Prince Carl Philip of Sweden, Duke of Värmland, is the only son and the second of three children of King Carl XVI Gustaf and Queen Silvia. As of 2016, Prince Carl Philip is fourth in the line of succession, after his older sister, Crown Princess Victoria, his niece and goddaughter Princess Estelle, and his nephew Prince Oscar. He lives with his wife, Princess Sofia, and two sons, Prince Alexander and Prince Gabriel, in Villa Solbacken in central Stockholm.

~~Prince Carl Philip, Duke of Värmland — Wikipedia~~

Viktor isn't your average fairy tale hero. Although he's a Prince and quite literally "Prince Charming", life has dealt him some pretty crappy cards. He leaves Sweden to 'deal' with himself and his problems away from the spotlight. He gets to travel and experience life away from his duties in Sweden.

~~The Swedish Prince — Kindle edition by Halle, Karina ...~~

The Swedish Prince by Karina Halle is about Maggie who meets Princes Victor of Sweden by accident. Victor has gone to America to get over a tragic event in his life. When both meet, they realize that they have more in common than they think. But Maggie has doubts and is unsure, because she is just a commoner and he is a prince.

Working as a motel maid in small-town California, while trying to take care of my five orphaned

File Type PDF The Swedish Prince

siblings, I never expected much from my life. Until a chance encounter with an undercover royal, the charming Prince of Sweden, changed everything. "The Swedish Prince is a romantic comedy that is the perfect blend of humor, sexy and heart, and I loved everything about this endearing story of a prince who meets his queen." - USA TODAY I never believed in fairy-tales. Never held out for Prince Charming. Growing up poor in small-town California as the oldest of six siblings, I knew I would never ride off into the sunset with anyone. That was even more apparent when a senseless tragedy took the lives of my parents, forcing me to become the sole guardian of our dysfunctional household at the mere age of twenty-three. Then a fateful encounter literally brought Prince Charming to my doorstep. At first I thought Viktor was just your average businessman passing through, albeit obscenely handsome, six-foot-five, blue-eyed, and mysteriously rich. But soon I discovered the truth behind Viktor's façade. Beneath his quiet, enigmatic gaze and cocky charm, is a man who is running away from who he really is. A role he'd rather not fulfill. He is Viktor of House Nordin, His Royal Highness, The Crown Prince of Sweden. Yet uncovering Viktor's secret was only the first step. I didn't expect to fall in love with him. I didn't expect to have my whole life turned upside down. When you're from two different worlds, can your hearts meet somewhere in the middle? Or do happily-ever-afters only exist in fairy-tales? **WARNING:** The Swedish Prince is oh-so sweet, enchanting and funny, but it does contain foul language (lots of the F word) and graphic sexual scenes (lots of dirty talk). Reader discretion is advised for those who are sensitive.

A STANDALONE ROYAL ROMANCE from the NYT bestselling author of *The Pact* and *The Swedish Prince*. When I first applied for the job I thought it would be like all the others: working as a nanny for an aristocratic family. Then I got the job and found out how wrong I was. Now I'm the new nanny for

File Type PDF The Swedish Prince

two adorable little girls who happen to be princesses. Their father is the widowed King of Denmark. And my new home? The royal palace in Copenhagen. Adjusting to my new life isn't easy but the hardest part hasn't been the girls who still grieve over the loss of their mother. It's their father. Cold, mysterious and moody, with an icy stare that seems to penetrate your soul, King Aksel may have hired me to take care of his daughters but he wants as little to do with me as possible. Yet the longer I share these palace walls with this man, the more that I'm drawn to him. His chiseled face and sexual swagger are only part of the package. It's in the long, intense glances at the dinner table, the way we'll brush up against each other in the halls, the rare glimpses of the man deep inside, like the sun passing through clouds. But no matter how I feel about him, we can never be together. You think it's bad enough being in love with your boss? Try falling in love with a king.

An epic standalone forbidden age-gap sports romance from the New York Times Bestselling author of *The Play and My Life in Shambles* Starting over was her only option. Forty-years old and still reeling from a public and painful divorce, Thalia Blackwood is looking for a fresh start, somewhere far away from her upside down life. When she's offered a new job as the sports therapist for a football (soccer) team, she jumps at the chance. This is just what she needs to leave the heartbreak and shame of Manchester behind, trading it in for the warmth and hopeful vibrancy of Madrid. He was her only desire. Twenty-three year old Alejo Albarado is rising up the ranks in his career. As the charming forward for the Real Madrid team, Alejo's life revolves around women, parties, and being a tabloid darling, that is until the new sports therapist joins the team. Their passion could not be ignored. What starts out as a strictly professional relationship between Thalia and the young Spanish player, slowly evolves into something more. Much more. Their relationship was forbidden. But their combustible

File Type PDF The Swedish Prince

chemistry and simmering sexual tension can only go so far--should Thalia give into Alejo's advances, she's at risk of not only losing her job, but succumbing to a much younger man will drag her through the spotlight again. Alejo might be worth that risk. Unless he breaks her heart in the process. The Younger Man is a full-length standalone romance. Characters from Love, in English make a cameo in this book, however The Younger Man is intended to be read as a STANDALONE. This book will be approximately 400-500 pages or more.

One of PopSugar's Top Summer Reads of 2021! An ordinary summer goes royally awry when a prince and princess move next door, bringing their handsome bodyguard with them, from New York Times bestselling author Karina Halle. Piper Evans: elementary school teacher by day--avid romance reader and anonymous podcaster by night. She has a quiet, reclusive life, taking care of her mother, who lives with mental illness, avoiding her regrettable ex, who bartends in town, and trying to make inroads in the tight-knit island community that still sees her, five years in, as an outsider. And she's happy with how things are--really--until British royals rent the property next to hers and their brooding bodyguard decides she's a security threat. Piper quickly realizes that one person's fairy tale is an ordinary woman's nightmare as a media frenzy takes over the island and each run-in with Harrison Cole is hotter and more confusing than the last. But beneath Harrison's no-nonsense exterior lies a soft heart, one that could tempt a woman who's sworn off attachments into believing in white knights. But when Piper finds herself smack in the middle of a royal scandal that rocks the island she'll need more than Harrison's strong arms to shield her--she'll have to do a little rescuing herself. With careers, hearts, and friendships on the line, Piper and Harrison will have to decide what they're willing to give up for a chance at their own happily ever after.

LONDON LORDS A fake engagement with one rule only. Don't fall in love. Swedish Prince Christian Lind is a prince in name only. As the youngest son of a youngest son, there is no fancy castle or vast wealth awaiting him. His country has become a side player in the grand politics of Europe, so in order to make his mark he journeys to the one place where it is all happening. London. Christian's childhood friend, Countess Erika Jansson is based in the British capital helping her father who is attached to the Swedish envoy. Erika speaks perfect English, she knows all the right people, and most importantly she offers to help Christian with his plans to become an influential diplomat. But as individuals the walls of society are set high against them, and they quickly discover that they will need to work together in order to succeed. They come up with a clever plan. A fake engagement. After an elegant betrothal ball, Christian and Erika quickly become the darlings of the London social scene. But brief touches and heated glances soon have them both wondering if there is more to their relationship than just old friends helping one another. One stolen, passionate kiss, changes everything. This is a lively, and at times steamy tale of two people discovering the truth that home is not only always where you think it is. Promised to the Swedish Prince is a standalone book in the London Lords Series.

From the NYT bestselling author of *The Royals Next Door* comes a **A STANDALONE ROYAL ROMANTIC COMEDY**. At first glance I probably seem like any good-looking guy in their late twenties. I have an obscene amount of confidence, a tattooed body sculpted by the Nordic gods, and I love the ladies as much as they love me. If I'm not BASE jumping or car racing, I'm chasing other devious thrills with the woman of the week. And that's fine if you're the average single guy. But I'm not the average single guy. I'm Crown Prince Magnus of Norway and my latest scandal just landed my entire royal

File Type PDF The Swedish Prince

family in hot water. Now the only way the monarchy can save face is for me to smarten up - publicly. If I don't, I'll no longer be heir apparent to the throne. So it's either I abdicate my future role as King or...I get married. To a blue-blooded stranger. Enter Princess Isabella of the tiny country of Liechtenstein. Quiet, intelligent, and uniquely beautiful, Ella doesn't like this arrangement any more than I do and she's not afraid to show it. She says I'm a womanizer, that I don't take anything seriously, that my ego should be taken down a few pegs, and I think she aims to make me miserable for the rest of my life. But even as our arranged marriage becomes a war of wit and words, I'm determined to break through Ella's prim and proper façade to find the wild, sexual and risk-taking woman underneath. I want to uncover the Queen inside her. The only question is - will she let me?***The Wild Heir is a standalone royal romance and a spinoff of The Swedish Prince but it is not necessary to read that book beforehand as The Wild Heir is about different characters***

Jonas Jonasson's picaresque tale of how one person's actions can have far-reaching—even global—consequences, written with the same light-hearted satirical voice as his bestselling debut novel, *The 100-Year-Old Man Who Climbed Out the Window and Disappeared*. On June 14th, 2007, the King and Prime Minister of Sweden went missing from a gala banquet at the Royal Castle. Later it was said that both had fallen ill: the truth is different. The real story starts much earlier, in 1961, with the birth of Nombeko Mayeki in a shack in Soweto. Nombeko was fated to grow up fast and die early in her poverty-stricken township. But Nombeko takes a different path. She finds work as a housecleaner and eventually makes her way up to the position of chief advisor, at the helm of one of the world's most secret projects. Here is where the story merges with, then diverges from reality. South Africa developed six nuclear missiles in the 1980s, then voluntarily dismantled them in 1994. This is a story about the seventh missile

File Type PDF The Swedish Prince

. . . the one that was never supposed to have existed. Nombeko Mayeki knows too much about it, and now she's on the run from both the South African justice and the most terrifying secret service in the world. She ends up in Sweden, which has transformed into a nuclear nation, and the fate of the world now lies in Nombeko's hands.

Jasmine Aimaq's stunning debut explores Afghanistan on the eve of a violent revolution and the far-reaching consequences of a young Kochi girl's tragic death. Afghanistan, 1970s. Born to an American mother and a late Afghan war hero, Daniel Sajadi has spent his life navigating a complex identity. After years in Los Angeles, he is returning home to Kabul at the helm of a US foreign aid agency dedicated to eradicating the poppy fields that feed the world's opiate addiction. But on the drive out of Kabul for an anniversary trip with his wife, Daniel accidentally hits and kills a young Kochi girl named Telaya. He is let off with a nominal fine, in part because nomad tribes are ignored in the eyes of the law, but also because a mysterious witness named Taj Maleki intercedes on his behalf. Wracked with guilt and visions of Telaya, Daniel begins to unravel, running from his crumbling marriage and escalating threats from Taj, who turns out to be a powerful opium khan willing to go to extremes to save his poppies. This groundbreaking literary thriller reveals the invisible lines between criminal enterprises and political regimes—and one man's search for meaning at the heart of a violent revolution.

A novel in diary form about Kristina, the young queen of Sweden.
