Understanding Canadian Business Ninth edition remains current featuring the latest business practices and other developments affecting business including sustainability, motivation myths, Generation Z, green, ethnic, and mobile marketing. Nickels remains comprehensive and user-friendly with the authors listening to student and instructor feedback and making changes and enhancements based upon many of the recommendations. The author team have used their own materials, and are dialed into what's happening in business and in the classroom, and right now, what's happening, is "change". The message "no more business as usual" is one that resonates in Nickels 9e in the content and in the way in which technology is being integrated.

Presents an introduction to business market for several editions for three reasons: the commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience, we listen to our customers, and the quality of our supplements package.

The primary goal of Hird continues to be to familiarize students with fundamental economic principles, providing the basic tools necessary to analyze most economic issues. The author chooses fewer topics than most other introductory texts, but he delves more deeply into them and emphasizes an applied approach with interactive exercises. Solid pedagogy and a lucid writing style help students appreciate the impact of economics on their lives.

This essential and highly acclaimed guide, now updated and revised in its eighth edition, explains the business of the British music industry. Drawing on her extensive experience as a media lawyer, Ann Harrison offers a unique, expert opinion on the deals, the contracts and the business as a whole. She examines in detail the changing face of the music industry and provides absorbing and up-to-date case studies. Whether you're a recording artist, songwriter, music business manager, industry executive, publisher, journalist, media student, accountant or lawyer, this practical and comprehensive guide is indispensable reading. Fully revised and updated. Includes: · The current types of record and publishing deals, and what you can expect to see in the contracts · A guide to making a record, manufacture, distribution, branding, marketing, merchandising, sponsorship, band arrangements and touring · Information on music streaming, digital downloads and piracy · The most up-to-date insights on how the COVID-19 crisis has affected marketing · An in-depth look at copyright law and related rights · Case studies illustrating key developments and legal jargon explained.

Who's Who in Canadian Business, now in its 21st year, is a comprehensive and independent guide to Canada's business elite. Listing over 5,000 corporate and entrepreneurial leaders, each with a detailed biography and contact information, this directory is an excellent resource for anyone needing information on Canada's business world. Biographies include such information as current employment, address, education, career history, publications, favourite charities, and honours. Those listed are included because of the positions they hold in Canadian business and industry, or because of the contributions they have made to business in Canada. The directory is updated annually; new and updated biographies are marked for easy reference. All biographies are indexed by company name. Included in this edition is the PROFIT 100 / Next 100 listing of Canada's fastest-growing companies, as well as a list of professional associations, each with full address, contact names, and a brief description.

This best-selling text moves from broad, general perspectives to focused coverage of specific business functions. A variety of boxes, vignettes and quotes work together to draw students dynamically into the real world of contemporary business.
