It describes a group of pilgrims travelling to St. Anne ' s shrine in coastal England to cure Farther and Mummer Smith ' s eldest son, Hanny, of mutism. On the positive side, the sense of place and atmosphere is powerful.

In *The Lonely Century*, Noreena Hertz delivers a compelling vision for how we can bridge our many divides at this time of great change and disruption. Passionately argued and deeply researched, this book is for everyone who wants to build a healthier and more connected world. " —Arianna Huffington, founder and CEO of Thrive Global

The Lonely Century: How to Restore Human Connection in a ...

The subtitle of *The Lonely City*, 'Adventures in the Art of Being Alone', has a double meaning: as well as being a book about the experience of loneliness itself, this is a book about the role of loneliness in art. The starting point is Olivia Laing's own period of intense loneliness, living in New York after the end of a relationship, bringing to life the so-often-true cliché of being alone in a crowd, isolated and displaced in the centre of one of the world's most populous cities.

The Lonely City: Adventures in the Art of Being Alone by ...

Noreena Hertz, author of 'The Lonely Century' Hertz, 53, who submitted the final draft of her book several months before the outbreak of the coronavirus, had to spend March to June revising her entire manuscript. " What was most striking was how scarily easy it was to weave the new data into the finished book, " she says.

The Lonely Good Company of Books. According to Richard Rodriguez, reading books is a lonely experience for a beginner, and it takes much effort and patience for one to develop an interest (Rodriguez, 11). For him, it took both time and intervention from a nun before he could become passionate about reading books.

Winner of the Costa First Novel Award A Best Book of the Year, London Times and Daily Mail An Exceptional Novel, Sunday Times Best Book of the Year, British Book Industry Awards A Best Summer Book, Publishers Weekly " The terrors of this novel feel timeless. . . There are abominations here, and miracles. " —New York Times Book Review " An amazing piece of fiction. " —Stephen King " Completely terrifying. " —Paula Hawkins " Vibrantly written. " —Entertainment Weekly " Stunning " —Jeff VanderMeer When Smith was a boy, he and his family went on an Easter pilgrimage with their local parish to the Loney, a bleak stretch of the English coastline, to visit an ancient shrine, in search of healing for Smith ' s disabled brother. But the locals were none too pleased to welcome them, and the two brothers soon became entangled in a troubling moras of dangerous rituals. For years after, Smith carries the burden of what happened that spring. And when he hears that the body of a young child has been found during a storm at the Loney, he ' s forced to reckon with his darkest secrets, no matter the cost. " The masterpiece by which Hurley will enter the Guild of the Gothic " (Guardian), The Loney marks the arrival of a remarkable new talent. " Fans of Shirley Jackson are sure to savor . . . Tight, suspenseful writing makes this masterful novel unsettling in the most compelling way. " —Washington Post
"A gripping and unsettling new novel by the award-winning author of <i>The Loney</i> that asks how much we owe to tradition, and how far we will go to preserve it"--

Winner of the Agatha Award, Macavity Award, and Anthony Award Finalist for the Mary Higgins Clark Award, Left Coast Crime Award, Strand Critics Award, and Library of Virginia Literary Award " A subtly but relentlessly unsettling novel. " —TANA FRENCH, author of *The Witch Elm* It was the perfect place to disappear... One sultry summer, Maureen Haddaway arrives in the wealthy town of Opal Beach to start her life anew—to achieve her destiny. There, she finds herself lured by the promise of friendship, love, starry skies, and wild parties. But Maureen ' s new life just might be too good to be true, and before the summer is up, she vanishes. Decades later, when Allison Simpson is offered the opportunity to house-sit in Opal Beach during the off-season, it seems like the perfect chance to begin fresh after a messy divorce. But when she becomes drawn into the mysterious disappearance of a girl thirty years before, Allison realizes the gorgeous homes of Opal Beach hide dark secrets. And the truth of that long-ago summer is not even the most shocking part of all... " A heart-wrenching and suspenseful novel of betrayal and revenge. Stunning!" " —Carol Goodman, award-winning author of *The Night Visitors* " Featuring a brilliantly executed dual timeline with two unforgettable narrators, *One Night Gone* is a timely and timeless mystery that will keep you obsessively reading well past your bedtime. " —Paul Tremblay, author of *The Cabin at the End of the World* "Don't miss *The Mother Next Door*, Tara Laskowski's next novel of suspense. On sale October 12, 2021 and available to preorder now!

James Welch never shield away from depicting the lives of Native Americans damned by destiny and temperament to the margins of society. The Death of Jim Loney is no exception. Jim Loney is a mixed-blood, of white and Indian parentage. Estranged from both communities, he lives a solitary, brooding existence in a small Montana town. His nights are filled with disturbing dreams that haunt his waking hours. Rhea, his lover, cannot console him; Kate, his sister, cannot penetrate his world. In sparse, moving prose, Welch has crafted a riveting tale of disenfranchisement and self-destruction. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The worst thing possible has happened. Richard and Juliette Willoughby's son, Ewan, has died suddenly at the age of five. Starve Acre, their house by the moors, was to be full of life, but is now a haunted place. Juliette, convinced Ewan still lives there in some form, seeks the help of the Beacons, a seemingly benevolent group of occultists. Richard, to try and keep the boy out of his mind, has turned his attention to the field opposite the house, where he patiently digs the barren dirt in search of a legendary oak tree. Starve Acre is a devastating new novel by the author of the prize-winning bestseller *The Loney*. It is a novel about the way in which grief splits the world in two and how, in searching for hope, we can so easily unearth horror.

A Caldecott Honor Book! A joyous celebration of family, community, and the unifying power of music, perfect for fans of *Last Stop on Market Street*. Nic is an aspiring musician whose life spans two different worlds—his suburban school where he wows his friends in orchestra, and the busy city streets of his home where he's jostled by the crowd. Nic makes his way home from a busy day at school with a double bass on his back, the symphony of his surroundings in his heart, and a sweet surprise for the reader at the end of his journey. This is a sweet, melodious picture book about how dedication, music, and family can overcome any obstacle.

The powerful account of the remarkable peace activist kidnapped while leading a peace delegation and held for ransom by Iraqi insurgents until his paradoxical release by a crack unit of special forces commandos. In November 2005, James Loney and three other men — Canadian Harmeet Singh Sooden, British citizen Norman Kember and American Tom Fox — were taken hostage at gunpoint. The men were with Christian Peacemaker Teams (CPT), an organization that places teams trained in non-violent intervention into lethal conflict zones. The then unknown Swords of Righteousness Brigade released videos of the men, resulting in what is likely the most publicized kidnapping of the Iraq War. Tom Fox was murdered and dumped on a Baghdad street. The surviving men were held for 118 days before being rescued by Task Force Black, an elite counter-kidnap unit led by the British SAS.Captivity is the story of what Jim described upon his return to Toronto and reunion with his partner Dan Hunt as "a terrifying, profound, transformative and excruciatingly boring experience." It presents an affecting portrait of how Jim came to be a pacifist and chronicles his work in Iraq before the kidnapping. It brings the reader immediately into the terror and banality, the frictions, the moral dilemmas of their captivity, their search to find their captors' humanity, and the imperative need to conceal Jim's sexual identity. It examines the paradoxes we face when our most cherished principles are tested in extraordinary circumstances and explores the universal truths contained in every captivity experience. At its heart, the book is a hope-filled plea for peace, human solidarity and forgiveness. From James Loney: Why I Wrote This Book I often wondered, during those excruciating days of handcuffs and chains, fear and boredom without end, would I ever get to tell anyone about the strange and bizarre things that happened during our captivity? Being transported in the trunk of a car. Sleeping with my left and right hands handcuffed to the person beside me. Explaining to the captors how to use " men's gel. " Picking open our handcuffs after watching a Hollywood movie. It is a paradox. I went to Iraq as a pacifist on a mission of peace and was kidnapped, threatened with death and held hostage with three other men until we were rescued in a military operation. It is an extraordinary privilege to be able to tell the story of this paradox, to explain why I remain committed to the principles of nonviolence despite the fact a member of our group was murdered and our freedom was secured by armed force. The crucible of captivity was a kind of school in which I was able to see the innermost workings of the universe, how we are all connected, how our liberation is inextricably tied together. I want to share this story in the hope of contributing to the emergence of a world without war, the single greatest challenge of the 21st century. Everything depends on this, for without peace nothing else is possible. From the Hardcover edition.

Although Bunnybear was born a bear, he feels more like a bunny. He prefers bouncing in the thicket to tramping in the forest, and in his heart he ' s fluffy and tiny, like a rabbit, instead of burly and loud, like a bear. The other bears don ' t understand him, and neither do the bunnies. Will Bunnybear ever find a friend who likes him just the way he is?

When a wonderful new book arrives at the library, at first it is loved by all, checked out constantly, and rarely spends a night on the library shelf. But over time it grows old and worn, and the children lose interest in its story. The book is sent to the library's basement where the other faded books live. How it eventually finds an honored place on a little girl's bookshelf—and in her heart—makes for an unforgettable story sure to enchant anyone who has ever cherished a book. Kate Bernheimer and Chris Sheban have teamed up to create a picture book that promises to be loved every bit as much as the lonely book itself.

A couple attempt to recapture a lost relationship but their memories disintegrate the world about them...A widow tries to understand the brutality of her husband's death...Three soldiers confront the image of man's struggle with his own aggression...A writer finally begins to understand the frailty of words. Often stark, often brutal, often hopeful, these stories find lives falling apart under the strain of entrapment but also celebrate the pleasurable cages that we willfully and inevitably impose upon ourselves.
