Background: The term "young adult literature" is inherently amorphous, for its constituent terms "young adult" and "literature" are dynamic, changing as culture and society - which provide their context - change. When the term first found common usage in the late 1960's, it referred to realistic fiction that was set in the real (as opposed to imagined), contemporary world and ...

Contributions by Megan Brown, Jill Coste, Sara K. Day, Rachel Dean-Ruzicka, Rebekah Fitzsimmons, Amber Gray, Roxanne Harde, Tom Jesse, Heidi Jones, Kaylee Jangula Mootz, Leah Phillips, Rachel L. Rickard Rebellino, S. R. Tolver, Jason Vanfosson, Sarah E. Whitney, and Casey Alane Wilson While critical and popular attention afforded to twenty-first-century young adult literature has exponentially increased in recent years, classroom materials and scholarship have remained static in focus and slight in scope. Twilight, The Hunger Games, The Fault in Our Stars, and The Hate U Give overwhelm conversations among scholars and critics-but these are far from the only texts in need of analysis. Beyond the Blockbusters: Themes and Trends in Contemporary Young Adult Fiction offers a necessary remedy to this limiting perspective, bringing together essays about the many subgenres, themes, and character types that have until now been overlooked. The collection tackles a diverse range of topics-modern updates to the marriage plot; fairy tale retellings in dystopian settings; stories of extrajudicial police killings and racial justice. The approaches are united, though, by a commitment to exploring the large-scale generic and theoretical structures at work in each set of texts. As a collection, Beyond the Blockbusters is an exciting entryway into a field that continues to grow and change even as its works captivate massive audiences. It will prove a crucial addition to the library of any scholar or instructor of young adult literature.

As her irritating family prepares to celebrate her grandfather's eightieth birthday, sixteen-year-old Lily yearns for just one whole perfect day together.

This book provides classroom approaches to analysis of themes in young adult literature reflecting an array of relationships with self and the world with which adolescents engage daily. These themes include self-discovery, self-perception, differentiating between right and wrong, and making difficult choices complicated by issues of social justice.

Why is the magical world so mighty and alluring? How does it cast such a powerful spell over readers? Explore the themes and elements found in young adult fantasy fiction novels and series including Eragon, the Lord of the Rings, Harry Potter, Percy Jackson, Narnia, and more. Developed by Timothy Rasinski and Lori Oczkus, and featuring TIME content, this book builds reading skills and includes essential text features like an index, captions, glossary, and table of contents. The detailed sidebars, fascinating images, and Dig Deeper section prompt students to connect back to the text and encourage multiple readings. Check It Out! includes suggested resources for further reading. Aligned with state standards, this title features complex content appropriate for students preparing for college and career readiness.

Young Adult literature, from The Outsiders to Harry Potter, has helped shape the cultural landscape for adolescents perhaps more than any other form of consumable media in the twentieth and twenty-first century. With the rise of mega blockbuster films based on these books in recent years, the young adult genre is being co-opted by curious adult readers and by Hollywood producers. However, while the genre may be getting more readers than ever before, Young Adult literature remains exclusionary and problematic: few titles feature historically marginalized individuals, the books present heteronormative perspectives, and gender stereotypes continue to persist. Taking a critical approach, Young Adult Literature: Challenging Genres offers educators, youth librarians, and students a set of strategies for unpacking, challenging, and transforming the assumptions of some of the genre's most popular titles. Pushing the genre forward, Antero Garcia builds on his experiences as a former high school teacher to offer strategies for integrating Young Adult literature in a contemporary critical pedagogy through the use of participatory media.

Break into the Bestselling Young Adult Market with this IndispensableGuide! This book advocates for a stronger role for young-adult literature in ELA classrooms, compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks.

Examines the life and works of the young adult fiction author, discussing the themes and characters found in his works.

For readers of Girl in Pieces and The Way I Used to Be comes an emotionally gripping story about facing hard truths in the aftermath of sexual assault. Mara and Owen are as close as twins can get, so when Mara's friend Hannah accuses Owen of rape, Mara doesn't know what to think. Can her brother really be guilty of such a violent act? Torn between her family and her sense of right and wrong, Mara feels lost, and it doesn't help that things are strained with her ex-girlfriend, Charlie. As Mara, Hannah, and Charlie come together in the aftermath of this terrible crime, Mara must face a trauma from her own past and decide where Charlie fits into her future. With sensitivity and openness, this timely novel confronts the difficult questions surrounding consent, victim blaming, and sexual assault.
