Thomas Cromwell is one of the most famous - or notorious - figures in English history. Born in obscurity in Putney, he became a fixer for Cardinal Wolsey in the 1520s. After Wolsey's fall, Henry VIII promoted him to a series of ever greater offices, such that in the 1530s he was effectively running the country for the King.

Thomas Cromwell: A Life by Diarmaid MacCulloch

Early life. Thomas Cromwell was born around 1485, in Putney, Surrey, the son of Walter Cromwell, a blackmith, fuller and cloth merchant, and owner of both a hostelry and a brewery.As a successful tradesman, Walter was regularly called upon for jury service and was elected Constable of Putney in 1495. Some think Walter Cromwell to have been of Irish ancestry.

Thomas Cromwell - Wikipedia

Thomas Cromwell was born, about 1485, the son of an upwardly mobile yeoman who settled in Putney outside London as a brewer and tavern-keeper. These low origins and years in Europe as a young adult shaped both Thomas and his career.

Thomas Cromwell: A Life by Diarmaid MacCulloch review ...

There is a difficulty in ever writing Cromwell's life story properly. His papers survive in abundance, thanks to a political accident: at his arrest they were seized from his filing system, and have stayed in government hands ever since - but they amount to the contents of his in-tray, rather than letters he wrote himself.

The Truth About Thomas Cromwell: Was He Really A Scheming ...

Oliver Cromwell (1599 - 1658), Lord Protector of England. Oliver Cromwell, Lord Protector of England, was executed on 30th January 1661 - two and half years AFTER his death... Early life. Oliver Cromwell was born in Huntingdon, a small town near Cambridge, on 25 April 1599 to Robert Cromwell and his wife Elizabeth, daughter of William Steward.

The Life of Oliver Cromwell - Historic UK

Before entering Wolsey's service, Cromwell lived an adventurous life. His father had been a brewer and blacksmith known for permanent drunkenness and illegal activities. From this inauspicious beginning, his son went on to indulge his curiosity and practical nature by traveling through Europe.

Thomas Cromwell

The long-awaited biography of the genius who masterminded Henry VIII’s bloody revolution in the English government, which reveals at last Cromwell’s role in the downfall of Anne Boleyn "This a book that - and it's not often you can say this - we have been awaiting for four hundred years." --Hilary Mantel, author of Wolf Hall Since the sixteenth century we have been fascinated by Henry VIII and the man who stood beside him, guiding him, enriching him, and enduring the king's insatiable appetites and violent outbursts until Henry ordered his beheading in July 1540. After a decade of sleuthing in the royal archives, Diarmaid MacCulloch has emerged with a tantalizing new understanding of Henry's mercurial chief minister, the inscrutable and utterly compelling Thomas Cromwell. History has not been kind to the son of a Putney brewer who became the architect of England's split with Rome. Where past biographies portrayed him as a scheming operator with blood on his hands, Hilary Mantel reimagined him as a far more sympathetic figure buffered by the whims of his master. So which was he--the villain of history or the victim of her creation? MacCulloch sifted through letters and court records for answers and found Cromwell's fingerprints on some of the most transformative decisions of Henry's turbulent reign. But he also found Cromwell the man, an administrative genius, rescuing him from myth and slander. The real Cromwell was a deeply loving father who took his biggest risks to secure the future of his son, Gregory. He was also a man of faith and a quiet revolutionary. In the end, he could not appease or control the man whose humors were so violent and unpredictable. But he made his mark on England, setting her on the path to religious awakening and indelibly transforming the system of government of the English-speaking world.

The long-awaited biography of the genius who masterminded Henry VIII's bloody revolution in the English government, which reveals at last Cromwell's role in the downfall of Anne Boleyn "This a book that - and it's not often you can say this - we have been awaiting for four hundred years." --Hilary Mantel, author of Wolf Hall Since the sixteenth century we have been fascinated by Henry VIII and the man who stood beside him, guiding him, enriching him, and enduring the king's insatiable appetites and violent outbursts until Henry ordered his beheading in July 1540. A SUNDAY TIMES, THE TIMES, DAILY TELEGRAPH, SPECTATOR, FINANCIAL TIMES, GUARDIAN, BBC HISTORY BOOK OF THE YEAR "This is the biography we have been awaiting for 400 years' Hilary Mantel 'A masterpiece' Dan Jones, Sunday Times Thomas Cromwell is one of the most famous - or notorious - figures in English history. Born in obscurity in Putney, he became a fixer for Cardinal Wolsey in the 1520s. After Wolsey's fall, Henry VIII promoted him to a series of ever greater offices, and by the end of the 1530s he was effectively running the country for the King. That decade was one of the most momentous in English history: it saw a religious break with the Pope, unprecedented use of parliament, the dissolution of all monasteries. Cromwell was central to all this, but establishing his role with precision, at a distance of nearly five centuries and after the destruction of many of his papers at his own fall, has been notoriously difficult. Diarmaid MacCulloch's biography is much the most complete and persuasive life ever written of this elusive figure, a masterclass in historical detective work, making connections not previously seen. It overturns many received interpretations, for example that Cromwell was a cynical, 'secular' politician without deep-felt religious commitment, or that he and Anne Boleyn were allies because of their common religious sympathies - in fact he destroyed her. It introduces the many different personalities of these foundational years, all conscious of the 'terrifyingly unpredictable' Henry VIII. MacCulloch allows readers to feel that they are immersed in all this, that it is going on around them. For a time, the self-made 'ruffian' (as he described himself) - ruthless, adept in the exercise of power, quietly determined in religious revolution - was master of events. MacCulloch's biography for the first time reveals his true place in the making of modern England and Ireland, for good and ill.

"An exceptional and compelling biography about one of the Tudor Age's most complex and controversial figures." --Alison Weir Thomas Cromwell has long been reviled as a Machiavellian schemer who stopped at nothing in his quest for power. As King Henry VIII's right-hand man, Cromwell was the architect of the English Reformation; secured Henry's divorce from Catherine of Aragon and plotted the downfall of his second wife, Anne Boleyn; and was fatally accused of trying to usurp the king himself. In this engrossing biography, acclaimed British historian Tracy Borman reveals a different side to one of history's most notorious characters: that of a caring husband and father, a fiercely loyal servant and friend, and a revolutionary who was key in transforming medieval England into a modern state. Thomas Cromwell was at the heart of the most momentous events of his time—from funding the translation and dissemination of the first vernacular Bible to legitimizing Anne Boleyn as queen—and wielded immense power over both church and state. The impact of his seismic political, religious, and social reforms can still be felt today. Grounded in excellent primary source research, Thomas Cromwell gives an inside look at a monarchy that has captured the Western imagination for centuries and tells the story of a controversial and enigmatic man who forever changed the shape of his country. "An intelligent, sympathetic, and well researched biography." —The Wall Street Journal "Borman unravels the story of Cromwell's rise to power skillfully. . . . If you want the inside story of Thomas Cromwell . . . this is the book for you." —The Weekly Standard "An engrossing biography. . . . A fine rags-to-riches-to-executioner's-block story of a major figure of the English Reformation." —Kirkus Reviews "An insightful biography of a much-maligned historical figure." —Booklist

In the ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king's freedom destroys his adviser, the brilliant Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death.

The brilliant #1 New York Times best-seller Named a best book of 2020 by The New York Times, The Washington Post, TIME, The Guardian, and many more With The Mirror & the Light, Hilary Mantel brings to a triumphant close the trilogy she began with her peerless, Booker Prize-winning novels, Wolf Hall and Bring Up the Bodies. She traces the final years of Thomas Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between present and past, between royal will and a common man’s vision: of a modern nation making itself through conflict, passion and courage. The story begins in May 1536: Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Cromwell breakfasts with the victors. The blacksmith’s son from Putney emerges from the spring’s bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell, a man with only his wits to rely on, has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry’s regime to the breaking point, Cromwell’s robust imagination sees a new country in the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune’s wheel turns, Cromwell’s enemies are gathering in the shadows. The inevitable question remains: how long can anyone survive under Henry’s cruel and capricious gaze? Eagerly awaited and eight years in the making, The Mirror & the Light completes Cromwell’s journey from self-made man to one of the most feared, influential figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a husband and a father, a man who both defied and defined his age.

How much does the Thomas Cromwell of popular novels and television series resemble the real Cromwell? This meticulous study of Cromwell’s early political career expands and revises what has been understood concerning the life and talents of Henry VIII’s chief minister. Michael Everett provides a new and enlightening account of Cromwell’s rise to power, his influence on the king, his role in the Reformation, and his impact on the future of the nation. Controversially, Everett depicts Cromwell not as the fervent evangelical, Machiavellian politician, or the revolutionary administrator that earlier historians have perceived. Instead he reveals Cromwell as a highly capable and efficient servant of the Crown, rising to power not by masterminding Henry VIII’s split with Rome but rather by dint of exceptional skills as an administrator.

Winner of the 2012 Man Booker Prize Winner of the 2012 Costa Book of the Year Award The sequel to Hilary Mantel’s 2009 Man Booker Prize winner and New York Times bestseller, Wolf Hall delves into the heart of Tudor history with the downfall of Anne Boleyn Though he battled for seven years to marry her, Henry is disenchanted with Anne Boleyn. She has failed to give him a son and her sharp intelligence and audacious will alienate his old friends and the noble families of England. When the discarded Katherine dies in exile from the court, Anne stands starkly exposed, the focus of gossip and malice. At a word from Henry, Thomas Cromwell is ready to bring her down. Over three terrifying weeks, Anne is ensnared in a web of conspiracy, while the demure Jane Seymour stands waiting her turn for the poisoned wedding ring. But Anne and her powerful family will not yield without a ferocious struggle. Hilary Mantel's Bring Up the Bodies follows the dramatic trial of the queen and her suitors for adultery and treason. To defeat the Boleyns, Cromwell must ally with his natural enemies, the papist aristocracy. What price will he pay for Anne's head? Bring Up the Bodies is one of The New York Times' 10 Best Books of 2012, one of Publishers Weekly's Top 10 Best Books of 2012 and one of The Washington Post's 10 Best Books of 2012

Thomas Cromwell rose from very humble beginnings to become Henry VIII's chief minister, his right-hand man during the English Reformation. He wielded enormous power while he retained the king's favour, but the failure of Henry's marriage to Anne of Cleves, which Cromwell had arranged, led to his swift downfall and execution. John Schofield's biography reveals that the popular image of him as a blood-stained henchman is largely fictional. Detailed research into contemporary sources illuminates his brilliant mind and his love for and patronage of the arts and humanities, while short case studies shed new light on his relations with, and his reputation among, Henry VIII's subjects. The final part narrates the drama of his downfall, and the king's posthumous exoneration of the 'most faithful servant he ever had.'

"Compelling...A masterly feat...A magnificent, sweeping, authoritative, warm yet yrt history." --The Wall Street Journal in this fascinating and intimate portrait of the Stuarts, author Allan Massie takes us deep into one of history's bloodiest and most tumultuous reigns. Exploring the family's lineage from the first Stuart king to the last, The Royal Stuarts is a panoramic history of the family that acted as a major player in the Scottish Wars of Independence, the Union of the Crowns, the English Civil War, the Restoration, and more. Drawing on the accounts of historians past and present, novels, and plays, this is the complete story of the Stuart family, documenting their path from the salt marshes of Brittany to the thrones of Scotland and England and eventually to exile. The Royal Stuarts brings to life figures like Mary, Queens of Scots, Charles I, and Bonnie Prince Charlie, uncovering a family of strong affections and fierce rivalries. Told with panache, this is the gripping true story of backstabbing, betrayal, and ambition gone awry.
