Jack Ryan Jr. finds that the scars of war can last a lifetime in the latest entry in Tom Clancy's #1 New York Times bestselling series. Twenty-six years ago, Dr. Cathy Ryan restored the eyesight of a young Bosnian girl who had been injured during an attack in the Bosnian War. Today, her son Jack Ryan Jr. has agreed to track down the young woman and deliver a letter from his mother. What he finds shocks them both. The helpless child has grown into a remarkable woman. Aida Curic is a self-possessed beauty with a big heart and an even bigger secret who runs a controversial refugee agency near Sarajevo. Jack finds himself deeply drawn to both her and her country, but soon finds himself in the crosshairs of the seething ethnic tensions and ancient blood feuds of the Balkans, the region of Europe where empires go to die. If Jack can't navigate the world of secret service agencies, special operators and local mafias to save Aida, Sarajevo will prove to be the fuse that lights the next world war.

Jack Ryan, Jr.'s race to stop an international criminal conspiracy is intertwined with the fate of an old friend in this blistering entry in the #1 New York Times bestselling series. The CIA's deepest secrets are being given away for a larger agenda that will undermine the entire Western intelligence community. Director of National Intelligence Mary Pat Foley wants it stopped but doesn't know who, how or why. Jack Ryan, Jr., is dispatched to Poland on a different mission. The clues are thin, and the sketchy trail dead ends in a harrowing fight from which he barely escapes with his life. If that's not bad enough, Jack gets more tragic news. An old friend, who's dying from cancer, has one final request for Jack. It seems simple enough, but before it's done, Jack will find himself alone, his life hanging by a thread. If he survives, he'll be one step closer to finding the shadowy figure behind the CIA leak and its true purpose, but in the process, he'll challenge the world's most dangerous criminal syndicate with devastating consequences.

Jack Ryan, Jr., will do anything for a friend, but this favor will be paid for in blood in the latest electric entry in the #1 New York Times

bestselling series. Jack Ryan, Jr. would do anything for Ding Chavez. That's why Jack is currently sitting in an open-air market in Israel, helping a CIA team with a simple job. The man running the mission, Peter Beltz, is an old friend from Ding's Army days. Ding hadn't seen his friend since Peter's transfer to the CIA eighteen months prior, and intended to use the assignment to reconnect. Unfortunately, Ding had to cancel at the last minute and asked Jack to take his place. It's a cushy assignment--a trip to Israel in exchange for a couple hours of easy work, but Jack could use the downtime after his last operation. Jack is here merely as an observer, but when he hastens to help a woman and her young son, he finds himself the target of trained killers. Alone and outgunned, Jack will have to use all his skills to protect the life of the child.
