The Gospel of Thomas has been eliminated from the Bible, because it represents a very different kind of Jesus. The lost gospel of Thomas is powerful because it is believed to be the actual words of Jesus, as he was teaching those around him how to use the power of human emotion in their life, and if the indigenous people knew it, and if the ancient people knew it, then why don't we know it?

The authors prove that many of Jesus' original teachings are missing and that the New Testament records only a fragment of what Jesus taught. This book fills in the gaps with a bold reconstruction of the essence of Jesus' message.

Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church? □ Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess □ Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment □ Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship, the authors of the international bestseller *The Jesus Mysteries* decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught. In addition, the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism, which promise happiness and immortality to those who attain the state of Gnosis, or enlightenment. This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today.

Explores doctrine about women and their divine role that was lost from the Bible and restored in these latter days.

In this landmark series Mark and Elizabeth Clare Prophet reconstruction of the essence of Jesus' message. They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples. And they answer questions that have puzzled readers of the Bible for centuries.

Mark and Elizabeth Prophet show that many of Jesus' original teachings were lost. Some were removed from the Gospels. Others were suppressed or kept secret. In modern vernacular, the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message. They answer questions that have puzzled readers of the Bible for centuries.

Reveals the true role of James, the brother of Jesus, in early Christianity □ Uses evidence from the canonical Gospels, apocryphal texts, and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor: James □ Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion □ Shows how James can serve as a bridge between Christianity, Judaism, and Islam James has been a subject of controversy since the founding of the Church. Evidence that Jesus had siblings contradicts Church dogma on the virgin birth, and James is also a symbol of Christian teachings that have been obscured. While Peter is traditionally thought of as the leader of the apostles and the “rock” on which Jesus built his church, Jeffrey Bütz shows that it was James who led the disciples after the crucifixion. It was James, not Peter, who guided them through the Church's first major theological crisis--Paul's interpretation of the teachings of Jesus. Using the canonical Gospels, writings of the Church Fathers, and apocryphal texts, Bütz argues that James is the most overlooked figure in the history of the Church. He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition; reveals the bitter battles between James and Paul for ideological supremacy in the early Church; and explains how Paul's interpretations, which became the foundation of the Church, are in many ways its betrayal. Bütz reveals a picture of Christianity and the true meaning of Christ's message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity, Judaism, and Islam to heal the wounds of centuries of enmity.

The remarkable story of Christ and Christianity from the historical perspective that reveals Christ's teachings on enlightenment, practiced by the earliest Jewish disciples only recently revealed.

Reveals that concepts regarded as purely Eastern, like karma, reincarnation and chakras, can be found in the mysteries Jesus taught. Tells how you, like Jesus, can be in close contact with your Divine Source.
