MFM This book is a newly edited and a beautiful new cover re-release of the same great story originally released in 2013. Tori Paulson has been stalked by a Houston police officer for the past year. When she unexpectedly inherits a small ranch near Climax, Colorado, from a great-uncle she’d never even met, Tori thinks fate may finally be planning to give her a break. Braving roads she doesn’t believe really qualify as highways while battling near-blizzard conditions, Tori misses her meeting with the local attorney, and that is only the beginning of the bad news. Sitting outside in the snow wondering where she is going to sleep without freezing to death, she suddenly realizes the gorgeous cowboy watching her thoughtfully has actually spoken to her. Dom Trace Bartell is totally unprepared for the snow angel he finds sitting stunned in front of the local tavern. He is drawn to the intelligence he sees dancing in her dark eyes and vulnerability he senses in her. But Tori’s stalker hasn’t given up. Can Trace keep Tori safe from a stalker whose past is much darker than anyone knows?

How do I prepare for a battle where my life is the least of what is at stake? There is so much to lose, and I’m frightened. For the first time in my life... I’m afraid for our future. - Aradia Emerald Stone denied her magic until a desperate call from her beloved grandmother sends her on a cross-country adventure. It’s the perfect excuse to walk away from a stalled career and a man who turned out to be an anchor rather than a romantic interest. When she finally parks in front of her family’s mystical shop, Ema is running on empty. The first person she sees is Josh Bennett. The only thing worse than staring at him like a lovesick teenager is falling into the street at his feet. The whole scene makes her look as though she’s channeling a slutty version of Lucille Ball. Yes, indeed, just another day in the sitcom life and times of Emerald Stone, super klutz. The battle over the crystal cavern beneath her family’s store has been escalating, but her return sends everything spiraling out of control. Sheriff Joshua Bennett can see Ema Stone is running on fumes, but she is still the most beautiful woman he’s ever seen. A call from a Kansas patrolman alerted him to her impending arrival, but nothing could have prepared him for seeing her again. Josh doesn’t believe in magic, but there is no denying Emerald Stone is special in too many ways to count. From the moment she tumbles out of her car, Josh knows Crystal, Colorado, will never be the same. Love, Laughter, Magic, and Mayhem

When one of his brothers arranges for Kensington to vacation at the luxurious hideaway on ShadowDance Mountain known as the cabin, he is shocked by what he finds. The woman who emerges sputtering from the tarp changes everything. Denali Weston has been a wilderness guide since she was sixteen, but she’s never encountered a group like the trio tramping up the mountain behind her. Both men want her and they’ve known for years they’d eventually find a woman they wanted to spend the rest of their lives with, but they are determined Olivia needs to be fully recovered and SAFE before they make their move. Discovering the petite bundle of trouble is interested in their lifestyle tests the two sexual Dominant’s patience to the limit. Can they keep her safe long enough to convince her she is everything they’ve dreamed of? And can Olivia accept the fact she is worthy of everything they’re offering or will old demons undermine what could have been?

In this magical debut -- a finalist for the Pulitzer Prize -- a couple’s lives are changed forever by the arrival of a little girl, wild and secretive, on their snowy doorstep. Alaska, 1920: a brutal place to homestead, and especially tough for recent arrivals Jack and Mabel. Childless, they are drifting apart--he breaking under the weight of the work of the farm; she crumbling from loneliness and despair. In a moment of levity during the season’s first snowfall, they build a child out of snow. The next morning the snow child is gone--but they glimpse a young, blonde-haired girl running through the trees. This little girl, who calls herself Faina, seems to be a child of the woods. She hunts with a red fox at her side, skims lightly across the snow, and somehow survives alone in the Alaskan wilderness. As Jack and Mabel struggle to understand this child who could have stepped from the pages of a fairy tale, they come to love her as their own daughter. But in this beautiful, violent place things are rarely as they appear, and what they eventually learn about Faina will transform all of them.
