Now a movie on Lifetime! I was thirteen when my dad caught me with Tommy Webber in the back of Tommy's Buick, parked next to the old Chart House down in Montara at eleven o'clock on a Tuesday night. Illustrated text, letters, and diary excerpts follow the fictional Buckler family during the Great Depression, as they leave Oklahoma, because of drought and duststorms, and move to California to find work and a better life.

In 1932, Akron, Ohio was no better off than other parts of the country. Since Black Tuesday in '29, companies are closed, men all over the state are out of work, and families are running out of hope. Thirteen-year-old Rudy wants to help but doesn't know where to turn. His father, sullen and withdrawn, spends his time sulking on their front porch. His mother is desperate, not knowing how she will feed and care for her family. When Rudy learns of other boys leaving town and heading west to seek their fortunes, he hops a train figuring at least there will be one less mouth to feed at home. As Rudy lives the hobo life while he "rides the rails" to California, young readers are given a snapshot view and testament of Depression-era America. Writer Dandi Daley Mackall met the real "Ramblin' Rudy" in 2000 and was inspired to capture his story and the spirit of adventure shown by many during the Great Depression. She conducts writing workshops across the United States and speaks at numerous conferences. Dandi lives in West Salem, Ohio. Rudy Rides the Rails is Chris Ellison's second book with Sleeping Bear Press. He also illustrated Let Them Play,

This is the incredible true story of Sarah Emma Edmonds, who dressed as a man and fought in the Civil War. When she was 19, Sarah cut her hair, donned her brother's clothes, and fled from Canada, where her father wanted her to marry an elderly gentleman. In the U.S., she went by the name Frank Thompson and joined the Army to fight the Confederates. She was a nurse working on the battlefield when, because of her heroism, she was asked to serve as a spy. At her death, Edmonds was buried in a military cemetery, in a plot reserved for Civil War veterans—the only woman to have this honor.
