kill her before she reaches the palace. Dressed as a peasant boy, Mariko sets out to infiltrate the Black Clan and track down those responsible for the target on her back. Once she's within their ranks, though, Mariko finds for the first time she's appreciated for her intellect and abilities. She even finds herself falling in love—a love that will force her to question everything she's ever known about her family, her purpose, and her deepest desires.

I grew up near Verdana, California - the tourist town I now live in. It's the perfect small town with beaches, shops, and beautiful people. Verdana has just one imperfection though - it's a haven for motorcycle clubs. I knew when I was younger that I wanted to save Verdana from them. Make it a better place. Make it the place I always loved. I became an attorney and started putting the criminals behind bars, including the infamous club members. Somehow I lost my way. I can no longer decipher where the line I drew between right and wrong is - or if it even exists anymore. I'm muddling through a gray area, trying to figure out who I am and where I stand with the Ravens MC - the very same club I vowed to take down. Am I the same man I was when I started this vendetta or am I a few decisions away from becoming aligned with my enemy? "She could be my final undoing. That darkness that pulls me completely into the gray." *Griffin's Choice is book four in the Ravens MC Series, but can be read as a standalone novel. It has references to characters and events from the previous Ravens novels. It contains adult content, adult language, violence, and sexual situations. It is intended for mature readers only.*

Love or Death? A simple question really. The choice seems obvious. But. What if you never knew love, what if your life was spent just trying to survive? What if you knew your fate before you were fully grown? And then you died. And you were given another chance. A better chance. This new life depended upon one thing: your job. And so you agreed. You thought it would be simple. You thought it would be cut and dry. It never is. And now you are left holding the fate of someone else in the palm of your hand and you have to make the ultimate choice. Love or Death?

I left home seven years ago, trying to pursue my dream. California was going to give me everything. Life. A career. Money. I had no idea how quickly a dream could turn into a nightmare. A motorcycle club is about family, trust and loyalty. Break that and you will have an enemy on your hands that you can't defeat. Run from it and you will be looking over your shoulder for the rest of your life. I broke it and I ran. I'm trying to start over. Trying to figure out who I am outside of that lifestyle, but does Katy McGuire even exist anymore? I can choose to get entangled in the motorcycle club my sister is in, be drawn back into the life I ran screaming from, or I can choose to forget that part of me ever existed. That part of me that feels comfortable in the nightmare. "I had a choice to make and I chose my heart." *Katy's Choice is book three in the Ravens MC Series, but can be read as a standalone novel. It has references to characters and events from *Raiden's Choice* (A Ravens MC Novel: Book One) and *Lincoln's Choice* (A Ravens MC Novel: Book Two). It contains adult content, adult language, violence, and sexual situations. It is intended for mature readers only.*

The darkest hour approaches... To recover the final fragment of the Sword of Life, you are forced to make an uneasy alliance with the exiled prince who seeks its twin, the Sword of Death. The next phase of your quest takes you through the alleyways of the city of Crescentium, where assassins lurk in the shadows and fanatic crusaders are vigilant to mete out punishment to any who break their harsh laws. But mortal foes are not your greatest threat. You must embark on a ship that voyages between worlds, face jinn and fire wizards, and contend against the still-powerful remnants of forgotten gods. In this land of sorcery, you will encounter terrors and wonders more fabulous than you have ever imagined - until your ultimate destination, the very shores of Life and Death, where you come face to face with your greatest foe. Blood Sword can be played either solo or in a team of up to four people, providing the most exciting challenge yet in fantasy adventures, combining the best of role-playing, novels and tabletop games. What reviewers say: "A lush and gorgeous campaign, one of the best I've played..." "Without exaggeration, the finest entry in the best 'ongoing story' gamebook series ever crafted..." "A grand adventure. Ends on an absolutely awesome cliffhanger that leaves you just gasping to read the fourth book in the series..."

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to

Read Book Raidens Choice A Ravens Mc Novel Book 1

secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.
