As such, i. A remembrance in poetry of Robert Mapplethorpe. Poetry Review: The Coral Sea is a collection of Patti Smith's writing about the memory of Robert Mapplethorpe who passed in 1989, up to that point in time (1996). I read the revised version published in 2012, which added more poems to the original edition.

The Coral Sea is a live recording of two performances by Patti Smith and Kevin Shields from 2005 and 2006. The set consists of Smith's homage to the photographer, her friend and former lover Robert Mapplethorpe, and consists of the text of her epic 1996 poem of the same title. Shields accompanies in an improvisational manner on guitar.

The Coral Sea (album) - Wikipedia

I have the book version of The Coral Sea but was not prepared for the depth of emotion that Smith brings to her reading. she is always a great reader of her own work and the works of others. the passion she shows here is similar to that in Constantine's Dream on her recent album Banga. this is definitely a must have for those who appreciate Patti's work in all its forms throughout her long career

The Coral Sea: Amazon.co.uk: Music

Patti Smith's The Coral Sea is a small book-length poem published in 1997 by Norton; it is a sustained, very personal meditation, a tribute to and elegy for the late photographer Robert Mapplethorpe. A Mapplethorpe photograph appears on Smith 's debut album, Horses , and Smith was Mapplethorpe 's first model -- he photographed her literally thousands of times.

with AIDS.

The poet, songwriter, and performer evokes the experimentation and longing of the pre-punk days in a collection of poems and prose culled from her previously published works, *Seventh Heaven*, *Ha! Ha! Houdini!*, *Witt*, and *Babel*.

Winner of the 2010 Non-Fiction National Book Award Patti Smith's evocative, honest and moving coming-of-age story of her extraordinary relationship with the artist Robert Mapplethorpe

"In lyric essays, a story, poems, and photographs, Smith illuminates the whirl of chance and choice that stokes a writer's imagination, recounting her fascination on the eve of a trip to Paris with Simone Weil and an evocative, accidentally discovered film about Stalin's mass deportation of Estonians. In France, a gravestone, a televised figure-skating competition, a meal, and a garden all converge in what becomes *Devotion*, [a] ... fairy tale about a young, displaced Estonian skater and a solitary dealer in rare objects and arms. This ... fable about creativity and obsession, possession and freedom is followed by a meditation on how a work of art is, for other artists, a call to action"--Booklist, 08/01/2017.

National Book Award-winner Patti Smith revisits her early years in this glittering memoir.

From the National Book Award-winning author of *Just Kids*: a "sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is" (*Vanity Fair*), told through the cafés and haunts she has worked in around the world. Patti Smith calls this bestselling work "a roadmap to my life." *M Train* begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo's Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York's Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer's craft and on artistic creation. Here, too, are singular memories of Smith's life in Michigan and the irremediable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, *M Train* is a meditation on travel, detective shows, literature, and coffee. It is a

Get Free The Coral Sea Patti Smith

powerful, deeply moving book by one of the most remarkable multiplatform artists at work today. Featuring a postscript with five new photos from Patti Smith

From the National Book Award-winning author of *Just Kids* and *M Train*, a profound, beautifully realized memoir in which dreams and reality are vividly woven into a tapestry of one transformative year. Following a run of New Year's concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz, about to embark on a year of solitary wandering. Unfettered by logic or time, she draws us into her private wonderland with no design, yet heeding signs--including a talking sign that looms above her, prodding and sparring like the Cheshire Cat. In February, a surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words, "Anything is possible: after all, it's the Year of the Monkey." For Smith--inveterately curious, always exploring, tracking thoughts, writing--the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the western landscape with her own dreamscape. Taking us from California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places, this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment set in. But as Smith heads toward a new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope for a better world. Riveting, elegant, often humorous, illustrated by Smith's signature Polaroids, *Year of the Monkey* is a moving and original work, a touchstone for our turbulent times.

Offering a unique analysis and discussion of her life, career, and work, this is the true story of Patti Smith. Widely acknowledged as one of the most significant American artists of the rock age, an acclaimed poet, and a figurehead for many liberal political causes, Patti Smith went from an ugly-duckling childhood in postwar New Jersey to become queen of the 1970s New York art scene. Not a tell-all biography, this measured, accurate, and enthusiastic account of Smith's career is written for her loyal fans as well as for neophytes hungry for a great rock 'n' roll story. Guided by interviews with those who have known her--including Ivan Kral, Tom Verlaine, Richard Lloyd, John Cale, and Jim Carroll--it relies most of all on Patti's own words.
