Shortlisted for the 2014 Miles Franklin Literary Award An exhilarating new book from Australia's most acclaimed writer Tim Winton is Australia's most decorated and beloved literary novelist. Short-listed twice for the Booker Prize and the winner of a record four Miles Franklin Awards for Best Australian Novel, he has a gift for language virtually unrivaled among English-language novelists. His work is both tough and tender, primordial and new—always revealing the raw, instinctual drives that lure us together and rend us apart. In *Eyrie*, Winton crafts the story of Tom Keely, a man struggling to accomplish good in an utterly fallen world. Once an ambitious, altruistic environmentalist, Keely now finds himself broke, embroiled in scandal, and struggling to piece together some semblance of a life. From the heights of his urban high-rise apartment, he surveys the wreckage of his life and the world he's tumbled out of love with. Just before he descends completely into pills and sorrow, a woman from his past and her preternatural child appear, perched on the edge of disaster, desperate for help. When you're fighting to keep your head above water, how can you save someone else from drowning? As Keely slips into a nightmarish world of con artists, drug dealers, petty violence, and extortion, Winton confronts the cost of benevolence and creates a landscape of uncertainty. *Eyrie* is a thrilling and vertigo-inducing morality tale, at once brutal and lyrical, from one of our finest storytellers.

Tim Winton's characters are ordinary people who battle to maintain loyalty against all odds; women, children, men whose relationships strain under pressure and leave them bewildered, hoping, sometimes fleeing, but often finding strength in forgotten parts of themselves. 'Like Hemingway, Winton writes prose in which you can hear the thumping of the heart of the long-distance swimmer, or the rasping heaving breath of the asthmatic.' Times on Sunday 'A poignant collection of spare, understated tales about ordinary people battling to preserve the relationships they treasure in the face of many troubles.' Cleo 'Shows more clearly than anybody ever has how catastrophe, suffering and love can survive together in one little room.' Los Angeles Times

An exploration of marriage and the rich relationship that can exist between father and daughter, *The Riders* is a gorgeously wrought novel from the award-winning author Tim Winton. After traveling through Europe for two years, Scully and his wife Jennifer wind up in Ireland, and on a mystical whim of Jennifer's, buy an old farmhouse which stands in the shadow of a castle. While Scully spends weeks alone renovating the old house, Jennifer returns to Australia to liquidate their assets. When Scully arrives at Shannon Airport to pick up Jennifer and their seven-year-old daughter, Billie, it is Billie who emerges—alone. There is no note, no explanation, not so much as a word from Jennifer, and the shock has left Billie speechless. In that instant, Scully's life falls to pieces. *The Riders* is a superbly written and a darkly haunting story of a lovesick man in a vain search for a

vanished woman. It is a powerfully accurate account of marriage today, of the demons that trouble relationships, of resurrection found in the will to keep going, in the refusal to hold on, to stand still. *The Riders* is also a moving story about the relationship between a loving man and his tough, bright daughter.

Winner of The Miles Franklin Literary Award, The Christina Stead Award, WA Premier's Book of the Year, Book Data/ABA Book of the Year Award, Goodreading Award-Readers Choice Book of the Year Set in the dramatic landscape of Western Australia, *Dirt Music* tells the story of Luther Fox, a broken man who makes his living as an illegal fisherman—a shamateur. Before everyone in his family was killed in a freak rollover, Fox grew melons and counted stars and loved playing his guitar. Now, his life has become a "project of forgetting." Not until he meets Georgie Jutland, the wife of White Point's most prosperous fisherman, does Fox begin to dream again and hear the dirt music—"anything you can play on a verandah or porch," he tells Georgie, "without electricity." Like the beat of a barren heart, nature is never silent. Ambitious and perfectly calibrated, *Dirt Music* resonates with suspense, emotion, and timeless truths.

Winner of the Miles Franklin Award and recognised as one of the greatest works of Australian literature, *Cloudstreet* is Tim Winton's sprawling, comic epic about luck and love, fortitude and forgiveness, and the magic of the everyday. 'This is that rare book, a novel of both heart and intellect. It pulses with a sense of wonder and

shines with the clear light of truth.' Robert Drewe After two separate catastrophes, two very different families leave the country for the bright lights of Perth. The Lambs are industrious, united and - until God seems to turn his back on their boy Fish - religious. The Pickleses are gamblers, boozers, fractious, and unlikely landlords. Chance, hardship and the war force them to swallow their dignity and share a great, breathing, shuddering joint called Cloudstreet. Over the next twenty years they struggle and strive, laugh and curse, come apart and pull together under the same roof, and try as they can to make their lives. 'One of the great masterpieces of world fiction.' Philip Hensher 'If you have not read Cloudstreet, your life is diminished . . . if you have not met these characters, this generous community, these tragedies, the humour. It is so wonderful.' Mem Fox

"A generous watery epic...Winton is just one of the best." --Independent Cloudstreet -- a broken-down house of former glories on the wrong side of the tracks, a place teeming with memoires of its own, a place of shudders and shadows and spirits. From separate catastrophes, two families flee to the city and find themselves sharing this great sighing structure and beginning their lives again from scratch. Together they roister and rankle in a house that begins as a roof over their heads and becomes a home for their hearts. In this fresh, funny novel, full of wonder and dreams, Tim Winton weaves the threads of lifetimes, of twenty years of shouting and fighting, laughing and grafting, into a story about acceptance and belonging.

Tim Winton's classic novella about the insidious grip of fear. In the Winter Dark is spellbinding. Night falls. In a lonely valley called the Sink, four people prepare for a quiet evening. Then in his orchard, Murray Jacob sees a moving shadow. Across the swamp, his neighbour Ronnie watches her lover leave and feels her baby roll inside her. And on the verandah of the Stubbses' house, a small dog is torn screaming from its leash by something unseen. Nothing will ever be the same again. 'Hair-raising vision . . . the pulse quickens, the spine chills.' Weekend Australian 'A brooding story . . . tense and intense, at once a suspense thriller and a moral fable of a creature flung up from the deepest recesses of the mind . . . Like black glass, the novel throws back reflections of our own image.' The Age 'This is Winton at his most disciplined, most distilled - it's an unforgettable story, told with the simplicity that only a consummate artist can achieve.' Sun Herald 'You won't be able to put it down.' The Advertiser (Adelaide)
