Documents the life of Sitting Bull, from his youth as a warrior and rise as a tribal elder to his failed efforts to save the Lakota's land and culture through nonviolence and negotiations.

The first comprehensive history of the Lakota Indians and their profound role in shaping America's history Named One of the New York Times Critics' Top Books of 2019 - Named One of the 10 Best History Books of 2019 by Smithsonian Magazine - Winner of the MPIBA Reading the West Book Award for narrative nonfiction "Turned many of the stories I thought I knew about our nation inside out."--Cornelia Channing, *Paris Review*, Favorite Books of 2019 "My favorite non-fiction book of this year."--Tyler Cowen, *Bloomberg Opinion* "A brilliant, bold, gripping history."--Simon Sebag Montefiore, *London Evening Standard*, Best Books of 2019 "All nations deserve to have their stories told with this degree of attentiveness"--Parul Sehgal, *New York Times* This first complete account of the Lakota

Online Library Who Was Sitting Bull

Indians traces their rich and often surprising history from the early sixteenth to the early twenty-first century. Pekka Hämäläinen explores the Lakotas' roots as marginal hunter-gatherers and reveals how they reinvented themselves twice: first as a river people who dominated the Missouri Valley, America's great commercial artery, and then--in what was America's first sweeping westward expansion--as a horse people who ruled supreme on the vast high plains. The Lakotas are imprinted in American historical memory. Red Cloud, Crazy Horse, and Sitting Bull are iconic figures in the American imagination, but in this groundbreaking book they emerge as something different: the architects of Lakota America, an expansive and enduring Indigenous regime that commanded human fates in the North American interior for generations. Hämäläinen's deeply researched and engagingly written history places the Lakotas at the center of American history, and the results are revelatory.

The only book on Sitting Bull written by a lineal descendant.

A biography of the Sioux leader who became a symbol of American Indian resistance to European-American culture.

In this book, readers learn about Sitting Bull, the well-known Native American chief, how he united the Lakota Sioux in the northern Great Plains and led a mighty resistance of tribes who refused to be placed on reservations.

Profiles the Native American leader who is best known for his role in the Battle of Little

Online Library Who Was Sitting Bull

Bighorn, discussing his childhood, family life, participation in the Sioux Nation, and conflicts with the United States government.

"If that is Long Hair, I am the one who killed him," White Bull, the young nephew of Sitting Bull, said when Bad Juice pointed out Custer's body immediately after the Battle of the Little Big Horn. Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill's Wild West Show as "the warrior who killed Custer." But this new edition of Stanley Vestal's classic biography of the famous chief emphasizes that "Sitting Bull's fame does not rest upon the death of Custer 's five troops. Had he been twenty miles away shooting antelope that morning, he would still remain the greatest of the Sioux." The stirring account of the death throes of a mighty nation and its leader is the story of the "greatest of the Sioux" and his struggle to keep his people free and united. The Sioux were formidable warriors, as attested to by men who fought against them, like General Anson Mills, who said, "They were the best cavalry in the world; their like will never be seen again," but they were up against an overwhelming tide of soldiers, homesteaders, and bureaucrats. Sitting Bull fought long and hard and "He was ... a statesman, one of the most farsighted we have had," but statesmanship could not prevail against such odds. This powerful biography of Sitting Bull is brought to a new generation of readers in h a new and expanded edition, for much new material had been added to the original edition (published in 1932) that could not be disclosed while the informants were still living. Sitting Bull is a moving account of the epic courage of one man in the face of his inevitable defeat as the last defender of his people's rights.
