the book always found it's way back to the library. In 2005 a special government investigator uncovered the truth about the book and it's link to the murders. Now available in paperback, you can discover for yourself the reason why no one ever read the book and lived, until now.....

The Devil's Graveyard is an area of desert. Its only habitations are a small roadside gas station, and a giant hotel, where the final of the Back From the Dead singing competition is held, in which contestants compete by impersonating dead stars. Except that someone is killing them off . . . And there are other killers out there, too - not to mention zombies . . . Featuring characters from The Book With No Name and The Eye of the Moon, this is a show where anything goes and anyone can enter. Even the judges aren't quite what they seem. Sanchez, Elvis, the Mystic Lady, a whole bunch of dead rock stars and, of course, the Bourbon Kid are headed to the Hotel Pasadena for what is quite literally the most cutthroat reality show there's ever been. Dreams will be crushed, deals will be made and blood will be spilled. The Devil's Graveyard is a rip-roaring addition to the series by the author with no name, which is guaranteed to be every bit as gory, fast-paced and adrenaline pumping as the previous novels. Not to be missed.

who is abandoned in the Colombian jungle and finds asylum in the most unlikely of places—with a troop of capuchin monkeys In 1954, in a remote mountain village in South America, a little girl was abducted. She was four years old. Marina Chapman was stolen from her housing estate and then abandoned deep in the Colombian jungle. That she survived is a miracle. Two days later, half-drugged, terrified, and starving, she came upon a troop of capuchin monkeys. Acting entirely on instinct, she tried to do what they did: she ate what they ate and copied their actions, and little by little, learned to fend for herself. So begins the story of her five years among the monkeys, during which time she gradually became feral; she lost the ability to speak, lost all inhibition, lost any real sense of being human, replacing the structure of human society with the social mores of her new simian family. But society was eventually to reclaim her. At age ten, she was discovered by a pair of hunters who took her to the lawless Colombian city of Cucuta where, in exchange for a parrot, they sold her to a brothel. When she learned that she was to be groomed for prostitution, she made her plans to escape. But her adventure wasn't over yet . . . In the vein of Slumdog Millionaire and City of God, this rousing story of a lost child who overcomes the dangers of the wild and the brutality of the streets to finally reclaim her life will astonish readers

everywhere.

An extraordinary history of the turbulent sixties and early seventies that displays James Baldwin's fury and despair more deeply than any of his other works, and powerfully speaks to contemporary conversations around racism. "It contains truth that cannot be denied." – The Atlantic Monthly In this stunningly personal document, James Baldwin remembers in vivid details the Harlem childhood that shaped his early consciousness and the later events that scored his heart with pain—the murders of Martin Luther King and Malcolm X, his sojourns in Europe and in Hollywood, and his return to the American South to confront a violent America face-to-face.

In this, the sensational follow-up to *The Book With No Name*, those who miraculously survived the blood-soaked conclusion to the first novel are back in town for another massacre to remember. Young lovers Dante and Kacy, hapless bartender Sanchez, Peto the Hubal monk and the mysterious Jessica - each will be drawn into the violent vortex surrounding the Bourbon Kid, the supernatural killer who is himself now being hunted. Hot on his heels are several vampire gangs, the US Secret Service, a couple of werewolves, some corrupt cops, and the Dark Lord himself, and none will rest until he is dead. But the Kid has vengeance of his own to wreak . . .

She has come from across the sea, cast from a land in its final throes of destruction. War and conflict have blighted the world, spreading to every far corner under the shadow of the demon king. In their final hour of need, Samuel, Champion of the Order and Saviour of Cintar, is sent on a mission of the Empire's final hope, to slay the eternal witch-queen and return the kidnapped heir to the throne. But the Circle of Eyes has long laid plans for everyone, spread like a web across the world. Struggling with the loss of his magic, Samuel must rely on the unstoppable force of the Argum Stone, a relic from the time of the Ancients that threatens to destroy him with its every use. He must uncover the secrets of his own destiny if he is to control what lurks inside of him, marking him apart from all other magicians, except one.
