This Financial Accounting Workbook provides preformatted templates to facilitate efficient preparation of answers to all Basic and Involved Problems found in the textbook. The Financial Accounting book covers the accounting and reporting cycle, current assets, long-term assets, debt, equity, and cash flows. This material is typically covered in introductory accounting courses and is foundational for all accountants and business people.

Accounting: Text & Cases, by Anthony, Hawkins, and Merchant covers both financial and managerial accounting as well as broader managerial issues. Chapters 1 -14 cover financial accounting, while Chapters 15-21 cover management accounting, and Chapters 22-28 focus on broader issues of control and corporate strategy. The approximately 120 cases that make up most of the end of chapter material are a combination of classic Harvard style cases and extended problems, with 10 completely new cases added to the 13th edition. Accounting: Text and Cases is a product of lifelong dedication to the discipline of accounting, and users of the book benefit from a breadth of experience that is sure to enrich your course and your students.

Designed to be used in a one-term financial accounting course for undergraduate students at four-year colleges and universities, this text presents accounting concepts, principles, and reporting with an emphasis on cash basis accounting, within the framework of the statement of cash flows. Real-worl

The Student Practice and Solutions Manual to accompany Kieso Intermediate Accounting 17e contains a chapter review, and a selection of brief exercises, exercises, and problems with accompanying solutions from Kieso's Problem Set B which is similar to end of chapter material.

Solutions manual for sale to students provides full solutions for odd-numbered end-of-chapter assignment items, including questions, exercises, problems, and cases. This Managerial Accounting Solutions Manual provides answers to all Basic and Involved Problems found in the textbook. The Managerial Accounting book covers a range of managerial and cost accounting topics related to planning, directing, and controlling functions. Costing methods, operating and capital budgets, tools for analysis, performance evaluation, decision-making processes, and reporting techniques are all covered in depth. This material is customary for most managerial accounting courses, and is foundational for all accountants and business people.

Based on United States generally accepted accounting principles, this textbook was written by David Annand, EdD, MBA, CPA, CA, and Professor of Accounting in the Faculty of Business at Athabasca University. It was adapted by Teresa Thompson of Mission College, Santa Clara CA. The material also includes multiple ancillary student resources: a solutions manual for all text questions, a full index, and a student workbook. Students can print outlines for answers to any questions as they need them and fill in responses manually. All of this material is able to be printed on demand in whole or in part. The text and solutions manual are also available as a combined .pdf file for onscreen viewing. The material is fully bookmarked. All questions and problems are hyper-linked to related solutions. In addition there are links to randomly-generated Excel® problems at the end of each chapter. These cover key concepts, and provide unlimited practice and feedback. Instructor resources include an assignment and exam bank, and PowerPoint® slides. All text, solutions manual, and student workbook material is available in .docx format for instructors to customize if desired. The material is freely-adaptable and shareable under a CC-BY-SA-NC licence. A comprehensive, end-of-term case is also available (Jensen Wholesalers Corp.). This requires students to prepare 18 different year-end adjusting entries and all four types of financial statements, and calculation and analysis of 16 different financial statement ratios. Tailored solutions are provided for instructors. An example is included on this webpage. Unique versions can be created for any number of individual students or groups. This case, and the assignment and exam bank are available upon request to davida@athabascau.ca.
