Shelves: star-trek-deep-space-nine This is somewhere between a 3 and a 4. On the positive side, Wrath of the Prophets moves along quickly, giving most of the series regulars something interesting to do. It also teams them up in some unusual pairings (aka Sisko and Quark) instead of sticking primarily to the tried and true relationships.

Wrath of the Prophets | Memory Alpha | Fandom

The Wrath of the Prophets was a plague that inflicted Bajor in the mid 24th century. This virus spread on the Bajoran home world in 2372 where the lack of a cure resulted in many on the planet believing that it was a sign of displeasure from the Prophets. (DS9 novel: Wrath of the Prophets) This article is a stub relating to medicine. You can help our database by expanding on it.

Prophet | Memory Alpha | Fandom

The Pah-wraiths were non-corporeal beings and enemies of the Bajoran Prophets. Bajoran religious texts related that the Pah-wraiths once resided in the Celestial Temple alongside the Prophets. For reasons unknown, they were banished to the Fire Caves on Bajor. According to ancient Bajoran texts, they were "false Prophets". The name "Kosst Amojan" was sometimes used to refer to them. The Pah ...

Star Trek is an American media franchise based on the science fiction television series created by Gene Roddenberry. The first television series, simply called Star Trek and now referred to as "The Original Series", debuted in 1966 and aired for three seasons on NBC. The Star Trek canon includes The Original Series, seven spin-off television series, two animated series, and thirteen films.

When a fatal disease spreads over Bajor, threatening the entire planet with extinction, Captain Sisko must accept aid from an unexpected source: Ro Laren, Starfleet officer turned Maquis renegade. Major Kira and Ro reluctantly join forces to track the alien plague to its source -- even as the disease claims new victims on Deep Space Nine itself. Dr. Bashir struggles to find a cure, but the secret of the virulent invader may hide deep in the shadows of Dax's past.

battle of the Prophets and the Pah-wraiths within the nightmarish realm of nonlinear time—as the greatest epic adventure in the saga of Deep Space 9™—reaches its staggering conclusion... As predicted in ancient Bajoran texts, the Celestial Temple has been restored, ending normal space-time existence for all except Captain Benjamin Sisko and those trapped on the Starship Defiant and the Klingon warship Boreth. But as apocalyptic war rages between the Prophets and the Pah-wraiths, one last chance for survival beckons—a return to Deep Space 9. Yet, in the realm of nonlinear time, it appears that there are two possible times at which Sisko and his allies can turn to the station: on the day of the Cardassian Withdrawal, or on the day six years later when DS9 Was destroyed. But which choice will lead to the triumph of the Prophets? And which to eternal victory for the Pah-wraiths? With time literally running out and the fate of the universe in his hands, Sisko now must confront his own personal inferno—in order to change the past and restore the present, he must be ready to make the ultimate sacrifice...his future...

When the Borg destroyed the U.S.S. Saratoga at Wolf 359, killing Captain Sisko's beloved wife, one chapter in his life came to a tragic end. Now painful memories are reawakened when the U.S.S. Defiant™ carries the survivors of the Saratoga to an important Starfleet ceremony. But Sisko's bittersweet reunion with his old crewmates is cut short when an unexpected malfunction threatens the Defiant as well as the lives of everyone aboard. Even worse, evidence suggests that the accident was caused by deliberate sabotage. Has one of Sisko's oldest friends betrayed them all? Sisko and Dax must uncover the truth before death claims the survivors of the Saratoga.

Welcome, Emissary. As Benjamin Sisko picked his way over the wreckage that was his new command, a thousand questions, countless problems, dire reports, and the soon-to-be-familiar harangue of the Bajoran Liaison Officer clamored for his attention. From the shadows, a monk stepped out and greeted him. With all that had happened, it is no small wonder that Sisko took that greeting and relegated it to the back of his mind. Six years have passed. Despite the recent retaking of Deep Space 9™, it seems that the Federation is losing the Dominion war. As commander of a front-line post, Sisko focuses on the war effort, paying little attention to the latest rumor. "The fabled lost Orbs of the Prophets have been recovered. Legend holds that these orbs are the key to unlocking a second wormhole -- a second Celestial Temple." In war, sometimes the little things you don't notice are your undoing. Now Benjamin Sisko, a man of science and a Starfleet officer -- and also the Emissary -- is swept up in the ultimate war of good versus evil. Every decision he makes draws him, his family, and his crew into the abyss. Faced with the possibility that he alone must decide the fate of life in the galaxy, Captain Sisko must unlock the truth behind the fabled Orbs of the Prophets or the future, the past, and even the present will wink out of existence!

The planet Kirlos -- an artificial world built by a mysterious long-dead race called the Ariantu. Kirlos is now home to many races from both the Federation and the K'vin Hegemony, who have enjoyed years of peaceful co-existence and profitable trade. The planet also hold a wealth of undiscovered archaeological treasures, which the Enterprise™ and its crew are dispatched to help uncover. Sent to the surface to assist an archaeological team, Geordi, Data, and Worf soon find themselves cut off from the Enterprise -- and the prime suspects in a series of terrorist attacks. The three Enterprise crewmen are imprisoned, relations between the K'vin and the Federation begin to crumble, and Kirlos' ancient underground machinery awakens from a centuries long dormancy, primed to release the most powerful destructive force ever known.

Millenia ago, an apocalyptic battle was fought in the Alpha Quadrant. The losers were banished, but what became of the victors? The Federation is threatened by this ancient mystery when a battered and broken version of the Defiant is found, frozen for five thousand years, in an icy cloud of cometary debris. Captain Sisko and the crew of Deep Space Nine™ are summoned to answer the most baffling question of their lives: how and when will their ship be catapulted back through time to its destruction? And does its ancient death mean that one of the combatants in a primordial battle is poised now to storm the Alpha Quadrant? Only the wormhole holds the answer -- and the future of the Federation itself may depend on the secrets it conceals.

Rumors of a secret alliance between the Dominion and the Klingon Empire lure Captain Sisko and the crew of the Defiant on a desperate mission into the Gamma Quadrant, leaving Deep Space None vulnerable to a surprise sneak attack! Now an elite Klingon task force has seized control of the station, and only Chief O'Brient, Dr. Bashir, and Worf are left to defend Deep Space Nine. But Worf's loyalties are tested when he discovers that the invaders include his oldest friend -- and his own brother!

The Disinherited Gamma Xaridian--a peaceful Federation research colony that becomes the third Federation world to suffer a brutal attack at the hands of a mysterious alien fleet. With Lt. Uhura gone on an important mission of her own, Captain Kirk and the U.S.S. Enterprise™ are dispatched to investigate the attacks, only to find the planets completely devastated. When another nearby colony is attacked, the U.S.S. Enterprise is ready and encounters a fleet of quick, small and deadly ships. Though Kirk and his crew manage to turn the raiders away, the U.S.S. Enterprise is severely damaged and the aliens escape. As Kirk and his crew prepare for their next encounter with the raiders, Mr. Spock makes a startling discovery about the purpose behind the alien attacks -- a purpose that, if realized, could have deadly consequences for the Federation and the U.S.S. Enterprise...

WELCOME TO THE NEW DEEP SPACE 9 After the destruction of the original

## Acces PDF Wrath Of The Prophets Star Trek Deep Space Nine

space station by a rogue faction of the Typhon Pact, Miles O'Brien and Nog have led the Starfleet Corps of Engineers in designing and constructing a larger, more advanced starbase in the Bajoran system. Now, as familiar faces such as Benjamin Sisko, Kasidy Yates, Ezri Dax, Odo, and Quark arrive at the new station, Captain Ro Laren will host various heads of state at an impressive dedication ceremony. The dignitaries include not only the leaders of allies—such as Klingon Chancellor Martok, Ferengi Grand Nagus Rom, the Cardassian castellan, and the Bajoran first minister—but also those of rival powers, such as the Romulan praetor and the Gorn emperor. But as Ro's crew prepares to open DS9 to the entire Bajor Sector and beyond, disaster looms. A faction has already set in action a shocking plan that, if successful, will shake the Alpha and Beta Quadrants to the core. And what of Kira Nerys, lost aboard a runabout when the Bajoran wormhole collapsed? In the two years that have passed during construction of the new Deep Space 9, there have been no indications that the Celestial Temple, the Prophets, or Kira have survived. But since Ben Sisko once learned that the wormhole aliens exist nonlinearly in time, what does that mean with respect to their fate, or that of the wormhole . . . or of Kira herself?

The captains of the Original Series, The Next Generation, Voyager, and Deep Space Nine meet for the first time in a contest of unwilling champions! When a dispute between godlike beings threatens the galaxy, it will take all of Starfleet's best captains to stop them. Join James T. Kirk, Jean-Luc Picard, Kathryn Janeway, and Benjamin Sisko as they go head-to-head in a competition that will determine the fate of the Earth and beyond. Will they be able to emerge victorious, or will they be torn apart by THE Q CONFLICT?
