Never fear, though, because we here at Collider have a guide to help you find the perfect Netflix movies available in the U.S. We've thumbed through the library and assembled a list of some of the...

There should be a way to stop the frustration of not knowing what to watch. There has to be. *agoodmovietowatch*, the movie and show recommendation website trusted by millions of users every year, is out with the latest solution: a TV-Guide-style book for Netflix. On-demand services like Netflix put the burden of choice entirely on you, and it's not easy to cut down from the overwhelming choice of options. This book is a selection of exclusively good movies and shows, titles highly-rated by both viewers (on IMDb) and critics (Rotten Tomatoes). Instead of always watching the latest thing that Netflix comes out with, this book gives you over 130 highly-rated and often little-known alternatives, including the new stuff that's actually worthy of your attention. This book is meant to be as functional and as practical as possible. Its goal is to spread the word about the existence of a better way to interact with a service like Netflix. Get it or give it to a friend who is constantly complaining about not knowing to watch - it's meant to be both a timely and timeless solution. It features both movies and shows that will expire and Originals that will never leave Netflix.

Even as the television industry experiences significant transformation and disruption in the face of streaming and online delivery, the television channel itself persists. If anything, the television channel landscape has become more complex to navigate as viewers can now choose between broadcast, cable, streaming, and premium services across a host of different platforms and devices. *From Networks to Netflix* provides an authoritative answer to that navigational need, helping students, instructors, and scholars understand these industrial changes through the lens of the channel. Through examination of emerging services like Hulu and Amazon Prime Video, investigation of YouTube channels and cable outlets like Freeform and Comedy Central, and critiques of broadcast giants like ABC and PBS, this book offers a concrete, tangible means of exploring the foundations of a changing industry.

#1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek

In 2016, Netflix—with an already enormous footprint in the United States—expanded its online streaming video service to 130 new countries, adding more than 12 million subscribers in nine months and bringing its total to 87 million. The effectiveness of Netflix’s content management lies in its ability to appeal to a vastly disparate global viewership without a unified cache of content. Instead, the company invests in buying or developing myriad programming and uses sophisticated algorithms to “narrowcast” to micro-targeted audience groups. In this collection of new essays, contributors explore how Netflix has become a cultural institution and transformed the way we consume popular media.

Netflix and its competitors like Disney+, Amazon Prime and Hulu have brought unprecedented levels of entertainment to consumers everywhere, providing the richest, most abundant aggregate of motion pictures and cinematic television the world has ever seen. Behind the facade, however, things are not as pleasant. A very costly paradigm shift is underway, altering not only conventional business and finance models, but also threatening long-established avenues of entertainment such as movie theaters, traditional television, and home video, and wreaking havoc on independent filmmakers and veteran producers alike. This book attempts to make sense of ongoing economic and creative shifts of infrastructure and intellectual property, to understand where the industry is headed, and to distinguish which business models should be maintained and which ones should be left behind. Featuring exclusive interviews with some of the industry's most prolific filmmakers and executives, it dives into the trenches of Hollywood to provide readers with the knowledge necessary to rethink the business, see past the turmoil, recognize the new opportunities, and take advantage of exciting new possibilities. Change sparks innovation, and innovation brings about great opportunity—but only for the well-informed and prepared.

In Rotten Tomatoes' first TV-focused book, discover the best shows ever made. For the completist, *The Ultimate Binge Guide* is a challenge: a bingeable bucket list of all the shows you need to see before you die (or just to be super-informed at your next dinner party). For all readers, it's a fascinating look at the evolution of TV. The guide is broken down into several sections that speak to each series' place in TV history, including: Classics That Made the Molds (And Those That Broke Them): *The Jeffersons*, *All in the Family*, *Sanford and Son*, *The Mary Tyler Moore Show*, *Get Smart*, *Cheers*, *Golden Girls*, *Happy Days*... Tony, Walt, Don, and the Antiheroes We Loved and Hated: *Oz*, *Mad Men*, *The Sopranos*, *Breaking Bad*, *The Americans*, *Peaky Blinders*, *Ozark*, *The Shield*, *Boardwalk Empire*, *How To Get Away With Murder*... Game-Changing Sitcoms and the Kings and Queens of Cringe: *Insecure*, *Community*, *30 Rock*, *Curb Your Enthusiasm*, *Fleabag*, *Black-ish*, *Party Down*, *Veep*, *Catastrophe*, *Fresh Off the Boat*, *Tim and Eric*, *Schitt's Creek*, *Better Things*, *It's Always Sunny In Philadelphia*, *Pen15*, *Freaks and Geeks*, *Broad City*, *Black Lady Sketch Show*... Grown-Up Genre: *Buffy The Vampire Slayer*, *The X-Files*, *Battlestar Galactica*, *The Expanse*, *Supernatural*, *The Walking Dead*, *American Horror Story*, *Star Trek*, *Watchmen*, *The Witcher*, *Stranger Things*, *Game of Thrones*, *Westworld*, *Doctor Who*... Mysteries and Mindf--ks: *Twin Peaks*, *Lost*, *Sense8*, *Mr. Robot*, *Broadchurch*, *The Leftovers*, *Fargo*, *Top of the Lake*, *Killing Eve*, *Wilfred*, *True Detective*, *Hannibal*, *Mindhunter*... Reality TV and Docuseries That Captured the Zeitgeist: *The Last Dance*, *Making A Murderer*, *Cheer*, *Tiger King*, *Planet Earth*, *RuPaul's Drag Race*, *Wild Wild Country*, *Queer Eye*, *The Jinx*, *Anthony Bourdain: Parts Unknown*... In this punchy full-color guide, the editors of Rotten Tomatoes complement series write-ups with engaging infographics; fun sidebars (like a battle between the US and UK editions of *The Office*); and deep-dive essays on the streaming wars, superproducers to know, and the evolution of our collective viewing habits.

Netflix Nostalgia examines Netflix as both a creator and a distributor of nostalgic content, with contributions from scholars from around the world. The chapters examine the role of nostalgia in Netflix’s brand identity, ideological messages about nostalgia in Netflix content, and audience responses to nostalgia on the Netflix platform.

Finally, a streaming guide that takes the agony out of What to Watch Next. Streaming TV has brought us endless viewing options but also endless scrolling. Next time you want to watch something new, let Primetimer -- the web's leading curator of streaming TV news and comment -- help you quickly decide without the frustration. Want something on Hulu? Prefer true-crime docuseries or British romcoms? Don't want a big time commitment? Our ingenious finding aid hones in on which of more than 1,000 critic- and fan-recommended shows are best for you. With tips for choosing the best streaming service and cord-cutting strategies, *The Primetimer Guide to Streaming TV* is the one book to keep next to the remote.

Easily find all your favorite streaming shows with this printable list. With this personalized tv guide, you'll never forget whether your favorite show is on Netflix, Amazon Prime or Hulu. You can stop hunting and start watching! Watch a lot of shows? Laminate the printed list and use a dry-erase pen to update it as shows end and you find new favorites to watch.

Lamination will also protect the list from food and drinks on your coffee table.

Antonio has built an empire that almost exceeds one billion dollars from becoming a private streaming media company. Modeling Netflix, Antonio has built the world's first "Student Reactive Division One University" that operates more like Netflix.
