The number one, bestselling title in the spin-off series from Percy Jackson creator, Rick Riordan - now in a stunning graphic novel form! OLD ENEMIES AWAKEN AS CAMP HALF-BLOOD'S NEW ARRIVALS PREPARE FOR WAR When Jason, Piper and Leo crash land at Camp Half-Blood, they have no idea what to expect. Piper and Leo are the chosen ones to embark on a terrifying new quest, which they must complete by the winter solstice. In just four days time. Can the trio succeed on this deadly mission - and what must they sacrifice in order to survive?

In *The Son of Neptune*, Percy, Hazel, and Frank met in Camp Jupiter, the Roman equivalent of Camp Halfblood, and traveled to the land beyond the gods to complete a dangerous quest. The third book in the *Heroes of Olympus* series will unite them with Jason, Piper, and Leo. But they number only six--who will complete the Prophecy of Seven? The Greek and Roman demigods will have to cooperate in order to defeat the giants released by the Earth Mother, Gaea. Then they will have to sail together to the ancient land to find the Doors of Death. What exactly are the Doors of Death? Much of the prophecy remains a mystery. . . . With old friends and new friends joining forces, a marvelous ship, fearsome foes, and an exotic setting, *The Mark of Athena* promises to be another unforgettable adventure by master storyteller Rick Riordan.

Jason has a problem. He doesn't remember anything before waking up on a school bus holding hands with a girl. Apparently she's his girlfriend Piper, his best friend is a kid named Leo, and they're all students in the Wilderness School, a boarding school for "bad kids." What he did to end up here, Jason has no idea--except that everything seems very wrong. Piper has a secret. Her father has been missing for three days, and her vivid nightmares reveal that he's in terrible danger. Now her boyfriend doesn't recognize her, and when a freak storm and strange creatures attack during a school field trip, she, Jason, and Leo are whisked away to someplace called Camp Half-Blood. What is going on? Leo has a way with tools. His new cabin at Camp Half-Blood is filled with them. Seriously, the place beats Wilderness School hands down, with its weapons training, monsters, and fine-looking girls. What's troubling is the curse everyone keeps talking about, and that a camper's gone missing. Weirdest of all, his bunkmates insist they are

The ninth work in the New York Times and #1 internationally bestselling series that started with *Beautiful Bastard*. In this e-novella, Will Sumner and Hanna Bergstrom (from *Beautiful Player*) find that a wedding and everlasting love were just the beginning. One Player tamed. One nerd girl satisfied. And one more major life decision to make. When Will fell for Hanna, her quirky sense of humor and fierce dedication to her career were part of the attraction. (Not to mention her coy newbie attitude toward sex and her willingness to let him teach her everything.) But when the job offers start rolling in for her—and oh, they do—Hanna has trouble deciding what she wants, where they should live, and how much she should burden Will with the decision. Magic between the sheets is only one part of a relationship...getting on the same page is quite another altogether.

Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for h
