"Meg Mitchell Moore's debut novel, The Arrivals, reads like the finest of guidebooks, pointing out the beauty and excitement of an untraveled place, yet simultaneously offering readers a map of their own families, with the intricacies, misunderstandings, heartbreak, and forgiveness found there. Under Moore's deft and gloriously talented hand, the best kind of story telling is woven with epiphany, and readers will emerge knowing a place so close to home in an entirely new way."

The Arrivals - Meg Mitchell Moore
Meg Mitchell Moore's THE ARRIVALS is a stellar debut novel in the tradition of Stewart O'NAN, Anne Tyler and Alice Hoffman, a novel about the importance of family and the bitter truths children learn only when they're grown.

Fiction Book Review: The Arrivals by Meg Mitchell Moore ...
Such is the case with Meg Mitchell Moore’s debut novel The Arrivals. The book spans the course of one summer in which three grown siblings descend upon their parents’ idyllic Vermont home. We first meet the retired couple, Ginny and William, who are both loving and selfless but maintain old-fashioned attitudes toward parenting.

'The Arrivals,' by Meg Mitchell Moore
If you are, The Arrivals — Meg Mitchell Moore’s perceptive first novel — becomes a moving story about conflicted adult children who are still learning how to be grown-ups. Along the way, we learn a good deal about the inner lives of conflicted parents trying to help them fly — make that finally fly — the coop.

Author Meg Mitchell Moore's The Arrivals explores the ...
Meg Mitchell Moore is a romance and literary fiction author from Northern California. She has asserted that writing is something that she has always wanted to do since she learned how to write and read. Moreover, Moore has always loved reading, which she believes is a prerequisite for anyone that wants to become an author.

Meg Mitchell Moore - Book Series In Order
Meg Mitchell Moore quotes Showing 1-20 of 20 “But really what it all came down to was that they wanted someone to listen. It was that simple; that was, at heart, what every single person walking across this green earth wanted.” — Meg Mitchell Moore, The Admissions

It's early summer when Ginny and William's peaceful life in Vermont comes to an abrupt halt. First, their daughter Lillian arrives, with her two children in tow, to escape her crumbling marriage. Next, their son Stephen and his pregnant wife Jane show up for a weekend visit, which extends indefinitely when Jane ends up on bed rest. When their youngest daughter Rachel appears, fleeing her difficult life in New York, Ginny and William find themselves consumed again by the chaos of parenthood - only this time around, their children are facing adult problems. By summer's end, the family gains new ideas of loyalty and responsibility, exposing the challenges of surviving the modern family - and the old adage, once a parent, always a parent, has never rung so true.

Empty nesters find their quiet life suddenly full of drama as each of their grown children returns home in this funny and heartwarming novel. It's early summer when Ginny and William's peaceful life in Vermont comes to an abrupt halt. First, their daughter Lillian arrives with her two children, looking for an escape from her crumbling marriage. Next, their son Stephen and his pregnant wife Jane show up for a weekend visit, which extends indefinitely when Jane ends up on bed rest. When their youngest daughter Rachel appears, fleeing her difficult life in New York, Ginny and William find themselves consumed again by the chaos of parenthood—only this time, their children are facing adult problems. It's a challenging time, but one full of love. By summer's end, the family discovers new understandings of loyalty and responsibility. And the old adage—once a parent, always a parent—has never rung so true.

Originally published in hardcover in 2015 by Doubleday.

The idyllic life of empty nesters Ginny and William Owens is shattered when all three of their adult children suddenly return home to stay - indefinitely. Ginny and William find their once peaceful home transformed into the chaos of their child-rearing days. Only this time around, their children are facing adult problems.

Thirteen-year-old Natalie Gallagher is trying to escape: from her parents' ugly divorce, and from the vicious cyber-bullying of her former best friend. Adrift, confused, she is a girl trying to find her way in a world that seems to either neglect or despise her. Her salvation arrives in an unlikely form: Bridget O'Connell, an Irish maid working for a wealthy Boston family. The catch? Bridget lives only in the pages of a dusty old 1920s diary Natalie unearthed in her mother's basement. But the life she describes is as troubling - and mysterious - as the one Natalie is trying to navigate herself, almost a century later. I am writing this down because this is my story. There were only ever two people who knew my secret, and both are gone before me. Who was Bridget, and what became of her? Natalie escapes into the diary, eager to unlock its secrets, and reluctantly accepts the help of library archivist Kathleen Lynch, a widow with her own painful secret: she's estranged from her only daughter. Kathleen sees in Natalie traces of the daughter she has lost, and in Bridget, another spirited young woman at risk. What could an Irish immigrant domestic servant from the 1920s teach them both? As the troubles of a very modern world close in around them, and Natalie's torments at school escalate, the faded pages of Bridget's journal unite the lonely girl and the unhappy widow - and might even change their lives forever.

"One of my own favorite writers." –Elin Hilderbrand Named a Best Beach Read of Summer by Vulture, PureWow, She Reads and Women.com J. Courtney Sullivan’s Maine meets the works of Elin Hilderbrand in this delicious summer read involving three strangers, one island, and a season packed with unexpected romance, well-meaning lies, and damaging secrets. Anthony Puckett was a rising literary star. The son of an uber-famous thriller writer, Anthony’s debut novel spent two years on the bestseller list and won the adoration of critics. But something went very wrong with his second work. Now Anthony’s borrowing an old college’s friend’s crumbling beach house on Block Island in the hopes that solitude will help him get back to the person he used to be. Joy Sousa owns and runs Block Island’s beloved whoopie pie café. She came to this quiet space eleven years ago, newly divorced and with a young daughter, and built a life for them here. To her customers and friends, Joy is a model of independence, hard-working and happy. And mostly she is. But this summer she’s thrown off balance. A food truck from a famous New York City brand is roving around the island, selling goodies—and threatening her business. Lu Trusdale is spending the summer on her in-laws’ dime, living on Block Island with her two young sons while her surgeon husband commutes to the mainland hospital. When Lu’s second son was born, she and her husband made a deal: he’d work and she’d quit her corporate law job to stay home with the boys. But a few years ago, Lu quietly began working on a private project that has becoming increasingly demanding on her time. Torn between her work and home, she’s beginning to question that deal she made. Over the twelve short weeks of summer, these three strangers will meet and grow close, will share secrets and bury lies. And as the promise of June turns into the chilly nights of August, the truth will come out, forcing each of them to decide what they value most, and what they are willing to give up to keep it.

A NATIONAL BESTSELLER From the author of The Islanders comes a warm, witty and suspenseful novel filled with small-town secrets, summer romance, big time lies and spiked seltzer, in the vein of Liane Moriarty. Truth: Sherri Griffin and her daughter, Katie, have recently moved to the idyllic beach town of Newburyport, Massachusetts. Rebecca Coleman, widely acknowledged former leader of the Newburyport Mom Squad (having taken a step back since her husband’s shocking and tragic death eighteen months ago), has made a surprising effort to include these newcomers in typically closed-group activities. Rebecca’s teenage daughter Alexa has even been spotted babysitting Katie. Truth: Alexa has time on her hands because of a recent falling-out with her longtime best friends for reasons no one knows—but everyone suspects have to do with Alexa’s highly popular and increasingly successful YouTube channel. Katie Griffin, who at age 11 probably doesn’t need a babysitter anymore, can’t be left alone because she has terrifying nightmares that don’t seem to jibe with the vague story Sherri has floated about the “bad divorce” she left behind in Ohio. Rebecca Coleman has been spending a lot of time with Sherri, it’s true, but she’s also been spending time with someone else she doesn’t want the Mom Squad to know about just yet. Lie: Rebecca Coleman doesn’t have a new man in her life, and definitely not someone connected to the Mom Squad. Alexa is not seeing anyone new herself and is planning on shutting down her YouTube channel in advance of attending college in the fall. Sherri Griffin’s real name is Sherri Griffin, and a bad divorce is all she’s running from. A blend of propulsive thriller and gorgeous summer read, Two Truths and a Lie reminds us that happiness isn’t always a day at the beach, some secrets aren’t meant to be shared, and the most precious things are the people we love.

"Don't miss this heartfelt story about paths not taken."--People magazine For fans of Elin Hilderbrand and Emma Straub comes an emotionally gripping novel about a woman who returns to her hometown in coastal Maine and finds herself pondering the age-old question of what could have been Growing up in Little Harbor, Maine, the daughter of a widowed lobsterman, Eliza Barnes could haul a trap and row a skiff with the best of them. But she always knew she'd leave that life behind. Now that she's married, with two kids and a cushy front-row seat to suburban country club gossip in an affluent Massachusetts town, she feels adrift. When her father injures himself in a boating accident, Eliza pushes the pause button on her own life to come to his aid. But when she arrives in Maine, she discovers her father's situation is more dire than he let on. Eliza's homecoming is further complicated by the reemergence of her first love--and memories of their shared secret. Then Eliza meets Mary Brown, a seventeen-year-old local who is at her own crossroad, and Eliza can't help but wonder what her life would have been like if she'd stayed. Filled with humor, insight, summer cocktails, and gorgeous sunsets, The Captain's Daughter is a compassionate novel about the life-changing choices we make and the consequences we face in their aftermath.

Love was given to all, except herself . . . Kit Brennan has always been the most grounded of her sisters. A Catholic school English teacher for seventeen years and a constant giver, her decisions have been sound—just not very satisfying. Her fortieth birthday is right around the corner, causing Kit to consider some wilder notions, like skipping right past the love and marriage to raising a child all by herself . . . A girls’ weekend away is just the reprieve Kit needs from school, Mr. Wrongs, and life-changing decisions. It’s there that she meets a man who’s dangerous; a man who challenges who she thought she was, or rather should be. Kit wants to indulge herself this once, but with one of her students in crisis and the weight of her family’s burdens weighing heavy on her heart, Kit isn’t sure if now is the time to let her own desires take flight . . .

Adam and Sophie Dean's good-enough marriage could easily have lasted forever. But Adam succumbs to pressure from his mistress to leave Sophie, and in the course of his carefully prepared farewell speech, Sophie has a revelation: unless she leaves him in the family home in the role of primary caregiver, he'll have a severely diminished role in the lives of their two sons. So while Adam continues to live in the suburban house he despises-with his two children and his angry mistress, who'd never planned for this turn of events-Sophie sets out alone into an alluring new life nearby, close enough to see her sons every day, but far removed from her former life of domestic drudgery. As she and Adam grow into their new roles, they discover what it actually means to act in their children's best interests, and that the end of a marriage can be a beginning.
