Following the success of Evelyn's first book - Diaper Dominance and Discipline - This well-written author

has now delivered her next book: "Sissy Babies - the Ultimate Submissive" Written as a guide to establishing and managing a relationship with sissy babies, this book gives guidance based on personal experience and rare expertise. It will deal with questions

such as 'what is a sissy baby' and how to find satisfactory outcomes for both baby and parent. It addresses real-life issues in managing a non-peer-based relationship and how to actually make it work, and work well. Sissies are a growing part of society and within the ABDL community, the sissy baby is
