Used Renault Grand Espace The Renault Grand Espace made its debut in 1998 when the third generation of the shorter wheelbase model was only a year old. The Grand Espace has all the benefits of its smaller sibling, which is considered King of the people carriers, but, this model gives you a longer body which results in a slightly bigger boot and a bit more room for passengers to sprawl out in.

A spacious and competent large MPV, the Renault Espace was, when it was first released early in the 2000s, one of the biggest and most practical cars available. Since then there have been a number of similarly sized rivals, but the Espace - despite no longer being in production - remains at the very top end of the scale. The cabin is bright and airy and features seven seats (with slide and ...

The Screen Design Manual provides designers of interactive media with a practical working guide for preparing and presenting information that is suitable for both their target groups and the media they are using. It highlights background information and relationships, clarifying them with examples, and encourages the further development of the language of digital media. In addition to the basics of perception and learning psychology, ergonomics, communication theory, imagery research, and aesthetics, the book also considers design navigation and orientation elements. Guidelines and checklists, along with the comprehensive design of the book, support the transfer of information into practice. Frank Thissen teaches multimedia didactics and information design at the University of Applied Sciences in Stuttgart. For over 10 years he has been developing computer based training. He has worked for international companies such as Siemens AG and SAP AG. His research project explores the role of emotion in e-learning > www.frank-thissen.de Key Topics: - Interactive media - Text for the screen - Effective use of pictures - Video, animation, and sound - Screen layout - Orientation and navigation - Interaction - Emotions and metmessages - Intercultural communication
