Strategic Communication for Organizations elucidates the emerging research on strategic communication, particularly as it operates in a variety of organizational settings. This book, appropriate for both students and practitioners, emphasizes how theory and research from the field of communication studies can be used to support and advance organizations of all types across a variety of business sectors. Grounded in scholarship and organizational cases, this textbook: focuses on message design provides introductory yet comprehensive coverage of how strategy and message design enable effective organizational and corporate communication explores how theory and research can be synthesized to inform modern communication-based campaigns Strategic Communication for Organizations will help readers discuss how to develop, implement, and evaluate messages that are consistent with an organization's needs, mission, and vision, effectively reaching and influencing internal and external audiences.

Engaging Employees through Strategic Communication provides a detailed overview of employee communication and its evolution as a tool to drive employee engagement and successful change management. Approaching the subject with the philosophy that internal audiences are essential to the success of any strategic communication plan and business strategy—particularly as they relate to driving change—Mark Dollins and Jon Stemmler give readers a working knowledge of employee communication strategies, skills, and tactics in ways that prepare students for careers in this rapidly expanding field. Providing the tools necessary to evaluate the impact of successful employee communication campaigns, they put theory and cutting-edge research into action with practical examples and case studies sourced from award-winning entries judged as best-in-class by the International Association of Business Communicators (IABC), the Public Relations Society of America (PRSA), PRWeek, and PRNews. The book is ideal for undergraduate and graduate students in internal, corporate, or employee communication courses and will be a useful reference for practitioners who want to understand how to carry out effective employee communication engagement and change-management campaigns.

Strategic communication comprises different forms of goal-oriented communication inside and between organizations, their stakeholders and the society. Strategic communication is an emerging practice and research field integrating established disciplines such as public relations, organizational communication and marketing communication into a holistic framework. The field is based on an awareness of the fundamental importance of communication for the existence and performance of all organizations. This textbook offers a broad insight into the field of strategic communication. The main aim of the book is to give a general overview of theories, concepts and methods in strategic communication. The book also aims to develop an understanding of different perspectives and the consequences each one has for practice. After reading the book the student or reader will be able to define and reflect upon strategic communication as an academic field and professional practice, describe relevant theories and apply these to communication problems. The authors apply a reflective and practice-oriented approach meaning earlier research or theories are not only described, but also discussed from different critical perspectives. A practice-oriented approach means, in this book, that the authors strongly emphasize the role of contexts and situations—where strategic communication actually happens. This book will help business and communications students to not only define and understand a variety of strategic communications theories, but to use those theories to generate communication strategy and solutions.

Designed for introductory business and organizational communication classes, this successful, multi-edition book focuses on helping the reader to master the four essential elements of effective communication--setting goals, knowing the audience, mastering skills, and managing anxiety. The Sixth Edition addresses current challenges to business communication created by advances in new technology, the global marketplace, shifting communication priorities, and diversity within the workforce.

Designed to support the paradigm shift in media and communication, this book presents the basic tenets of strategic communication and its foundational disciplines of advertising, public relations, and marketing communications. Drawing on the latest research in the field, the text introduces students to the theories of strategic communication while at the same time outlining how to apply them to everyday practice. To facilitate learning and tie concepts to practice, each chapter includes introductory focus questions, a contemporary global case study, a career profile of a current practitioner, end-of-chapter discussion questions, and features that highlight how research methods can be applied to strategic communication practice. Principles of Strategic Communication is ideal as a core text for undergraduate students in strategic communication courses within media, communication, marketing, and advertising programs. The accompanying online support material features chapter summaries, useful links to examples of strategic communication in action, suggested further reading, and practice test questions. Instructors will find an instructor's resource manual that includes sample syllabi, class activities, lecture topics, and a test bank. Strategic Communication at Work provides the reader with a practical approach to engaging in all types of communication—one-on-one, small group, and large group—to achieve intended results. The framework presented enables readers to make informed decisions that increase the effectiveness of their communication and enhance their credibility. Lennard presents the IMPACT Paradigm—Intending, Messaging, Presence, Attending, Connecting, and Together—in the first part of the book explaining the benefits of using a single framework for all strategic communication. The second part illustrates how to apply these principles and approach interactions with a purposeful mindset, express ideas congruently, and connect with others. The third part offers curated exercises for practicing communication skills, along with specific ways to integrate the paradigm into everyday communication interactions. The text's clear and practical approach will appeal to graduate students of business communication, as well as instructors and professionals interested in improving their communication skills.

This book presents a comprehensive guide for public relations and strategic communication professionals and entrepreneurs to effectively manage the communication aspects of startups in the context of business in China. Drawing on interdisciplinary theories, current issues, and updated research evidence obtained from entrepreneurs and startup leaders in China, this concise volume provides research-based insights on the best practices for public relations and strategic communication in the unique context of startups. It addresses relationships with stakeholders, public relations practice, leadership communication, and how to leverage the power of social media in the entrepreneurial context. Strategic Communication for Startups and Entrepreneurs in China will be of great benefit to public relations and strategic communication scholars and practitioners, startup leaders and entrepreneurs interested in opportunities in China, and advanced students in public relations, business communication, and entrepreneurship.
