The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.

Fully-annotated edition of English mystic Margery Kempe's life and divine revelations (dated 1436-8). (This edition previously published by Longman.)

There is also a chronology of Kempe's life, a helpful summary analysis of the chapters, and a full bibliography, in this new edition of a work now accepted as among the most significant English texts of the Middle Ages.--Jacket.

Though a familiar name, little was known about the English mystic Margery Kempe (c. 1373-c. 1440) for hundreds of years except that she had an association with the great Julian of Norwich. This all changed in 1934 with the discovery of The Book of Margery Kempe in a library where it had lain hidden for four hundred years. Finding Margery's own story was important not just because of the light it shed on her life, but it also turned out to be the first known autobiography in the English language. Even more intriguing to the experts of the day, this unique document was written by a woman. But if anyone had expected to find her anything like her cloistered contemporary, Julian, they were in for something of a surprise. Far from being a typical holy woman, Margery Kempe was married and mother of fourteen children. Moreover, she had been a woman of substance, even running a large brewery for a time. After turning to religion, she traveled thousands of miles around the known world on pilgrimages to distant lands. Beyond the circumstances of her life, what's most compelling about the text is the inner Margery that emerges. Her account of spiritual awakening, far from being a blissful episode is instead full of conflict and recrimination. What good was this new way of life if it caused her such trouble? Was this really the only way to lead a holy life? Margery remained unsure of the answers. But her patience in her struggle is a wonder to behold, and an example for us today.

"You can boldly take me in the arms of your soul and kiss my mouth, my head, and my feet as sweetly as you want" The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kemp recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Originally published in 1992, Margery Kempe looks at one of the most appealing mystics and pilgrims of 15th-century England. The book looks at Margery Kempe, and her book The Book of Margery Kempe, thought to be the first vernacular autobiography in medieval Britain. Original essays in the book examines Kempe's spirituality, cultural context, and the autobiography itself, The Book of Margery Kempe. The essays in the book represent detail literary analysis on Kempe and the critical history of her words.

Margery Kempe's Book provides rare access to the "marginal voice" of a lay medieval woman, and is now the focus of much critical study. This Companion seeks to complement the existing almost exclusively literary scholarship with work that also draws significantly on historical analysis, and is concerned to contextualise Kempe's Book in a number of different ways, using her work as a way in to the culture and society of medieval northern Europe. Topics include images and pilgrimage; women, work and trade in medieval Norfolk; political culture and heresy; the prophetic tradition; female mystics and the body; women's roles and lifecycle; religious drama and reenactment; autobiography and gender. Contributors JOHN H. ARNOLD, P.H. CULLUM, ISABEL DAVIS, ALLYSON FOSTER, JACQUELINE JENKINS, KATHERINE J. LEWIS, KATE PARKER, KIM M. PHILLIPS, SARAH SALIH, CLAIRE SPONSLER, DIANE WATT, BARRY WINDEATT.

This innovative critical volume brings the study of Margery Kempe into the twenty-first century. Structured around four categories of \u2013 encounter \u2013 textual, internal, external and performative \u2013 the volume offers a capacious exploration of The Book of Margery Kempe, characterised by multiple complementary and dissonant approaches. It employs a multiplicity of scholarly and critical lenses, including the intertextual history of medieval women's literary culture, medical humanities, history of science, digital humanities, literary criticism, oral history, the global Middle Ages, archival research and creative re-imagining. Revealing several new discoveries about Margery Kempe and her Book in its global contexts, and offering multiple ways of reading the Book in the modern world, it will be an essential companion for years to come.

Lust, religious zeal, and heartache come together in this provocative novel about two infatuations, one between a man and his young lover in the late 20th century and another between a 15th-century woman and Jesus Christ. First published in 1994, Robert Gl\u00fcck's Margery Kempe is one of the most provocative, poignant, and inventive American novels of the last quarter century. The book tells two stories of romantic obsession. One, based on the first autobiography in English, the medieval Book of Margery Kempe, is about a fifteenth-century woman from East Anglia, a visionary, a troublemaker, a pilgrim to the Holy Land, and an aspiring saint, and her love affair with Jesus. It is complicated. The other is about the author's own love for an alluring and elusive young American, L. It is complicated. Between these two Margery Kempe, the novel, emerges as an unprecedented exploration of desire, devotion, abjection, and sexual obsession in the form of a novel like no other novel. Robert Gl\u00fcck's masterpiece bears comparison with the finest work of such writers as Kathy Acker and Chris Kraus. This edition includes an essay by Gl\u00fcck about the creation of the book titled "My Margery, Margery's Bob."

'And then he, completely astonished at her words, left off his lewdness, saying to her as many a man had done before, "Either you are a truly good woman or else a truly wicked woman." ' Brave, outspoken and guaranteed to annoy people wherever she went - including exasperated fellow pilgrims in Jerusalem and her long-suffering husband - Margery Kempe was one of the most vivid and unforgettable voices of the Middle Ages. Whether travelling alone, getting herself arrested or having visions of marrying Jesus, Margery repeatedly defied feminine convention - and also managed to compose the first autobiography in English, despite being unable to read or write. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.
