Analyzes the Salem Witch Trials to offer key insights into the role of women in its events while explaining how its tragedies became possible.

'No one mixes the fantastical and mundane to better comic effect or offers sharper insights into the absurdities of modern endeavour' Daily Mail The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . Fairy godmothers develop a very deep understanding about human nature, which makes the good ones kind and the bad ones powerful. Inheriting a fairy godmother role seemed an easy job . . . After all, how difficult could it be to make sure that a servant girl doesn't marry a prince? Quite hard, actually, even for the witches Granny Weatherwax, Nanny Ogg and Magrat Garlick. That's the problem with real life - it tends to get in the way of a good story, and a good story is hard to resist. Servant girls have to marry the prince, whether they want to or not. You can't fight a Happy Ending, especially when it comes with glass slippers and a rival Fairy Godmother who has made Destiny an offer it can't refuse.

_____ The Discworld novels can be read in any order but Witches Abroad is the third book in the Witches series.

"SEDUCTIVE MAGIC...SPELLBINDING...Rice stages her scenes in a wide variety of times and locales, tapping deeply into the richest veins of mythology and history." --San Francisco Chronicle

"STEAMY...FAST-PACED AND HUGELY ENGROSSING...Rice's title character--a seductive, evil, highly sexual and ultimately tragic creature--is fascinating." --The Miami Herald "BEHIND ALL THE VELVET DRAPES AND GOSSAMER WINDING SHEETS, THIS IS AN OLD-FASHIONED FAMILY SAGA....Rice's descriptive writing is so opulent it almost begs to be read by candlelight." --The Washington Post Book World "RICE SEES THINGS ON A GRAND SCALE...There is a wide-screen historical sweep to the tale as it moves from one generation of witches to the other." --The Boston Globe "EROTIC...EERIE...HORRIFYING...A tight tale of the occult in present-day New Orleans...Anne Rice is a spellbinding novelist.... LASHER quenches." --Denver Post A MAIN SELECTION OF THE LITERARY GUILD(c)

"HDV Filmmaking," focuses on the emerging HDV digital video format, the logical successor to current DV formats utilized by both amateurs and professionals. It serves as a complete guide to HDV filmmaking, with technical information on the format, and practical applications, from lighting and shooting, to editing, effects, and delivery on tape and DVD media. It provides both practical and theoretical explanations of concepts relating to the acquisition, editing, and delivery of HDV material, with a primary focus on concepts and techniques for achieving superior image and sound quality from HDV devices. It also offers advice on preferred methods for capturing and manipulating images in a computer and covers specific software packages, with tutorial steps for completing tasks. "HDV Filmmaking" provides coverage of real-world applications, providing step-by-step explanations for completing them, and provides you with important lists of recommended items and technical considerations.

Literary Nonfiction. CALIBAN AND THE WITCH is a history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages to the witch-hunts and the rise of mechanical philosophy, Federici investigates the capitalist rationalization of social reproduction. She shows how the battle against the rebel body and the conflict between body and mind are essential conditions for the development of labor power and self-ownership, two central principles of modern social organization. "It is both a passionate work of memory recovered and a hammer of humanity's agenda." Peter Linebaugh, author of *The London Hanged*"

The ultimate guide to witchcraft for every woman craving a connection to something bigger, using the tools of tarot, astrology, and crystals to discover her best self. In these uncertain times, witchcraft, astrology, tarot, crystals, and similar practices are seeing a massive resurgence, especially among young women, as part of their self-care and mindfulness routines. Gabriela helps readers take back their power while connecting to something larger than themselves. She covers: * Witchcraft as a feminist call to action * Fashion magick * Spells for self-love * Cleansing your space * Holidays of the witch * How to create a spellbook / grimoire * Witchcraft as self-care Whether the reader is looking to connect with her green thumb, banish negative energies, balance her chakras, energetically fight the patriarchy, or revitalize her sense of self, *Inner Witch* has something to offer. After all, empowered women run the world--and the ones who do are usually witches.

In his new preface, Ginzburg reflects on the interplay of chance and discovery, as well as on the relationship between anomalous cases and historical generalizations.

In the nonfiction tradition of John Berendt and Erik Larson, the author of the #1 NYT bestseller *The Lost City of the Monkey God* presents a gripping account of crime and punishment in the lush hills surrounding Florence as he seeks to uncover one of the most infamous figures in Italian history. In 2000, Douglas Preston fulfilled a dream to move his family to Italy. Then he discovered that the olive grove in front of their 14th century farmhouse had been the scene of the most infamous double-murders in Italian history, committed by a serial killer known as the Monster of Florence. Preston, intrigued, meets Italian investigative journalist Mario Spezi to learn more. This is the true story of their search for--and identification of--the man they believe committed the crimes, and their chilling interview with him. And then, in a strange twist of fate, Preston and Spezi themselves become targets of the police investigation. Preston has his phone tapped, is interrogated, and told to leave the country. Spezi fares worse: he is thrown into Italy's grim Capanne prison, accused of being the Monster of Florence himself. Like one of Preston's thrillers, *The Monster of Florence*, tells a remarkable and harrowing story involving murder, mutilation, and suicide--and at the center of it, Preston and Spezi, caught in a bizarre prosecutorial vendetta.

Loner Vivi Deveraux is thrilled to join Westerly College's Kappas, who are secretly witches, until she meets perfect, polished Scarlett Winter, who will stop at nothing to be the sorority's next president.
