to these important questions - and more. Much more than just a simple introduction to the subject of attachment, the book is also full of advice and practical ideas you can try. It tackles some challenging questions, such as 'what is the difference between trauma and attachment?', and explains how having an understanding of attachment is only part of the overall picture when it comes to caring for traumatized children. It is an essential read for any adult parenting or caring for a child who has experienced attachment difficulties.

What do Pablo Picasso, Prince and Martin Luther King Jr have in common? All have been described as having been highly sensitive boys and all grew up to be outstanding, sensitive men. Too often, adults think of sensitive boys as shy, anxious and inhibited. They are measured against society's ideas about 'manliness' -- that all boys are sociable, resilient and have endless supplies of energy. This highly readable guide is for any adult wanting to know how to understand and celebrate sensitive boys. It describes how thinking about boys in such old-fashioned ways can cause great harm, and make a

Read Book The Simple Guide To Child Trauma Simple Guides

difficult childhood all the more painful. The book highlights the real strengths shared by many sensitive boys - of being compassionate, highly creative, thoughtful, fiercely intelligent and witty. It also flips common negative clichés about sensitive boys being shy, anxious and prone to bullying to ask instead: what we can do to create a supportive environment in which they will flourish? Full of simple yet sage advice, this book will help you to encourage boys to embrace their individuality, find their own place in the world, and to be the best they can be.

Is my child too sick to go to daycare today? When can my child go back to daycare? What should I look for when I am considering a daycare center for my new baby? Every parent of a child in daycare asks these questions. Dr. Leigh Grossman's new book, THE PARENT'S SURVIVAL GUIDE TO DAYCARE INFECTIONS, presents the facts about different germs and provides guidance on what to do when your child has been exposed to or is sick with a specific infection. How do I choose a daycare center that uses current infection control practices? How long does a child need to stay home when they do have an infection? Can I
