Yanagai! Yanagai! La lotta degli aborigeni Yorta Yorta.
Andrea James. \$13.99; \$13.99; Publisher Description
“ Non ci sono parole in lingua inglese sufficienti a dare il senso del legame esistente tra una comunità aborigena e la sua terra [...] La nostra parola ‘ terra ’ è troppo limitata ed esigua [...] Quando ci siamo appropriati di ciò che noi chiamiamo ‘ terra ’ , abbiamo portato via ...

Yanagai e la parola con cui il popolo Yorta Yorta reagi alla indesiderata intrusione dei primi bianchi che cercarono di attraversarne il territorio agli inizi del diciannovesimo secolo [...] La decisione del sistema legale a carico dei primi trasgressori fu ovviamente ingiusta, e costituì un duro colpo per il nostro popolo e la sua lotta per il diritto alla terra [...] Essendo un popolo così orgoglioso e resistente, noi Yorta Yorta reagimmo per affermare che niente avrebbe mai cancellato la nostra identita e i nostri diritti di popolo, e che niente ci avrebbe mai impedito di rivendicare ciò che crediamo sia nostro per diritto innato [...] Il simbolismo di Yanagai! Yanagai!, gli eventi che seguirono e, a tutt'oggi, la negazione di giustizia per gli Yorta Yorta sono diventati la forza propulsiva per questa rappresentazione. (Dr Wayne Atkinson) Non ci sono parole in lingua inglese sufficienti a dare il senso del legame esistente tra una comunita aborigena e la sua terra [...] La nostra parola "terra" e troppo limitata ed esigua [...] Quando ci siamo appropriati di ciò che noi chiamiamo "terra," abbiamo portato via ciò che per loro e il focolare, la casa, la fonte di vita e l'eternita dello spirito. (Prof. W. Stanner, White Man Got No Dreaming)"

A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara ’ s stunning novel is about the families we are born into, and those that we make for ourselves.

Readers of exciting, challenging and visionary literary fiction—including admirers of Norman Rush’s Mating, Ann Patchett’s State of Wonder, Barbara Kingsolver’s The Poisonwood Bible, and Peter Matthiessen’s At Play in the Fields of the Lord—will be drawn to this astonishingly gripping and accomplished first novel. A decade in the writing, this is an anthropological adventure story that combines the visceral allure of a thriller with a profound and tragic vision of what happens when cultures collide. It is a book that instantly catapults Hanya Yanagihara into the company of young novelists who really, really matter. In 1950, a young doctor called Norton Perina signs on with the anthropologist Paul Tallent for an expedition to the remote Micronesian island of Ivu’ivu in search of a rumored lost tribe. They succeed, finding not only that tribe but also a group of forest dwellers they dub “The Dreamers,” who turn out to be fantastically long-lived but progressively more senile. Perina suspects the source of their longevity is a hard-to-find turtle; unable to resist the possibility of eternal life, he kills one and smuggles some meat back to the States. He scientifically proves his thesis, earning worldwide fame and the Nobel Prize, but he soon discovers that its miraculous property comes at a terrible price. As things quickly spiral out of his control, his own demons take hold, with devastating personal consequences.
