~~The Long Mirage (Star Trek: Deep Space Nine) eBook: George~~...

Star Trek: Deep Space Nine: The Long Mirage by David R. George III This novel picks up right where "Ascendance" left off with Kira reemerging from the Wormhole. And hers is by far the most interesting part of the novel. First of all, she reunites with Altek Dans, and then returns with him to Bajor where she's faced with a schism within the clerical community - ones who like her believe the Prophets to be gods, and others who deny that fact, backed up by the artifact found on Bajor's moon.

~~The Long Mirage by David R. George III - Goodreads~~

David R. George III has written more than a dozen Star Trek novels, including Ascendance, The Lost Era: One Constant Star, The Fall: Revelation and Dust, Allegiance in Exile, the Typhon Pact novels Raise the Dawn, Plagues of Night, and Rough Beasts of Empire, as well as the New York Times bestseller The Lost Era: Serpents Among the Ruins.He also cowrote the television story for the first ...

"I love the music of Arthur Lyman, Martin Denny and Les Baxter. And I loved Captain Kirk's ship logs from the original 'Star Trek.' I took those and just mashed them all together into a concept album." The 55-minute album is narrated by an unnamed astral traveler (Janina Gavankar) searching for a better planet than the one she left.

~~Star Trek: The Next Generation / Deep Space Nine~~

Continuing the post-television Deep Space Nine saga comes this thrilling original novel from New York Times bestselling author David R. George III! More than two years have passed since the destruction of the original Deep Space 9. In that time, a brand-new, state-of-the-art starbase has replaced it, commanded by Captain Ro Laren, still the crew and residents of the former station continue to experience the repercussions of its loss. For instance: Quark continues his search for Morn, as the Lurian—his best customer and friend—left Bajor without a word and never returned. Quark enlists a private detective to track Morn down, and she claims to be hot on his trail. Yet the barkeep distrusts the woman he hired, and his suspicions skyrocket when she too suddenly vanishes. At the same time, Kira Nerys emerges from a wormhole after being caught inside it when it collapsed two years earlier. She arrives on the new DS9 to discover Altek Dans already there. While inside the Celestial Temple, Kira lived a different life in Bajor's past, where she fell in love with Altek. So why have the Prophets moved him forward in time...and why have They brought him and Kira together? ™, ®, & © 2016 CBS Studios, Inc. STAR TREK and related marks and logos are trademarks of CBS Studios, Inc. All Rights Reserved.

It is a time of renewed hope. As the U.S.S. Defiant sails through the wormhole and charts a new course of discovery into the unknown ocean of the Gamma Quadrant, powerful individuals from distant worlds gather at station Deep Space 9™ to usher in a bright new era; with the Dominion War now only a memory, Bajor is poised at last to enter the Federation. For Colonel Kira Nerys, Commander Elias Vaughn, and all those who follow them, these are the voyages they were born to undertake. But where they seek to go is defined by the journeys they have made before, and ghosts populate these uncharted waters -- the spectres of lost leaders, fallen friends, forsaken lovers, vanquished enemies, and earlier selves. Some of these shades drive the travelers on, others are drawn inexorably into their wake; but all make their presence felt, and in feeling, the men and women of DS9 and the Defiant must somehow navigate the perilous rapids of their pasts in order to find the future. Originally published as Twilight and This Gray Spirit -- the first two novels in the critically acclaimed Mission: Gamma series -- These Haunted Seas is the next chapter of the epic saga begun in Twist of Faith, continuing the chronicles of Star Trek: Deep Space Nine® beyond the small screen, propelling its heroes to realms they could never have imagined, and truths they cannot escape.

The post-television Deep Space Nine saga continues with this original novel from New York Times bestselling author David R. George III! On the original Deep Space Nine, Captain Kira Nerys watches as the nearby wormhole opens and discharges a single, bladelike vessel. Attempts to contact its crew fail, and the ship is soon followed by another vessel of similar design. When an armada subsequently begins to emerge from the wormhole, it seems clear that DS9 is under attack. Kira orders her first officer, Commander Elias Vaughn, to board the U.S.S. Defiant and defend the station, and alerts Starfleet to send additional forces as her crew prepares DS9's shields and weaponry for the onslaught to come. Meanwhile, on the lead ship, Iliana Ghemor considers launching an attack on DS9 and finally ending the life of Kira, the fountainhead of all the ills in her miserable life. Her vengeance demands more than mere death, though—it requires pain. Ghemor refocuses, choosing to follow her plan to mete out her revenge on the captain by first decimating the population of Bajor... ™, ®, & © 2015 CBS Studios, Inc. Continuing the Deep Space Nine saga—an original novel from New York Times bestselling author David R. George III! At the end of 2385, in a significant shift of its goals from military back to exploratory, Starfleet sent Captain Benjamin Sisko and the crew of the U.S.S. Robinson on an extended mission into the Gamma Quadrant. Tasked with a yearlong assignment to travel unknown regions, they set out to fulfill the heart of Starfleet's charter: to explore strange new worlds, and to seek out new life and new civilizations. But now three months into the mission, their first contact with an alien species comes in the form of an unprovoked attack on the Robinson. With the ship's crew suddenly incapacitated, seventy-eight of the 1,300 aboard are abducted—including Sisko's daughter, Rebecca. But Rebecca had already been kidnapped years earlier by a Bajoran religious zealot, part of a sect believing that her birth fulfilled the prophecy of the arrival of the Infant Avatar. Does her disappearance now have anything to do with the harrowing events of the past? And for what purposes have these enemies taken Sisko's daughter and the rest of the missing?

PRIDE. GREED. ENVY. WRATH. LUST. GLUTTONY. SLOTH. The Seven Deadly Sins delineate the path to a person's downfall, the surest way to achieve eternal damnation. But there is a way out, a way to reclaim salvation: blame it on the demons—taunting you, daring you to embrace these sins—and you shall be free. The painful truth is that these impulses live inside all of us, inside all sentient beings. But alas, one person's sin may be anotherbeing's virtue. The pride of the Romulan Empire is laid bare in "The First Peer," by Dayton Ward and Kevin Dilmore. A Ferengi is measured by his acquisition of profit. "Reservoir Ferengi," by David A. McIntee, depicts the greed that drives that need. The Cardassians live in a resource-poor system, surrounded by neighbors whohave much more. The envy at the heart of Cardassian drive is "The Slow Knife,"by James Swallow. The Klingons have tried since the time of Kahless to harness their wrath withan honor code, but they haven't done so, as evidenced in "The Unhappy Ones,"by Keith R.A. DeCandido. Humans' darkest impulses run free in the Mirror Universe. "Freedom Angst," by Britta Burdett Dennison, illustrates the lust that drives many there. The Borg's desire to add to their perfection is gluttonous and deadly in "Revenant," by Marc D. Giller. To be a Pakled is to live to up to the ideal of sloth in "Work Is Hard," by Gregg Cox.

Days after the assassination of Federation President Nan Bacco on Deep Space 9, the unexpected appearance of a stranger on the station raises serious concerns. He seems dazed and confused, providing-in a peculiar patois of the Bajoran language-unsatisfactory answers. He offers his identity as Altek, of which there is no apparent record, and he claims not to know where he is or how he got there. A quick scan confirms the visitor is armed with a projectile weapon-a firearm more antiquated than, but similar to, the one that took President Bacco's life. But the Bajoran liaison to the station believes that Altek has been sent from the Prophets, out of a nearby wormhole. The last time such an event occurred, it was to reassure Benjamin Sisko of his place as the Emissary. For what purpose has Altek now been sent out of the Celestial Temple?

A thrilling original novel set in the universe of Star Trek: The Next Generation / Deep Space Nine! In 2367, Captain Benjamin Maxwell of the starship Phoenix ordered the destruction of a Cardassian warship and a supply vessel, killing more than six hundred crew members. Maxwell believed that the Cardassians were arming for a new attack on the Federation, and though history eventually proved he was probably correct, the Federation had no choice but to court martial and incarcerate him. Almost twenty years have passed, and now Maxwell is a free man, working as a maintenance engineer on the private science station Robert Hooke, home to crackpots, fringe researchers, and, possibly, something much darker and deadlier. Maxwell's former crewmate, Chief Miles O'Brien, and O'Brien's colleague, Lieutenant Commander Nog, have come for a visit. Unfortunately, history has proven that whenever O'Brien and Nog leave Deep Space 9 together, unpredictable forces are set into motion... ™, ®, & © 2016 CBS Studios, Inc. STAR TREK and related marks are trademarks of CBS Studios, Inc. All Rights Reserved.

WELCOME TO THE NEW DEEP SPACE 9 After the destruction of the original space station by a rogue faction of the Typhon Pact, Miles O'Brien and Nog have led the Starfleet Corps of Engineers in designing and constructing a larger, more advanced starbase in the Bajoran system. Now, as familiar faces such as Benjamin Sisko, Kasidy Yates, Ezri Dax, Odo, and Quark arrive at the new station, Captain Ro Laren will host various heads of state at an impressive dedication ceremony. The dignitaries include not only the leaders of allies—such as Klingon Chancellor Martok, Ferengi Grand Nagus Rom, the Cardassian castellan, and the Bajoran first minister—but also those of rival powers, such as the Romulan praetor and the Gorn imperator. But as Ro's crew prepares to open DS9 to the entire Bajor Sector and beyond, disaster looms. A faction has already set in action a shocking plan that, if successful, will shake the Alpha and Beta Quadrants to the core. And what of Kira Nerys, lost aboard a runabout when the Bajoran wormhole collapsed? In the two years that have passed during construction of the new Deep Space 9, there have been no indications that the Celestial Temple, the Prophets, or Kira have survived. But since Ben Sisko once learned that the wormhole aliens exist nonlinearly in time, what does that mean with respect to their fate, or that of the wormhole . . . or of Kira herself?

From the New York Times bestselling author of The Fall: The Crimson Shadow comes a compelling and suspenseful tale of politics and power set in the universe of Star Trek: Deep Space Nine. Elim Garak has ascended to Castellan of the Cardassian Union...but despite his soaring popularity, the imminent publication of a report exposing his people's war crimes during the occupation on Bajor looks likely to set the military against him. Into this tense situation come Dr. Katherine Pulaski—visiting Cardassia Prime to accept an award on behalf of the team that solved the Andorian genetic crisis—and Dr. Peter Alden, formerly of Starfleet Intelligence. The two soon find themselves at odds with Garak and embroiled in the politics of the prestigious University of the Union, where a new head is about to be appointed. Among the front-runners is one of Cardassia's most respected public figures: Professor Natima Lang. But the discovery of a hidden archive from the last years before the Dominion War could destroy Lang's reputation. As Pulaski and Alden become drawn into a deadly game to exonerate Lang, their confrontation escalates with Castellan Garak—a conflicted leader treading a fine line between the bright hopes for Cardassia's future and the dark secrets still buried in its past... ™, ®, & © 2016 CBS Studios, Inc. Star Trek and related marks are trademarks of CBS Studios, Inc. All Rights Reserved.

An original novella set in the Star Trek: Deep Space Nine universe! With his Starfleet assignment temporarily on hold, Odo needs a distraction. He welcomes Chief O'Brien's offer to loan him some of the action-packed books that both men relish: tales about hard-boiled private eyes, threatening thugs, and duplicitous dames. Then Quark suddenly goes missing during a hastily planned trip to Ferenginar. His concerned friends on Deep Space Nine feel that Odo, as the station's former chief of security, is uniquely suited to track Quark down. But once on Ferenginar, Odo learns that Quark is trapped in the seamy underbelly of a criminal enterprise that could have been ripped from the pages of one of O'Brien's novels. To find the bartender, Odo discovers that he must rely not only on his law enforcement background, but his knowledge of all things noir....
