book provides examples of practical classroom activities.

Dr Bhimrao Ramji Ambedkar (1891-1956) is both the towering symbol of protest against age-old and contemporary forms of exploitation in India and a scholar-sage proposing fair terms of social association. An untouchable himself, he led a resolute and adroit struggle against untouchability and attempted to reformulate the terms of nationalist discourse in India. This selection draws from his major works, speeches, letters and memoranda.

## Where To Download Understanding Ambedkar 1st Edition

“What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India.” —Anand Teltumbde, author of *The Persistence of Caste* B.R. Ambedkar’s *Annihilation of Caste* is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world’s best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of *Annihilation of Caste* in “The Doctor and the Saint,” examining the persistence of caste in

## Where To Download Understanding Ambedkar 1st Edition

modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi's political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar's emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar's anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

B.R. Ambedkar, the architect of India's constitution, and M.K. Gandhi, the Indian nationalist, two figures whose thought and

## Where To Download Understanding Ambedkar 1st Edition

legacies have most strongly shaped the contours of Indian democracy, are typically considered antagonists who held irreconcilable views on empire, politics, and society. As such, they are rarely studied together. This book reassesses their complex relationship, focusing on their shared commitment to equality and justice, which for them was inseparable from anticolonial struggles for sovereignty. Both men inherited the concept of equality from Western humanism, but their ideas mark a radical turn in humanist conceptions of politics. This study recovers the philosophical foundations of their thought in Indian and Western traditions, religious and secular alike. Attending to moments of difficulty in their conceptions of justice and their languages of nonviolence, it probes the nature of risk that radical democracy's desire for inclusion

## Where To Download Understanding Ambedkar 1st Edition

opens within modern political thought. In excavating Ambedkar and Gandhi's intellectual kinship, *Radical Equality* allows them to shed light on each other, even as it places them within a global constellation of moral and political visions. The story of their struggle against inequality, violence, and empire thus transcends national boundaries and unfolds within a universal history of citizenship and dissent.

This book revisits the philosophy of B.R Ambedkar in the context of the present socio-economic-political realities of India. It examines the philosophical and theoretical interventions of Ambedkar, as well as his egalitarian principles of equality, liberty, fraternity and morality. Noting

## Where To Download Understanding Ambedkar 1st Edition

the current shift in state policy from welfarism to neoliberalism, the book argues that the measures, interventions and recommendations that Ambedkar made are highly appropriate and concrete to face challenges and can be considered as practical solutions to existing problems. It studies various themes that form a part of his oeuvre such as Buddhism, federalism, justice, social exclusion, representation, anti-caste system, women's equality, among others. It also discusses his impact on literature, visual arts, and literary, democratic and cultural movements throughout history. The volume positions Ambedkar as a theoretician, social reformer, and a real visionary of social justice and democratization. It will be of great interest to scholars and researchers of social exclusion, politics, especially Indian

political thought, sociology and South Asian studies.

Selected from previously published multi-volume work titled: Dr. Babasaheb Ambedkar, writings and speeches.

This important book traces the history of the Dalit movement from its beginning in the 19th century to the death of its most famous leader, B.R. Ambedkar, in 1956. Focusing on three states—Andhra, Maharashtra and Karnataka—Dr Omvedt analyses the ideology and organization of the movement and its interaction both with the freedom struggle (particularly with Gandhi and Gandhism) and the `class` struggles of the workers and peasants (and their dominant ideology-Marxism). She also provides a historical account of the origin and
