The complete works of one of England's greatest Edwardian writers Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre, highly individual, full of eccentric wit and unconventional situations. With his great gift as a social satirist of his contemporary upper-class Edwardian world, Saki is one of the few undisputed English masters of the short story and one of the great writers of a bygone era. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Katie's Cabbage is the inspirational true story of how Katie Stagliano, a third grader from Summerville, South Carolina, grew a forty-pound cabbage in her backyard and donated it to help feed 275 people at a local soup kitchen. In her own words, Katie shares the story of the little cabbage seedling and the big ideas of generosity and service that motivated her to turn this experience into Katie's Krops, a national youth movement aimed at ending hunger one vegetable garden at a time. Katie's Cabbage reminds us of how small things can grow and thrive when nurtured with tender loving and care and of how one person, with the support of family, friends, and community, can help make a powerful difference in the lives of so many. Katie's Cabbage was illustrated by Karen Heid, associate professor of art education at the University of South Carolina School of Visual Art and Design. Editorial assistance was provided by Michelle H. Martin, a dedicated gardener and the Augusta Baker Chair in Childhood Literacy at the University of South Carolina School of Library and Information Science. Patricia Moore-Pastides, First Lady of the University of South Carolina and author of *Greek Revival from the Garden: Growing and Cooking for Life*, offers a foreword about her friendship with Katie and her admiration of Katie's dream to end hunger one garden at a time.
