The Girls' Guide to Hunting and Fishing by Melissa Bank ...

The Girls' Guide to Hunting and Fishing Summary. Bank's collection of stories is more concerned with timeless themes than social concerns specific to a time and place. Admittedly, she does describe the lives of a rather narrow set of people-upper-middle class New Englanders–but by teasing out the intricacies of the human mating ritual, she does offer insights into how men and women interact that could apply to any group of people at any time.

The New York Times bestselling classic of a young woman’s journey in work, love, and life “In this swinging, funny, and tender study of contemporary relationships, Bank refutes once and for all the popular notions of neurotic thirtysomething women.” –Entertainment Weekly “Truly poignant.” –Time Generous-hearted and wickedly insightful, The Girls’ Guide to Hunting and Fishing maps the progress of Jane Rosenal as she sets out on a personal and spirited expedition through the perilous terrain of sex, love, relationships, and the treacherous waters of the workplace. Soon Jane is swept off her feet by an older man and into a Fitzgeraldesque whirl of cocktail parties, country houses, and rules that were made to be broken, but comes to realize that it’s a world where the stakes are much too high for comfort. With an unforgettable comic touch, Bank skillfully teases out universal issues, puts a clever new spin on the mating dance, and captures in perfect pitch what it’s like to come of age as a young woman.

Once, Miranda felt a little exposed... Miranda Hill can't believe her eyes–her cocky ex-boyfriend, pro hockey player Dane Croft, is back in Bluebonnet, Texas, after all these years. He ditched her–and their little town–just as some rather shocking photos showed up on the Internet for everyone to see. Miranda wasn’t so lucky. Stuck in Bluebonnet and left to fend for herself, she’s never really shaken the scandal–or his betrayal. After nine long years, Dane’s back, and she has the chance to turn the tables on him. It’s time she gets even. Former NHL hotshot playboy Dane Croft has returned home to open a survival training school on an old ranch and reinvent himself. When his former high-school girlfriend enrolls in the program, he has no idea that Miranda’s plan is to get him in a compromising position–not the one he’s imagining, anyway. But soon Miranda realizes that to carry out her deviously sexy revenge, she’ll have to get up close and personal with Dane all over again. Being a good girl got her nowhere for nine years; now it’s time to be a little naughty. But falling in love with the man who broke her heart was never part of the plan...

Why the Left's anti-hunting propaganda is dead wrong! Nothing is more hated--and more misunderstood--by the trendy Left than hunting. But now intrepid hunter and pro-hunting activist Frank Miniter sets the record straight. In The Politically Incorrect Guide(ta) to Hunting, he details the concrete benefits that hunting provides to all of us--even how it helps the environment. Speaking with wildlife biologists, hunters, farmers, anti-hunters, and victims of animal attacks, Miniter explains how banning hunting negatively affects wildlife populations and conservation. Miniter's fearless, politically incorrect take on hunting lays out the facts that liberal enviro-nuts don't want you to know.

Describes the benefits of hunting deer for food, providing information on such topics as choosing the correct rifle and ammunition, hunting effectively and safely, and dressing and butchering the kill, along with a colletion of recipes.

"This book is perfect." –Hadley Freeman, The Guardian A funny, tender, and wickedly insightful look at a young woman's forays into love, work, and friendship over the course of 25 years Nothing comes easily to Sophie Applebaum, the black sheep of her family trying to blend in with the herd. Uneasily situated between two brothers, Sophie first appears as the fulcrum and observer of her clan in "Boss of the World." Then, at college, in "The Toy Bar," she faces a gauntlet of challenges as Best Friend to the dramatic and beautiful Venice Lambourne, curator of "perfect things." In her early twenties, Sophie is dazzled by the possibilities of New York City during the Selectric typewriter era–only to land solidly back in Surrey, PA after her father's death. The Wonder Spot follows Sophie's quest for her own identity–who she is, what she loves, whom she loves, and occasionally whom she feels others should love–over the course of 25 years. In an often-disappointing world, Sophie listens closely to her own heart. And when she experiences her 'Aha!' moments–her own personal wonder spots–it's the real thing. In this tremendous follow-up to her runaway bestseller, The Girls' Guide To Hunting And Fishing, Bank returns with her signature combination of devilishly self-deprecating humor, and again shares her vast talent for capturing a moment, taking it to heart, and giving it back to her readers.
