Amazon.co.uk:Customer reviews: Star Witch (The Lazy Girl's ...

Star Witch was not as good as Slouch Witch. I think this was mostly because Ive and Rafe weren't together all the time like they were in the last book. Ivy is such an extreme personality she really needs someone around to hold her back a bit, otherwise she gets to be a bit much. Especially in her constant charging forward without thinking.

Ivy is such an extreme personality she really needs someone around to hold her back a bit, otherwise she gets to be a bit much. Especially in her constant charging forward without thinking.

Star Witch (The Lazy Girl's Guide To Magic) (Volume 1 ...

Star Witch is part romantic comedy, part urban fantasy, part whodunit, part social satire. I adore Ivy as the consummate lazy girl, however, as the story develops, she ' s realizing that laziness isn ' t nearly as rewarding as being all in.

Lights. Camera. Inaction. Ivy Wilde, the laziest witch in the West, is still entangled with the Hallowed Order of Magical Enlightenment. That's not a bad thing, however, because it gives her plenty of excuses to spend more time with sapphire eyed Raphael Winter, her supposed nemesis. And when he comes knocking because he needs her to spy on the latest series of Enchantment, she jumps at the chance. Hanging around a film set can't be hard ... or dangerous ... right?

Hard Work Will Pay Off Later. Laziness Pays Off Now. Let's get one thing straight - Ivy Wilde is not a heroine. In fact, she's probably the last witch in the world who you'd call if you needed a magical helping hand. If it were down to Ivy, she'd spend all day every day on her sofa where she could watch TV, munch junk food and talk to her feline familiar to her heart's content. However, when a bureaucratic disaster ends up with Ivy as the victim of a case of mistaken identity, she's yanked very unwillingly into Arcane Branch, the investigative department of the Hallowed Order of Magical Enlightenment. Her problems are quadrupled when a valuable object is stolen right from under the Order's noses. It doesn't exactly help that she's been magically bound to Adeptus Exemptus Raphael Winter. He might have piercing sapphire eyes and a body which a cover model would be proud of but, as far as Ivy's concerned, he's a walking advertisement for the joyless perils of too much witch-work. And if he makes her go to the gym again, she's definitely going to turn him into a frog.

If anyone appreciates what it means to be dead to the world, it's Ivy Wilde.Barely recovered from her brush with necromancy, Ivy is flung once more into a world of intrigue, adventure and potential death and disaster. It's not her fault - it just so turns out that she's now the only person in the entire world who can communicate with the dead. And they're a chatty bunch with a list of demands. When the ghosts offer information about a witch-hating mass murderer in return for Ivy's help, she has no choice but to get involved. She might be getting herself into more trouble than she realises though - and that's even before she's dragged to Sunday dinner so she can meet Winter's family...This is the third book in The Lazy Girl's Guide To Magic series.

When Tiffany Aching sets out to become a witch, she faces ominous foes and gains unexpected allies. As she confronts the Queen of Fairies and battles an ancient, bodiless evil, she is aided (and most ably abetted) by the six-inch-high, fightin', stealin', drinkin' Wee Free Men! Laugh-out-loud humor and breathtaking action combine in the books that launched the unforgettable adventures of a determined young witch and her tiny but fierce blue friends.

Halloween Gifts / Gift Ideas for Kids / Softback Notebook [\$6.65 / £3.99] A fun smART bookx kids' Halloween gift notebook with Witches, Wizards, Cats, Bats, Ghosts, Ghouls, Owls, Spiders, Pumpkins and Footprints. Magic. Shadows. Adventure. Romance. Saiya Buchanan is a wraith, able to detach her shadow from her body and send it off to do her bidding. But, unlike most of her kin, Saiya doesn't deal in death. Instead, she trades secrets - and in the goblin besieged city of Stirling in Scotland, they're a highly prized commodity. It might just be, however, that the goblins have been hiding the greatest secret of them all. When Gabriel de Florinville, a Dark Elf, is sent as royal envoy into Stirling and takes her prisoner, Saiya is not only going to uncover the sinister truth. She's also going to realise that sometimes the deepest secrets are the ones locked within your own heart. This is a stand-alone urban fantasy novel.

Do you believe in miracles? This story is about a great accidental miracle, about faith in yourself, and about love. It is a story about a star that gave a little girl a great deal of hope and faith that dreams are being fulfilled and miracles happen quite unexpectedly. You only need to believe. In fact, faith, hope, and love are the three main laws of life.BONUS: Black and white coloring book page.This story is great for a quick bedtime story and to be read aloud with friends and family.

Ever since the witch Ezemalda and the Genie escaped him, the Dark Prince has plotted his revenge. Now it comes in the guise of the mortal countess Sybil van Dyk. After selling her soul to the the Dark Prince, she seeks to reverse her enchantment at the magic workshop of the Genie and the witch. As they work to set the countess free, the Genie and Ezemalda embark on a new adventure in their battle with the Dark Side, not suspecting what signing a contract with the Dark Prince on new moon portends.

King is arrogant, cocky, and everything your heart tells you to stay away from. Ever is sassy and strong willed. Together these two are explosive...but getting there is a challenge. A challenge King happily accepts no matter how bad Ever fights it. Synopsis- Kingsley Lennox, AKA King, has been dubbed a genius of the architectural world. Anything he touches turns to gold, and being as successful as he is, his work is his number one priority. He doesn't have time to date or deal with the slew of women that gawk at him just because of his perfect face and chiseled body. Plus, no one has interested him enough to give a shit, until the smart mouthed Everly Adams, AKA Ever, wakes to the noise of him restoring the building next door to hers. Ever, like King, doesn't have the time or the desire to date, she's been through so much. So when she meets King, she can't help but want nothing at all to do with the arrogant asshole. For one, they share nothing in common. For another, he's pompous, cocky, and throws his money around as if that will win her heart. Did I mention he's fucking crazy and very controlling? No, thank you! But when King sets his mind to something, he accomplishes it...always has, always will. Ever is the biggest challenge he's faced, but will she be the only person he can't impress? Can King win her over, all while hiding the truth about who he really is? \*\*\*This book is an Erotic Romance novel and contains mature subject matter. It is not intended for those under 18 years of age.\*\*\*

A werewolf killer. A paranormal murder. How many times can Emma Bellamy cheat death? I'm one placement away from becoming a fully fledged London detective. It's bad enough that my last assignment before I qualify is with Supernatural Squad. But that's nothing compared to what happens next. Brutally murdered by an unknown assailant, I wake up twelve hours later in the morgue - and I'm very much alive. I don't know how or why it happened. I don't know who killed me. All I know is that they might try again. Werewolves are disappearing right, left and centre. A mysterious vampire seems intent on following me everywhere I go. And I have to solve my own vicious killing. Preferably before death comes for me again.
