# The primary epic of Tamil literature.

Original text, modern Tamil, and English translations of Tirukkur?a?, ancient Tamil didactic verse work, by Tiruva??uvar, Tamil poet.

A much-needed program to prevent and reverse disease, and discover a path to sustainable, long-term health rather than simply suppressing symptoms with drugs, Dr. Chatterjee passionately advocates and follows a philosophy that lifestyle and nutrition are first-line medicine and the cornerstone of good health. Drawing on cutting edge research and his own experiences as a doctor, he argues that the secret to preventing disease and achieving wellness revolves around four critical pillars: food, relaxation, sleep, and movement. By making small, incremental changes in each of these key areas, you can create and make disease around four critical pillars: food, relaxation, sleep, and movement. An Indian woman viewed as an untouchable in her village tells her life story

This book explores how colonial policies converted itinerant groups on the one hand into a source of cheap labour and on the other into a category known as criminal tribes. It also examines missionary activity especially the Salvation Army, in the Madras Presidency in the nineteenth century.

A generation gap has emerged between parents and their girls. The mothers are up to sexually or how they feel about it. Drawing on in-depth interviews with more than seventy young women and a wide range of psychologists, academics, and experts, renowned journalist Peggy Orenstein goes where most others fear to tread, pulling back the curtain on the hidden truths, hard lessons, and important possibilities of girls' sex lives in the modern world.

The second edition of Historical Dictionary of the Tamils contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture.
