Writers and editors of Spanish have long needed an authoritative guide to written language usage, similar to The MLA Style Manual and The Chicago Manual of Style. And here it is! This reference guide provides comprehensive information on how the Spanish language is copyedited for publication. The book covers these major areas: Language basics: capitalization, word division, spelling, and punctuation. Language conventions: abbreviations, professional and personal titles, names of organizations, and nationalities. Bibliographic format, particularly how Spanish differs from English. Spanish language forms of classical authors' names. Literary and grammatical terminology. Linguistic terminology. Biblical names and allusions. A dictionary of grammatical doubts, including usage, grammatical constructions of particular words and phrases, verbal irregularities, and gender variations.

The first guide to show you how to power your site using Umbraco. More companies are turning to the power and simplicity of Umbraco's web content management system to build robust, customized sites. Written by leaders in the Umbraco community, this invaluable guide takes you through every aspect of this open source tool. Code samples using XHTML, CSS, XSLT, and C# are integrated throughout the pages to illustrate key concepts that you can apply. As you work through the chapters, you'll progress from building a basic Umbraco site to a sophisticated one that meets the needs of your organization. Umbraco User's Guide: Explains how to install Umbraco and walks you through its XML structure Discusses how to create templates while building your understanding of layouts Offers best practices for developing content, designing types, organizing templates, and using the rich text editor Walks you through XSLT and .NET controls Helps you build sample applications and troubleshoot any issues that arise Covers how to create your own classified ads site by combining document types, templates, styles, macros, and more

Vitamin C can reduce your risk of developing cancer and heart disease, improve your mood and energy levels, and even lessen cold and flu symptoms. The problem is that many people simply do not get enough vitamin C from their diets. This work explains the health benefits of this essential nutrient and how it can enhance your health.
