A Sunday Times top ten bestseller. Amanda Owen has been seen by millions on ITV's The Dales and Channel 5's Our Yorkshire Farm, living a life that has almost gone in today's modern world, a life ruled by the seasons and her animals. She is a farmer's wife and shepherdess, living alongside her husband Clive and seven children at Ravenseat, a 2000 acre sheep hill farm at the head of Swaledale in North Yorkshire. It's a challenging life but one she loves. In The Yorkshire Shepherdess she describes how the rebellious girl from Huddersfield, who always wanted to be a shepherdess, achieved her dreams. Full of amusing anecdotes and unforgettable characters, the book takes us from fitting in with the locals to fitting in motherhood, from the demands of the livestock to the demands of raising a large family in such a rural backwater. Amanda also evokes the peace of winter, when they can be cut off by snow without electricity or running water, the happiness of spring and the lambing season, and the backbreaking tasks of summertime – haymaking and sheepshearing – inspiring us all to look at the countryside and those who work there with new appreciation.

The Sunday Times Top 10 bestseller by the shepherdess and star of Channel 5's Our Yorkshire Farm. 'With its fizzing energy and celebration of nature and community, this is perfect comfort reading for uncertain times' - Daily Mail
Amanda Owen loves her traditional life on her hill farm alongside her nine children and husband Clive. And, as readers of her previous bestsellers will know, every day at Ravenseat brings surprises. In Adventures of the Yorkshire Shepherdess Amanda takes us from her family's desperate race to save a missing calf to finding her bra has been repurposed as a house martin's nest, and from wild swimming to the brutal winter that almost brought her to her knees. As busy as she is with her family and flock though, an exciting new project soon catches her eye. . . . Ravenseat is a tenant farm and may not stay in the family, so when Amanda discovers a nearby farmhouse up for sale, she knows it is her chance to create roots for her children. The old house needs a lot of renovation and money is tight, so Amanda sets about the work herself, with some help from a travelling monk, a visiting plumber and Clive. It's fair to say things do not go according to plan! Funny, evocative and set in a remote and beautiful landscape, this book will delight anyone who has hankered after a new life in the country.

'Amanda Owen is like a breath of fresh air. Amanda's life is one of old-fashioned values, hard graft and plenty of love. She, like her life, is extraordinary.' - Ben Fogle
As seen on Channel 5's Our Yorkshire Farm. From bestselling author Amanda Owen come more tales of life at Ravenseat, the remote Yorkshire hill farm she shares with husband Clive, eight children and 1,000 sheep. In A Year in the Life of the Yorkshire Shepherdess she describes the age-old cycles of a farming year and the constant challenges the family faces, from being cut off in winter to tending their flock on some of Yorkshire's highest, bleakest moors - land so inaccessible that in places it can only be reached on foot. Writing with her trademark warmth and humour, Amanda takes us into her life as nine-year-old Miles gets his first flock, Reuben takes up the flugelhorn and she gives birth to a new baby girl. She is touched by the epic two-day journey of a mother sheep determined to find her lamb and gives a new home to an ageing and neglected horse. Meanwhile Clive is almost arrested on a midnight stakeout to catch a sheep-worrying dog and becomes the object of affection for a randy young bull. Funny, poignant and charming, A Year in the Life of the Yorkshire Shepherdess is a must for anyone interested in the countryside and those who farm it.

For everyone who loves watching Amanda Owen and her family on Our Yorkshire Farm, or enjoys reading her bestselling books, comes this delightful and uplifting collection of her monthly Dalesman columns. In Tales From the Farm by the Yorkshire Shepherdess Amanda takes readers on an evocative journey to Ravenseat, where she lives with husband Clive and their nine children, not to mention their flock of sheep, herd of cows, hardworking dogs and a formidable chicken called Linda. Covering events in 2019 and 2020, Amanda describes saving the life of a newborn calf on New Year's Eve and watching, mouth agape, as their livestock trailer was swept away by floodwater in March. Son Sidney braves the wrath of Linda and husband Clive crafts an unusual Valentine's Day gift. Eldest daughter Raven leaves the nest, headed for university, while young sheepdog Taff and Tony the Pony arrive at the farm. As Covid-19 sends the country into lockdown, Amanda feels more lucky than ever to live close to nature, finding happiness in the beauty of the Dales and the unchanging routines of the farming year. Illustrated with charming line-drawings throughout, this book is the perfect gift for fans of the Owens family and a chance to catch up on their adventures.

A stunning book from Amanda Owen - shepherdess, wife, mother of nine children, bestselling author and star of C5's Our Yorkshire Farm - that brings her world to life in glorious colour. In Celebrating the Seasons, Amanda shares funny and charming stories about life with her family and their many four-legged charges and describes their activities at Ravenseat, from lambing and shearing to haymaking and feeding the flock in midwinter. Her gorgeous photographs showcase the famous Swaledale landscape she writes about, from the sweeping moors to rare wildflowers and the elusive hares glimpsed in the field. She lives in tune with nature and Amanda's attitude to food is the same. She believes in buying good, seasonal ingredients when it comes to feeding her family and includes her favourite recipes here, from wild garlic lamb with hasselback roast potatoes to rhubarb and custard crumble cake and Yorkshire curd tart. As inspirational as Amanda herself, this book is a beautiful keepsake that will delight everyone who has followed her adventures so far.

From The New York Times bestselling author of The Shepherd's Life, a breathtaking book of photography and wisdom that chronicles an ancient way of living that deeply resonates in our modern world. With over eighty full color photographs The English Lake District comes into full focus: the sheep competitions of the spring, the sweeping pastures of the summer, beloved sheep dogs in the fall and the harsh snows of winter. A celebration of a way of life still very much alive, The Shepherd's View is a poetic, and artistic achievement from one of England's most celebrated new voices.

"A riveting...saga of survival against formidable odds" (Washington Post) about one man who survived a World War II plane crash in Alaska's harsh Yukon territory Shortly before Christmas in 1943, five Army aviators left Alaska's Ladd Field on a routine flight to test their hastily retrofitted B-24 Liberator in harsh winter conditions. The mission ended in a crash that claimed all but one-Leon Crane, a city kid from Philadelphia with no wilderness experience. With little more than a parachute for cover and an old Boy Scout knife in his pocket, Crane now found himself alone in subzero temperatures. Crane knew, as did the Ladd Field crews who searched unsuccessfully for the crash site, that his chance of survival dropped swiftly with each passing day. But Crane did find a way to stay alive in the grip of the Yukon winter for nearly twelve weeks and, amazingly, walked out of the ordeal intact. 81 Days Below Zero recounts, for the first time, the full story of Crane's remarkable saga. In a drama of staggering resolve and moments of phenomenal luck, Crane learned to survive in the Yukon's unforgiving wilds. His is a tale of the capacity to endure extreme conditions, intense loneliness, and flashes of raw terror-and emerge stronger than before.

From the author of Call the Nurse, come new tales of a London nurse working to help and heal a community on a remote Scottish island. Lively, touching, engaging reading for fans of Call the Midwife and All Creatures Great and Small. "Julia MacLeod shares unique and enchanting experiences as a nurse in rural Scotland. Her stories will ring true with every nurse—or anyone—who has ever cared for a family or a community, whether in Scotland or America. Call the Nurse is a delightful read." —LeAnn Thieman, author Chicken Soup for the Nurse's Soul
Mary J. Macleod and her husband left the London area for an idyllic place to raise their young children in the late sixties, and they found the island of Papavray in the Scottish Hebrides. There they bought a croft house on a "small acre" of land, and Mary J. (also known as Julia) became the district nurse. At the age of eighty, she first recounted her family's adventures in her debut, Call the Nurse, where she introduced readers to the austere beauties of the island and the hardy charm and warmth of the islanders. The anecdotes in this new volume take us to the end of her stay on Papavray, after which the MacLeod family left for California. Once again, we meet the crofters Archie, Mary, and Fergie, and other friends. There are stories of troubles, joy, and tragedy, of children lost and found, the cow that wandered into the kitchen, a distraught young mother who strides into the icy surf with her infant child, the ghostly apparition that returns after death to reveal the will in a sewing box. There are accidents and broken bones, twisters that come in from the sea, and acts of simple courage and uncommon generosity. Here again, a nurse's compassion meets Gaelic fortitude in these true tales of a bygone era.
