The follow-up to Torey Hayden's 1990 book One Child, this true story chronicles a now teenage Sheila, as she's reintroduced into Hayden's life after Torey's efforts to locate her. What follows is a reality check for Hayden, as she realizes that the fairy tale storyline she may have imagined of how Sheila's life would be positively impacted by their past close relationship as teacher and student, isn't playing out quite the way she'd hoped.

While out walking, Sambo encounters four hungry tigers, and surrenders his colourful new clothes, shoes and umbrella so that they will not eat him. The tigers are vain and each thinks that he is better dressed than the others. They have a massive argument and chase each other around a tree until they are reduced to a pool of ghee (clarified butter). Sambo then recovers his clothes and collects the ghee, which his mother uses to make pancakes.

Special-education teacher Torey Hayden's first book, One Child, was an international bestseller, thrilling readers on every continent. Their hearts were captured by Sheila, a silent, troubled girl who had been abandoned on a highway by her mother and abused by her alcoholic father, and who refused to speak. As Hayden writes in the prologue to this book, "This little girl had a profound effect on me. Her courage, her resilience, and her inadvertent ability to express that great, gaping need to be loved that we all feel -- in short, her humanness -- brought me into contact with my own." Since then Hayden has gone on to write books about many of her students, but her fans continue to ask her, "What happened to Sheila?" The Tiger's Child is her response. Here Hayden tells how Sheila, now a young woman, finally came to terms with her nightmare childhood. When Hayden was working on One Child, she showed the manuscript to Sheila, then a teenager, and was astonished to find that Sheila remembered almost nothing of her troubled younger years. She had no recollection of her many clashes with her teacher as Hayden tried to break through her emotional pain. And although Hayden had managed to get Sheila to communicate and become an active and lively child, Sheila's home life was still very troubled. Her father had been sent to prison when she was eight and Sheila had run away from a series of foster homes until finally she was placed in a children's home. But as Hayden continued to renew her relationship with the teenage Sheila, the memories slowly came back, bringing with them feelings of abandonment and hostility. Overwhelmed by the intensity of her awakening emotions, Sheila was driven to suicidal despair. The Tiger's Child is the touching, inspiring story of how a maturing Sheila came to perceive her mother not as a monster who willfully cast off her eldest child, but as a weak, forlorn, ordinary human being. Able to appreciate her own strength and resilience, Sheila at last is free to overcome the haunting legacy of child abuse.

What ever became of Sheila? When special-education teacher Torey Hayden wrote her first book One Child almost two decades ago, she created an international bestseller. Her intensely moving true story of Sheila, a silent, profoundly disturbed little six-year-old girl touched millions. From every corner of the world came letters from readers wanting to know more about the troubled child who had come into Torey Hayden's class as a "hopeless case," and emerged as the very symbol of eternal hope within the human spirit. Now, for all those who have never forgotten this endearing child and her remarkable relationship with her teacher, here is the surprising story of Sheila, the young woman.

Finally, a beginning . . . The time had finally come. The time I had been waiting for through all these long months that I knew sooner or later had to occur. Now it was here. She had surprised me so much by actually crying that for a moment I did nothing but look at her. Then I gathered her into my arms, hugging her tightly. She clutched onto my shirt so that I could feel the dull pain of her fingers digging into my skin. She cried and cried and cried. I held her and rocked the chair back and on its rear legs, feeling my arms and chest get damp from the tears and her hot breath and the smallness of the room.

NATIONAL BOOK AWARD FINALIST • NEW YORK TIMES BESTSELLER • "Spectacular . . . [Téa Obreht] spins a tale of such marvel and magic in a literary voice so enchanting that the mesmerized reader wants her never to stop."—Entertainment Weekly Look for Téa Obreht's second novel, Inland, now available. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Michiko Kakutani, The New York Times • Entertainment Weekly • The Christian Science Monitor • The Kansas City Star • Library Journal Weaving a brilliant latticework of family legend, loss, and love, Téa Obreht, the youngest of The New Yorker's twenty best American fiction writers under forty, has spun a timeless novel that will establish her as one of the most vibrant, original authors of her generation. In a Balkan country mending from war, Natalia, a young doctor, is compelled to unravel the mysterious circumstances surrounding her beloved grandfather's recent death. Searching for clues, she turns to his worn copy of The Jungle Book and the stories he told her of his encounters over the years with "the deathless man." But most extraordinary of all is the story her grandfather never told her—the legend of the tiger's wife. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • O: The Oprah Magazine • The Economist • Vogue • Slate • Chicago Tribune • The Seattle Times • Dayton Daily News • Publishers Weekly • Alan Cheuse, NPR's All Things Considered "Stunning . . . a richly textured and searing novel."—Michiko Kakutani, The New York Times "[Obreht] has a talent for subtle plotting that eludes most writers twice her age, and her descriptive powers suggest a kind of channeled genius. . . . No novel [this year] has been more satisfying."—The Wall Street Journal "Filled with astonishing immediacy and presence, fleshed out with detail that seems firsthand, The Tiger's Wife is all the more remarkable for being the product not of observation but of imagination."—The New York Times Book Review "That The Tiger's Wife never slips entirely into magical realism is part of its magic. . . . Its graceful commingling of contemporary realism and village legend seems even more absorbing."—The Washington Post

One of NPR's Best Books of the Year From the author of Nothing to Declare, a moving travel narrative examining healing, redemption, and what it means to be a solo woman on the road. In February 2008, a casual afternoon of ice skating derailed the trip of a lifetime. Mary Morris was on the verge of a well-earned sabbatical, but instead she endured three months in a wheelchair, two surgeries, and extensive rehabilitation. One morning, when she was supposed to be in Morocco, Morris was lying on the sofa reading Death in Venice, casting her eyes over these words again and again: "He would go on a journey. Not far. Not all the way to the tigers." Disaster shifted to possibility and Morris made a decision. When she was well enough to walk again, she would go "all the way to the tigers." So begins a three-year odyssey that takes Morris to India on a tiger safari in search of the world's most elusive apex predator. Written in over a hundred short chapters accompanied by the author's photographs, this travel memoir offers an elegiac, wry, and wise look at a woman on the road and the glorious, elusive creature she seeks.
