Oscar Wilde's the Nightingale and the Rose is a 2015 animated movie with a runtime of 14 minutes. It has received poor reviews from critics and viewers, who have given it an IMDb score of 7.8. Where ...

A young man is in love. He needs one red rose to win the heart of the woman he loves. But it is winter and there are no roses anywhere. A kind nightingale hears the man's cries and decides to help him. How will the nightingale find a red rose in the middle of winter?

A nightingale overhears a student complaining that his professor's daughter will not dance with him, as he is unable to give her a red rose. The nightingale visits all the rose-trees in the garden, and one

of the white roses tell her that there's a way to produce a red rose, but only if the nightingale is prepared to sing the sweetest song for the rose all night, and sacrifice her life to do so. Seeing the student in tears, the nightingale carries out the ritual, and impales herself on the rose-tree's thorn so that her heart's blood can stain the rose. The student takes the rose to the professor's daughter, but she again rejects him because another man has sent her some real jewels, and "everybody knows that jewels cost far more than flowers." The student angrily throws the rose into the gutter, returns to his study of metaphysics, and decides not to believe in true love anymore.

The Happy Prince and Other Tales was written by Victorian author Oscar Wilde and illustrated by Walter Crane and Jacomb Hood.?

Consumed with self-importance, a rocket misses his chance for greatness at the wedding of a prince and princess. When he is found by two boys, he feels again his chance at greatness, only to have his final explosion go off unobserved. Victorian author Oscar Wilde is known both as a playwright and prose author. Among his most famous works are The Picture of Dorian Gray, his only novel, the plays An Ideal Husband and The Importance of Being Earnest, and the short story collections Lord Arthur Savile's Crime and Other Stories and The Happy

An innovative new edition of nine classic short stories from one of the greatest writers of the Victorian era. "I cannot think other than in stories," Oscar Wilde once confessed to his friend André Gide. In this new selection of his short fiction, Wilde's gifts as a storyteller are on full display, accompanied by informative facing-page annotations from Wilde biographer and scholar Nicholas Frankel. A wide-ranging introduction brings readers into the world from which the author drew inspiration. Each story in the collection brims with Wilde's trademark wit, style, and sharp social criticism. Many are reputed to have been written for children, although Wilde insisted this was not true and that his stories would appeal to all "those who have kept the childlike faculties of wonder and joy." "Lord Arthur Savile's Crime" stands alongside Wilde's comic masterpiece *The Importance of Being Earnest*, while other stories—including "The Happy Prince," the tale of a young ruler who had never known sorrow, and "The Nightingale and the Rose," the story of a nightingale who

sacrifices herself for true love—embrace the theme of tragic, forbidden love and are driven by an undercurrent of seriousness, even despair, at the repressive social and sexual values of Wilde's day. Like his later writings, Wilde's stories are a sweeping indictment of the society that would imprison him for his homosexuality in 1895, five years before his death at the age of forty-six. Published here in the form in which Victorian readers first encountered them, Wilde's short stories contain much that appeals to modern readers of vastly different ages and temperaments. They are the perfect distillation of one of the Victorian era's most remarkable writers.

Published here alongside their evocative original illustrations, these fairy tales by the celebrated playwright and poet include "The Happy Prince and Other Tales" and "A House of Pomegranates." Revised reissue.

A nightingale selflessly sacrifices herself to help a young student win the love of his professor's daughter, but both the professor's daughter and the young student prove unworthy of her sacrifice. Victorian author Oscar Wilde is known both as a playwright and prose

"The Nightingale and the Rose" is a short tragic fantasy story for children. In The Nightingale and the Rose by Oscar Wilde we have theme of love, sacrifice, selflessness, pity, materialism and gratitude. The story's plot is set in motion when a nightingale overhears a young student express his fears about losing the young woman he loves forever. The young woman threatens to abandon the student unless he gives her a red rose. Taking pity on the student, the nightingale sacrifices her life in order to procure a red rose for the young man. However, the birds' sacrifice proves to be in vain. It was first published in 1888 in the anthology The Happy Prince and Other Tales, which, in addition to its title story, also includes "The Happy Prince", "The Devoted Friend", "The Selfish Giant" and "The Remarkable Rocket".
