Dr Wiersbe's Bible Exposition
Commentary of the NT is a superb

writing is supremely readable and

We are called to live a life obedient to God. But what does this look like? And how can we live in a way that's pleasing to Him? The answer is found in faith. Long considered the father of faith, Abraham sets the standard for what it means to be obedient. The book of Genesis holds the remarkable story of Abraham, a man who would give birth to a nation, and make the way for our

"Like a child eating cotton-candy at the circus, many people who expect to bite into something real end up with a mouthful of nothing. They waste priceless years on empty substitutes for reality." Through clever word pictures like this that strike the reader with their simple truth, acclaimed best-selling author and former pastor Warren Wiersbe shares priceless unchanging realities as he opens up the book of I John. Though *Be Real* is originally copyrighted in 1972, Wiersbe's text is enchantingly as timeless as the truths in the Bible itself! His humor is witty, his research is extensive, his historical context is deep, and his commentary is solidly based on the Word of God. In fact, the "Word was with God,

Testament and the Word was God" (John 1:1) is the crux upon which he builds to explain the manifestation of a perfect, holy Supreme Being to this hurting world of finite sinners. Heaven blesses earth and the Divine Creator becomes one of the created in this personal and/or group study that you will not soon forget.

This valuable reference helps believers understand as never before the books of the New Testament and how they fit into the total revelation God has given us of Christ and His redemptive work.
