The central focus of this book is how organizations deliver service and the operational decisions that managers face in managing resources and delivering service to their customers.

# Where To Download Slack

The world is in a constant state of flux, and this influences the operations of every business and organisation.

Business

Management: A

Contemporary

Approach deals with

these changes by

covering the

functions of a

business or an

Organisation and then  
addressing the  
contemporary issues  
that affect them.

These issues include  
globalisation,  
corporate  
entrepreneurship and  
citizenship, credit,  
diversity and  
HIV/AIDS. Every  
student of business  
and business  
manager needs to
