The fourth book in the epic Egyptian series The fourth book in the epic Egyptian series 'She is omnivorous. No matter age or appearance, physical frailty or imperfection. It is not their flesh that feeds her appetites, but their souls. she devours the young and old, men and women. She leaves only a desiccated husk.' An unspeakable evil. An impossible gift. Renowned magus Taita is now over a hundred years old, and has ascended to a new level of wisdom and understanding about his world. But he must prepare himself for the greatest threat Egypt has ever faced: the great plagues and the fair of the Nile, brought about by the fire witch Eos, an ancient force of sheer evil. Taita must risk his soul to battle against Eos, or his homeland and everything he has ever loved will be lost forever. But there are other reasons for Taita to fight -- since success could also mean rewards he could never have thought possible...

She is omnivorous. No matter age or appearance, physical frailty or imperfection. It is not their flesh that feeds her appetites, but their souls. She devours young and old, men and women. She leaves only a desiccated husk. An unspeakable evil. An impossible gift. Renowned magus Taita is now over a hundred years old, and has ascended to a new level of wisdom and understanding about his world. But he must prepare himself for the biggest threat Egypt has ever faced: the great plagues and the failure of the Nile, brought about by the fire witch Eos, an ancient force of sheer evil. Taita must risk his soul to battle against Eos, or his homeland and everything he has ever loved will be lost forever. But there are other reasons for Taita to fight - since success could also mean rewards he could never have thought possible . . . The fourth book in the epic Egyptian Series

Tanus is the fair-haired young lion of a warrior whom the gods have decreed will lead Egypt's army in a bold attempt to reunite the Kingdom's shattered halves. But Tanus will have to defy the same gods to attain the reward they have forbidden him, an object more prized than battle's glory: possession of the Lady Lostris, a rare beauty with skin the color of oiled cedar--destined for the adoration of a nation, and the love of one extraordinary man. International bestselling author Wilbur Smith, creator of over two dozen highly acclaimed novels, draws readers into a magnificent, richly imagined Egyptian saga. Exploding with all the drama, mystery, and rage of ancient Egypt, River God is a masterpiece from a storyteller at the height of his powers.

"The ancient Egyptians were firmly convinced of the importance of magic, which was both a source of supernatural wisdom and a means of affecting one's own fate. The gods themselves used it for creating the world, granting mankind magical powers as an aid to the struggle for existence. Magic formed a link between human beings, gods, and the dead. Magicians were the indispensable guardians of the god-given cosmic order, learned scholars who were always searching for the Magic Book of Thoth, which could explain the wonders of nature. Egyptian Magic, illustrated with wonderful and mysterious objects from European museum collections, describes how Egyptian sorcerers used their craft to protect the weakest members of society, to support the gods in their fight against evil, and to imbue the dead with immortality, and explores the arcane systems and traditions of the occult that governed this well-organized universe of ancient Egypt."--Publisher's website.

Wilbur Smith, one of the world's most acclaimed adventure writers, returns to the world of ancient Egypt with Warlock, the stunning sequel to the New York Times bestselling River God. In the wake of a sixty-year war over the reign of the kingdoms of Egypt, two young pharaohs have risen to claim power, but only one can succeed, deciding the fate of his empire forever... The mission of Prince Nefer, rightful heir to the throne, is to rebuild a magnificent kingdom in the stark and tumbled ruins of the embattled city of Gallala. The desire of Lord Naja is to destroy his rival and rule the land with unholy supremacy. But Nefer has on his side the warlock Taita, a matchless ally and legendary priest of notorious powers... To see their dream come true, Nefer and Taita must stay one step ahead of the depraved assassin, survive the tortuous shadow of her ever-pursuing armies, and outwit the shocking betrayals of his own flesh and blood. As Nefer's courage increases, and as Taita's magic grows more beguiling, so grows

stronger the power of their tireless enemies.... Now, with the threat of tyranny and blood thundering closer and closer toward the vulnerable gates of Gallala, the ultimate battle for Egypt will begin...

In *Quest of Justice* provides the first full account of the establishment and workings of a new kind of state in Egypt in the modern period. Drawing on groundbreaking research in the Egyptian archives, this highly original book shows how the state affected those subject to it and their response. Illustrating how shari'a was actually implemented, how criminal justice functioned, and how scientific-medical knowledges and practices were introduced, Khaled Fahmy offers exciting new interpretations that are neither colonial nor nationalist. Moreover he shows how lower-class Egyptians did not see modern practices that fused medical and legal purposes in new ways as contrary to Islam. This is a major contribution to our understanding of Islam and modernity.

In *Quest for Conception*, Marcia C. Inhorn portrays the poignant struggles of poor, urban Egyptian women and their attempts to overcome infertility. The author draws upon fifteen months of fieldwork in urban Egypt to present moving stories of infertile Muslim women whose tumultuous medical pilgrimages have yet to produce the desired pregnancies. Inhorn examines the devastating impact of infertility on the lives of these women, who are threatened with divorce by their husbands, harassed by their husbands' families, and ostracized by neighbors.

"This volume accompanies an exhibition of the same name, which includes artefacts from nearly 2000 years before the Christian era. Objects such as coffins, tombs, masks, jewellery, papyri, sarcophagi and monumental and small-scale sculpture reveal the reverence and awe with which the Egyptians considered the mystery of death. The essays in this book explore Egyptian art history, customs and worship, with specific focus on the Amduat, a book devoted to the pharaoh's 12-hour journey to the afterlife. Additional writings detail the background of the collection and focus upon the role of art in ancient Egypt."--Amazon.

For four thousand years, the lavish crypt of the Pharaoh Mamose has never been found-- until the beautiful Egyptologist Royan Al Simma finds a tantalizing clue to its location in the Seventh Scroll, a cryptic document written by the slave Taita. But the location of the crypt and its treasure is a secret others would kill to possess. Only one step ahead of assassins, Royan runs for her life and into the arms of the only man she can trust, Sir Nicholas Quenton-Harper-- a daring man who will stake his fortune and his life to join her hunt for the king's tomb. Together, they will embark on a breathtaking journey to the most exotic locale on earth, where the greatest mystery of ancient Egypt, a chilling danger, and an explosive passion are waiting. Steeped in ancient mystery, drama, and action, Wilbur Smith's *The Seventh Scroll* will pull you in for an adventure of a lifetime.

'The Quest' is an epic adventure set in ancient Egypt. Following on from 'River God', 'The Seventh Scroll' and 'Warlock', this novel continues the story of the Warlock, Taita, wise in the lore of the ancient gods and a master of magic and the supernatural.
