Strategic Management: Text and Cases, 2nd Edition, by Dess/Lumpkin/Eisner is both readable and rigorous - written for today's student. A rocket-ship in its first edition, the revision continues to provide solid treatment of traditional topics in strategic management, as well as contemporary topics like entrepreneurship, knowledge management, and internet strategies. The prestigious author team understands the importance of thorough, modern concepts illustrated by rich, relevant and teachable cases. The new case selections emphasize variety, currency, and familiar company names. The cases are up-to-date in terms of both financial data and strategic issues. This group of cases gives both instructors and students unparalleled quality and variety. Based on consistent reviewer feedback, these selections combine comprehensive and shorter length cases about well known companies.

Strategic Management: Text and Cases, Tenth edition, written by authors Dess, McNamara, Eisner, and Lee continues its tradition of being readable, relevant, and rigorous. Its engaging writing style minimizes jargon to maximize readability. It provides examples from management practice and societal themes including environmental sustainability, ethics, globalization, entrepreneurship, and data analytics to make the content relevant. It draws on the latest research by management scholars and insights from executives to balance accessibility with rigor. They provide separate chapters on the role of intellectual assets in value creation (Ch. 4), entrepreneurial strategy and competitive dynamics (Ch. 8), and fostering entrepreneurship in established organizations (Ch. 12). This version includes the all the text and 38 cases.

This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and case studies. Based on real-world practices and current thinking in the field, the Tenth Edition of Strategic Management features an increased emphasis on the changing global economy and its role in strategic management. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

STRATEGIC MANAGEMENT: Creating Competitive Advantages, 3/e, by Dess, Lumpkin, and Eisner, responds to the demands of today's rapidly changing and unpredictable global marketplace that students will face when they enter the business world. The concepts-only text provides students with a timely, rigorous, and relevant book written in an engaging manner to spur their interest and excitement. This book provides a solid treatment of traditional topics in strategic management as well as contemporary topics such as entrepreneurship, knowledge management, and e-commerce and internet strategies. Numerous applications from business practice plus sidebars (approximately six per chapter) bring key concepts to life. Instructors can create their own case volumes for use with Strategic Management 3rd Edition from a variety of source- pre-selected case packets, customizing from a recommended set which have been carefully mapped to the chapter concepts, or from the entire Primis database which features cases from Harvard, Darden, INSEAD, Ivey, and other reputable sources.

Introduce your students to strategic management with the market-leading text that has set the standard for the most intellectually rich, yet thoroughly practical, analysis of strategic management concepts today. Written by highly respected experts and prestigious instructors Hitt, Ireland and Hoskisson, STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION, CONCEPTS, 10E is the only book that integrates the classic industrial organization model with a resource-based view of the firm to give students a complete understanding of how today's businesses use strategic management to establish a sustained competitive advantage. The authors combine the latest, cutting-edge research and strategic management trends with insights from some of today's most prominent scholars. A strong global focus and carefully selected examples from more than 600 emerging and established companies place concepts into context within an inviting, relevant and complete presentation. A wealth of learning features and experiential exercises address numerous critical issues confronting managers today. Various online teaching tools and a complete electronic business library help keep study current and relevant. Count on this Concepts text to provide the solid understanding of critical strategic management concepts your students need to increase performance and establish a clear competitive advantage. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
