**The Copper Promise (complete
novel) (Copper Cat Trilogy**

...

The Copper Promise, which began life as four novellas, is effortless in its writing style and blends seamlessly into a whole to create one jolly good yarn. If you're looking for a good old-fashioned tale of adventure, one which sweeps you off into another world and throws a whole heap of dragons, weapons and magic in your general direction, then I couldn't recommend The Copper Promise enough.

**The Copper Promise (complete
novel) eBook by Jen Williams**

...

I picked up The Copper Promise as part of Fantasy-Faction's monthly book club, and wasn't disappointed. Author Jen Williams channels the best elements of old school sword-and-sorcery pulp and modern videogames like Dragon Age into a page-turning story with competent protagonists who, despite their best efforts, often end up being their own worst enemies.

Copper Cat Book 1

There are some tall stories about the caverns beneath the Citadel - about magic and mages and monsters and gods. Wydrin of Crosshaven has heard them all, but she's spent long enough trawling caverns and taverns with her companion Sir Sebastian to learn that there's no money to be made in chasing rumours. But then a crippled nobleman with a dead man's name offers them a job: exploring the Citadel's darkest depths. It sounds like just another quest with gold and adventure ...if they're lucky, they might even have a tale of their own to tell once it's over. These

Copper Cat Book 1

It is said that the Citadel is haunted, and that anyone foolish enough to enter will never return. When a mysterious nobleman offers them a small fortune to explore its depths, sellswords Wydrin and Sebastian decide they can afford to be a little foolish - it's a chance for adventure, riches, and they might even have a tale or two to tell in the tavern afterwards. But they will soon discover that sometimes there is truth in rumour... The complete novel, THE COPPER PROMISE, is available from Headline in Paperback and Ebook

Beware the dawning of a new mage... Wydrin of Crosshaven, Sir Sebastian and Lord Aaron Frith are experienced in the perils of stirring up the old gods. They are also familiar with defeating them, and the heroes of Baneswatch are now enjoying the perks of suddenly being very much in demand for their services. When a job comes up in the distant city of Skaldshollow, it looks like easy coin - retrieve a stolen item, admire the views, get paid. But in a place twisted and haunted by ancient magic, with the most infamous mage of them all, Joah Demonsworn, making a

behind and the one she's secretly yearned for. Jack McElroy has been in love with Emma since they met their freshman year of college. The last four years of living in San Francisco have been torturous for him, being away from her. When her promotion moves her north, fear of ruining their friendship tempers his desire to show her how he truly feels. Will he be able to profess his love for her or will her ex-fiancé beat him to the punch?
