'Curiosity is more than a desire to discover. It's a lifestyle, and a prrivilige. It's hours of observing a fly on the wall. It's entering the sock drawer just before it closes. It's sniffing the lampshade one more time . . .' Such is the wisdom of Curious Zelda: social media star, agony aunt, yoga teacher, cat. In The Adventures of a Curious Cat she gives insight into her view of the world and dispenses unparalleled wisdom. Zelda explains, in her unique voice, how to handle humans, how to communicate with furniture, and most importantly how to live a life curiously. It's the ultimate self-help guide for any cat, or indeed, their human.

A collection of twelve stories featuring the curious monkey named George and his friends include George flying a kite, visiting the dog show, learning about animal tracks, and helping the librarian.
