APART from strictly devotional books, a large proportion of the practical Christian literature of the day concerns itself rather with the outer manifestations of the Christian life than with its inner experiences. The Christian as he moves among men is in view, rather than the Christian as he is alone with God. Books of this class are invaluable helps to Christian living, and can hardly be multiplied too much. But, along with these, there may be some room for books of another class, books dealing specially with the inner soul-experiences which vitalise the life that is seen. This volume is meant to be of such a kind: to set forth in some degree the sacred privilege of secret fellowship with God, and to urge the need of making that intercourse with Him more frequent and more prolonged. If it helps any reader of it to realise more fully the joy to be found in the secret place of meditation and prayer, its purpose will be fulfilled.

Rad-i-cal: Of or relating to the origin or root. New and different from what is traditional or ordinary. Of change or action, relating to or affecting the fundamental nature of something; far-reaching or thorough. Gone are the days when men walked into church and shook under the convicting power of God's presence. Instead, our dull, dry-eyed preaching tends to comfort the sinner and condone his sin. We need a return to the original New Testament type of praying and preaching. The early Church moved heaven and earth by their prayers; they changed hearts by their preaching. Peter's message on the day of Pentecost pierced his listeners to the heart. This word "pierced" is the same used when the soldier drove his spear into the side of Jesus, on the cross. Following the day of Pentecost, the disciples prayed for confidence and the place where they were gathered was shaken. They were filled with the Holy Spirit and spoke the Word of God boldly. If you want to find out how, then read RADICAL.

A pungent book of messages deliberately designed to motivate Christians to increased prayer and obedience.

An inspiring and practical study of the temptation and transfiguration of Christ.

Consistent daily prayer is possible with help from this program that divides an hour of prayer into five-minute "points of focus."

As the young pastor of a self-satisfied English congregation in the 1880s, Samuel Chadwick was so frustrated over his lack of power in the pulpit that he collected his sermons in a pile and set fire to them. The result was immediate: The Holy Spirit fell on him.

Heart Breathings is a fitting title for a book where words are only the vessel that somehow endeavors to hold, and show forth, the breathings of the spirit that is not flesh. There is a frustration when yearnings beyond words find themselves clothed in the only medium that can cause them to be tangible to others. These poems are the roarings and sighings and longings of the inarticulate soul trying to create a substance through which to transmit its feelings to others. Paul Ravenhill."

The God of Scripture and history actively works among His people today. This history of revival demonstrates the movement of God from the Old Testament to recent times. Students of revival, people hungry to grow spiritually, pastors and church planters, missionaries and laity will be stirred to pray for a fresh movement of God as they read the stories of God's divine work in the past. If you have a hunger to know God more, to grow in your faith, or to understand how God has worked in the past to know better how He works today, Firefall 2.0 will help to shape and grow your faith.

The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head.
