The Westies: Inside New York's Irish Mob - T. J. English ...

The Westies were a New York City-based Irish American organized crime gang, responsible for racketeering, drug trafficking, and contract killing. They were partnered with the Italian-American Mafia and operated out of the Hell's Kitchen neighborhood of Manhattan. According to crime author T.J. English, "Although never more than twelve to twenty members—depending on who was in or out of jail at any given time—the Westies became synonymous with the last generation of Irish in the ...

The Westies Inside New Yorks Irish Mob

Product Information. From T. J. English, the New York Times bestselling author of *The Corporation: An Epic Story of the Cuban American Underworld*, *The Westies: Inside New York's Irish Mob* is the true account of the vicious gang that ruled Hell's Kitchen from the 1960s through the 1980s.

From a New York Times – bestselling author: A true story of Irish gangsters in Manhattan— “ A harrowing account of big city crime ” (Library Journal). It ’ s men like Jimmy Coonan and Mickey Featherstone who gave Hell ’ s Kitchen its name. In the mid-1970s, these two longtime friends take the reins of New York ’ s Irish mob, using brute force to give it hitherto unthinkable power. Jimmy, a charismatic sociopath, is the leader. Mickey, whose memories of Vietnam torture him daily, is his enforcer. Together they make brutality their trademark, butchering bodies or hurling them out the window. Under their reign, Hell ’ s Kitchen becomes a place where death literally rains from the sky. But when Mickey goes down for a murder he didn ’ t commit, he suspects his friend has sold him out. He returns the favor, breaking the underworld ’ s code of silence and testifying against his gang in open court. From one of the creators of *NYPD Blue* and *Homicide: Life on the Street* comes an incredible true story of what it means to survive in the world of organized crime, where murder is commonplace.

Sixteen stories of true crime from America ’ s foremost authority on the underworld James “ Whitey ” Bulger is the last of the old-fashioned gangsters. As a polished, sophisticated psychopath—who also happened to be a secret FBI informant—his reign of power in Boston lasted for more than twenty years. When he went on the lam in 1995, the kingpin ’ s legend grew to rival that of Al Capone. Captured after sixteen years in hiding, he now sits in a maximum security prison awaiting trial on racketeering charges and nineteen counts of murder. T. J. English has been writing about men like Bulger for more than two decades. And this collection, culled from his career in journalism and supported by new material, shows English at his best. In addition to the

numerous pieces about Whitey, he reports stories about gangsters and organized crime from New York City to Jamaica to Hong Kong and Mexico. Be they about old school mobsters, corrupt federal agents, or modern-day narcotraffickers wreaking havoc on the US – Mexico border, English tells these stories with depth and insight. Combining first-rate reporting and the storytelling technique of a novelist, English takes his readers on a bloody but fascinating journey to the dark side of the American Dream.

“ A mob saga that has it all—brotherhood and betrayal, swaggering power and glittering success, and a Godfather whose reach seems utterly unrivaled. What a relentless, irresistible read. ” — Don Winslow, New York Times bestselling author of *The Force* and *A Fascinating, Cinematic, Multigenerational History of the Cuban Mob in the US* from "America's top chronicler of organized crime" and New York Times bestselling author of *Havana Nocturne*. By the mid 1980s, the criminal underworld in the United States had become an ethnic polyglot; one of the most powerful illicit organizations was none other than the Cuban mob. Known on both sides of the law as "the Corporation," the Cuban mob's power stemmed from a criminal culture embedded in south Florida's exile community—those who had been chased from the island by Castro's revolution and planned to overthrow the Marxist dictator and reclaim their nation. An epic story of gangsters, drugs, violence, sex, and murder rooted in the streets, *The Corporation* reveals how an entire generation of political exiles, refugees, racketeers, corrupt cops, hitmen, and their wives and girlfriends became caught up in an American saga of desperation and empire building. T. J. English interweaves the voices of insiders speaking openly for the first time with a trove of investigative material he has gathered over many decades to tell the story of this successful criminal enterprise, setting it against the larger backdrop of revolution, exile, and ethnicity that makes it one of the great American gangster stories that has been overlooked—until now. Drawing on the detailed reporting and impressive volume of evidence that drive his bestselling works, English offers a riveting, in-depth look at this powerful and sordid crime organization and its hold in the US.

"The inside story of a single Brooklyn gang that killed more Americans than the Iraqi army."—Mike McAlary, columnist, *New York Post* They were the DeMeo gang—the most deadly hit men in organized crime. Their Mafia higher-ups came to know, use, and ultimately fear them as the Murder Machine. They killed for profit and for pleasure, following cold-blooded plans and wild whims, from the mean streets of New York to the Florida Gold Coast, and from coast to coast. Now complete with personal revelations of one of the key players, this is the savage story that leaves no corpse unturned in its terrifying telling.  
INCLUDES PHOTOGRAPHS

The “ riveting ” true story of the Vietnamese gang that terrorized Manhattan's Chinatown, from the *New York Times* –bestselling author of *The Westies* (Newsday). They are children of the Vietnam War. Born and raised in the wasteland left by American bombs and napalm, these young men know a particular brand of cruelty—which they are about to export to the United States. When the Vietnamese gangs come to Chinatown, they adopt a name remembered from GI's helmets: “ Born to Kill. ” And kill they do, in a frenzy of violence that shocks even the old-school Chinese gangsters who once ran Canal Street. Killing brings them turf, money, and power, but also draws the government's eye. Even as *Born to Kill* reaches its height, it is marked for destruction. This story is told from the perspective of Tinh Ngo, a young gang member who eventually grows disenchanted with murder and death. When he decides to inform on his brothers to the police, he enters a shadow world far more dangerous than any gangland.

A history of Irish American organized crime from the nineteenth century to the present traces the influence of gangs over early elections and the modern-day activities of New York's Westies and Whitey Bulger's south Boston mob.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Westies: Inside New York's Irish Mob." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

In modern-day Havana, the remnants of the glamorous past are everywhere—old hotel-casinos, vintage American cars & flickering neon signs speak of a bygone era that is widely familiar & often romanticized, but little understood. In *Havana Nocturne*, T.J. English offers a multifaceted true tale of organized crime, political corruption, roaring nightlife, revolution & international conflict that interweaves the dual stories of the Mob in Havana & the event that would overshadow it, the Cuban Revolution. As the Cuban people labored under a violently repressive regime throughout the 50s, Mob leaders Meyer Lansky & Charles "Lucky" Luciano turned their eye to Havana. To them, Cuba was the ultimate dream, the greatest hope for the future of the US Mob in the post-Prohibition years of intensified government crackdowns. But when it came time to make their move, it was Lansky, the brilliant Jewish mobster, who reigned supreme. Having cultivated strong ties with the Cuban government & in particular the brutal dictator Fulgencio Batista, Lansky brought key mobsters to Havana to put his ambitious business plans in motion. Before long, the Mob, with Batista's corrupt government in its pocket, owned the biggest luxury hotels & casinos in Havana, launching an unprecedented tourism boom complete with the most lavish entertainment, the world's biggest celebrities, the most beautiful women & gambling galore. But their dreams collided with those of Fidel Castro, Che Guevara & others who would lead the country's disenfranchised to overthrow their corrupt government & its foreign partners—an epic cultural battle that English captures in all its sexy, decadent, ugly glory. Bringing together long-buried historical information with English's own research in Havana—including interviews with the era's key survivors—*Havana Nocturne* takes readers back to Cuba in the years when it was a veritable devil's playground for mob leaders. English deftly weaves together the parallel stories of the Havana Mob—featuring notorious criminals such as Santo Trafficante Jr & Albert Anastasia—& Castro's 26th of July Movement in a riveting, up-close look at how the Mob nearly attained its biggest dream in Havana—& how Fidel Castro trumped it all with the revolution.

A re-release of a classic work by the Pulitzer Prize-winning author of *Cold Case Squad* details events from her eighteen years of writing for *The Miami Herald*, from a father who murdered his comatose toddler to a Haitian who was knitted to death in a Hialeah factory. Reprint.

A true crime account of the old-school New York Police Department from the detective who helped catch the Son of Sam and waged a one-man war against the Mafia. In 1978, a gang war erupted in New York City, and the five boroughs ran red with

blood. Men with names like “Matty the Horse” and “Tony Ugly” were found dismembered in garbage dumps, dead on the roadside in the far reaches of the Bronx, or suffocated in the trunks of cars parked at LaGuardia Airport. For years, the New York Police Department hadn’t bothered to investigate Mafia murders, preferring to let the mob handle its own bloody affairs—but that was about to change. The NYPD was going to war with the Cosa Nostra, and Det. Joseph Coffey would lead the charge. A hard-nosed veteran of the force, Detective Coffey took down some of the highest-profile organized-crime associations of the 1970s, from the conspiracy between the Mafia and the Catholic Church known as the Vatican Connection to the homegrown terrorists who called themselves the Black Liberation Army. In 1977, when the city was terrorized by serial killer David Berkowitz, better known as the Son of Sam, Coffey led the NYPD’s nighttime operations as they worked to lure the murderer into a trap. But the war against the mob would be his greatest challenge—one that would take him right into the heart of gritty, dangerous NYC. Cowritten by New York Daily News veteran Jerry Schmetterer, Coffey’s work is crime reporting at its finest. Fans of the two-fisted journalism of Jimmy Breslin and New York stories like *The French Connection* will find *The Coffey Files* has the thunderous intensity of a runaway subway train.
