He also suggested he ask the same of his other writer friends, and Unfettered is the incredible result. Twenty-four tales comprise this superb collection, and as the title suggests, the writers were free to contribute whatever they wished. Yet deep below its bustling halls lies a complex and cavernous maze of abandoned rooms and ancient passageways - and in the heart of it all lives Auri. Formerly a student at the University, now Auri spends her days tending the world around her. She has learned that some mysteries are best left settled and safe.
