checks and quizzes, group techniques, and examples of cases with open-ended alternatives for group counseling practice. New to the 9th Edition are mini-interviews with experts for each of the theories, who address these questions: (1) What attracted you to this particular theoretical orientation? How does the theory fit for the person you are? (2) What are some key concepts (and techniques) of this theory that are most applicable to the practice of group counseling? (3) How does this theory have particular relevance for addressing diversity and social justice

issues in group work?

Drawing on their extensive clinical experience in working with groups, Marianne, Gerald, and Cindy Corey provide a realistic approach to the blending of theory with practice in group work. Offering up-to-date coverage of both the what is and the how to of group counseling, the tenth edition incorporates the latest research, ethical guidelines, and practices to ensure student success in the classroom and beyond. The authors revised the book with instructors and students in mind, emphasizing personal and

More than a recipe book of techniques that group

Read PDF Theory Practice Group Counseling Gerald

leaders can pull out at the right time, this book encourages readers to use techniques sensitively and creatively in their own groups, and to go one step further to invent their own techniques. The authors draw on their combined experiences as teachers, as consultants to mental-health professionals, and as private practitioners to provide a realistic approach to group work. Emphasizing that techniques are means, not ends, the book is designed to enhance the group leader's ability to generate a therapeutic and human rapport between leader and members. Important
